INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Endwell Family Physicians, LLP Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Endwell Family Physicians, LLP Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Endwell Family Physicians, LLP Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Endwell Family Physicians, LLP Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Endwell Family Physicians, LLP Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Endwell Family Physicians, LLP Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Endwell Family Physicians, LLP Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Endwell Family Physicians LLP
Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2023

Note 1 – Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Endwell Family Physicians, LLP who have attained the age of 21 and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

If he or she is not already enrolled and has not waived automatic enrollment, an eligible employee is automatically enrolled in the Plan as of the first day of either the January or July entry dates, following completion of the eligibility requirements, at a pretax contribution rate of 3% of pretax annual compensation, as defined in the Plan document, subject to certain Internal Revenue Code ("IRC") limitations.

Newly-eligible employees who do not opt out of automatic Plan enrollment are also enrolled in an automatic contribution increase program, which provides for a 1% increase in the contribution percentage on an annual basis, unless and until the participant affirmatively opts out of the program or attains a 15% contribution percentage.

The Plan allows participants to make Roth elective contributions. Participants can elect to increase their pretax salary deferral contributions and/or Roth elective contributions rate, subject to certain IRC limitations up to 100% of their eligible compensation.

Annually, the employer makes a 3% nonelective safe harbor contribution based on gross compensation of eligible employees. In addition, annual profit sharing contributions are made to the Plan at the discretion of the employer. The employer's contributions were \$380,619 for 2023 and \$363,996 for 2022.

Participant Accounts

Each participant's account is credited with the participant and employer contribution and an allocation of the Plan earnings and losses. Plan earnings and losses are allocated based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan is a participant-directed plan.

Vesting

Participants are immediately vested in their elective contributions, rollover, and the safe harbor non-elective employer contributions, plus earnings thereon. The Company's contributions into the elective profit sharing portion of the Plan vest at 20 percent per year after completing two years of service, and vesting increases 20 percent for each additional year of service until fully vested after six years.

Forfeitures

Forfeited non-vested accounts are used to reduce future administrative expenses of the plan. During the year, \$1,151 of forfeiture funds were used by the Plan to pay for administrative fees. These accounts totaled \$7 as of December 31, 2023 and \$1 as of December 31, 2022.

Payment of Benefits

Benefits are available for distribution when participants attain the normal retirement age of 65, they become disabled, they are terminated from the employer, or upon death. Participants can receive their benefit in a lump-sum distribution or, if the account balance is at least \$5,000, they can defer payments until normal retirement age.

Profit Sharing 401(k) Plan
Notes to Financial Statements

Administrative Expenses

Certain expenses of the Plan for administrative services are paid directly by the Plan, except to the extent the employer chooses to pay such expenses. Each participant's account is charged an asset based service fee of 20 basis points per annum for investment management services.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through October 9, 2024, which is the date the financial statements were available to be issued.

Recent Accounting Pronouncements

In June 2016, the FASB issued ASU 2016-13, Financial Instruments-Credit Losses. The standard requires a financial asset (including contributions receivable) measured at amortized cost basis to be presented at the net amount expected to be collected. Thus, the statement of changes in net assets available for benefits will reflect the measurement of credit losses for newly recognized financial assets as well as the expected increases or decreases of expected credit losses that have taken place during the period. The Company adopted the standard effective January 1, 2023, with an immaterial effect to the financial statements.

Note 3 – Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by its trustee, Fidelity Management Trust Company.

	<u>2023</u>	<u>2022</u>
Investments, at Fair Value	\$ 26,033,570	\$ 21,940,532
Interest and Dividends	1,260,864	1,421,643

Endwell Family Physicians LLP
Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2023

Note 4 – Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for investment management and other services amounted to \$45,536 for the year ended December 31, 2023 and are included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits.

Note 5 – Tax Status

In March 2021, the Plan amended its prototype plan sponsored by Fidelity Management Trust Co. The Internal Revenue Service has approved the Plan under their volume submitter program by letter dated June 30, 2020. Prior to March 2021, the Plan had adopted a prototype plan sponsored by Fidelity Management Trust Co. that was approved by the IRS in 2014. Prior to November 2014, the Plan had adopted a prototype plan sponsored by Fidelity Management Trust Co. that was approved by the IRS in 2008. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes that there are no uncertain tax positions that would have a material impact on the financial statements of the Plan. Therefore, no provision for income taxes has been recorded in these financial statements.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 6 – Investments

The Plan has a formal investment policy with specific financial objectives. A broad range of investment options is provided, each with materially different risk and return characteristics, to enable Plan participants to construct a portfolio that, in the aggregate, will meet each individual's desired risk and return characteristics and investment goals through separate, diversified investment vehicles. Investment options are selected with the intent to provide an appropriate range of investment categories that will reasonably span the risk-and-return spectrum, that satisfies the 'broad range' criteria of the regulations under ERISA section 404(c), and that is consistent with the investment needs of the participants. The performance of investment options is reviewed periodically on the basis of certain criteria. Investment options which do not meet or exceed these criteria are subject to removal.

During the year ended December 31, 2023, the Plan's investments (including investments bought, sold and held during the year) appreciated in value by \$2,343,564.

As of December 31, 2022, the market values of individual investments that represent 5% or more of the Plan's net assets measured as of the beginning of the Plan year were as follows:

-------	---------------------

During the year ended December 31, 2022, the Plan's investments (including investments bought, sold and held during the year) depreciated in value by \$5,911,811.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balances.

Note 8 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of the three broad levels: Level 1 inputs

**Endwell Family Physicians LLP
Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2023**

consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year-end. Those net asset values are based on the closing prices reported on the active markets where the individual securities are traded.

The Plan's investments at Level 1 of the fair value hierarchy are as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2023</u>	
Assets	
Mutual Funds	\$ 23,610,122
Money Market Fund	2,423,448
Total Assets at Fair Value	<u>\$ 26,033,570</u>
 <u>December 31, 2022</u>	
Assets	
Mutual Funds	\$ 21,353,932
Money Market Fund	586,600
Total Assets at Fair Value	<u>\$ 21,940,532</u>

Note 9 – Risks and Uncertainties

The Plan invests in various mutual funds. Investment funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
