INDEPENDENT AUDITOR'S REPORT

To the Participants and Club Car Retirement
Committee
Club Car 401(k) Plan
Augusta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Club Car 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Club Car 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Club Car 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Club Car 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Club Car 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Club Car 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Club Car 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Club Car 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan was established July 1, 2021 in connection with the sale of Club Car, LLC by Ingersoll Rand, Inc. Assets were transferred from the Ingersoll Rand Retirement Savings Plan to the Plan. The Plan is a defined contribution plan for the benefit of the employees of Club Car, LLC (the "Company" or "Employer"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees, 18 years of age or older, of the employer are eligible to participate in the Plan. The entry date is the first day of the month subsequent to date the Plan's eligibility requirements are met. Employees covered by a collective bargaining agreement, leased employees, nonresident aliens, temporary and seasonal employees, interns and contingent workers are excluded from the Plan, unless certain service requirements are met.

The Plan has an automatic enrollment feature for new participants and an automatic increase feature for all participants. Employees can opt out of automatic enrollment or the automatic annual increase by completing the appropriate documentation. Plan participants may elect to contribute up to 85% of annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans. Contributions are subject to certain IRS limitations. As defined by the Plan document, participants are eligible for safe-harbor employer matching contributions of 100% of the first 6% of the participant's eligible compensation contributed to the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's matching contributions and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants vest immediately in their voluntary contributions and the Company's safe-harbor contributions plus actual earnings thereon.

Club Car 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

The Company can make nonelective contributions and those contributions and the earnings thereon generally vest based on a number of the years of service, as defined in the Plan, as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 3	0 %
3 or more	100 %

Nonvested amounts are forfeited if an employee terminates prior to fully vesting. In the event of the death or disability of a participant, the participant will automatically become fully vested.

Notes receivable from participants

A participant, who is also an employee, may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the excess (if any) of the highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of plan loans on the date the loan is made, or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant may receive a lump-sum benefit payment equal to the value of the participant's vested interest in his or her account. Participants who have attained the age of 59½ years may elect to withdraw all or any part of their vested account balance. Additionally, participants may elect distributions under certain circumstances of financial hardship, as defined in the Plan agreement, subject to a \$500 minimum amount.

Forfeitures

Forfeited amounts may be used to reduce the amount of employer contributions and/or to reduce administrative expenses to the Plan. The total amount of unallocated forfeitures at December 31, 2023 and 2022 was \$3,581 and \$12,039, respectively. Forfeitures used to reduce the amount of employer contributions and/or administrative expenses during the years ended December 31, 2023 and 2022 were \$13,024 and \$278,544, respectively.

1. DESCRIPTION OF THE PLAN (continued)

Plan Merger

Effective May 23, 2023, the Garia Inc. 401(k) Profit Sharing Plan and Trust merged with the Plan. Net assets of the Garia Inc. 401(k) Profit Sharing Plan and Trust, in the amount of \$116,473, were transferred into the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain amounts reported in the financial statements and related notes. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Loan balances are secured by participant accounts and no allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefit payments are recorded when paid.

Club Car 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

3. CERTIFICATION OF INVESTMENT INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the custodian of the Plan, has certified the completeness and accuracy of all investments, including notes receivable from participants, reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental Schedule H Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, and the information related to investment activity, including interest from notes receivable from participants, reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Club Car 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observed for substantially the full term of the asset or liability. There were no Level 2 investments at December 31, 2023 and 2022.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There were no Level 3 investments at December 31, 2023 and 2022.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable outputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified as Level 1.

Collective trust funds - The Plan's collective trust investments are valued using the funds published price at readily determinable fair value ("RDFV"). The RDFV is based on the value of the underlying assets owned by the fund, which include a mix of U.S. and international equities, fixed income investments, target date funds, and short-term investments. The collective trust investments held by the Plan publish their unit price daily and transact at that price. Collective trust funds are classified as Level 1.

Brokerage accounts - Common stock, mutual funds, and bonds in the self-directed brokerage accounts are at fair value based on published market quotations from individual investments composing the brokerage accounts. Such assets are classified as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 38,561,249	\$ -	\$ -	\$ 38,561,249

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 32,044,988	\$ -	\$ -	\$ 32,044,988

	<u>\$132,707,499</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$132,707,499</u>

5. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

6. INCOME TAX STATUS

The Trustee has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is being operated in compliance with the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by Fidelity as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the Company directly pays some of the expenses related to the Plan's operations.

Club Car 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company had late employee deferral contributions totaling \$1,896,244, \$3,327,649, and \$1,580,037 for the Plan years ended December 31, 2023, 2022, and 2021, respectively. The Company corrected the late employee deferral contributions for the years ended December 31, 2022 and 2021 totaling \$4,907,686 subsequent to year-end and is in the process of correcting the contributions totaling \$1,896,244 for the year ended December 31, 2023. As of the date of the financial statements the delinquent contributions for the year ended December 31, 2023 have not been corrected.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023:

Net assets available for benefits per the financial statements	\$ 155,843,205
Collective trust NAV to fair value	<u>(310,998)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 155,532,207</u></u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2023, to Form 5500:

Net increase in net assets available for benefits	\$ 20,498,518
Less current year collective trust NAV to fair value adjustment	<u>(310,998)</u>
