MONROVIA NURSERY 401(k) RETIREMENT PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Administrative Committee
Monrovia Nursery 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Monrovia Nursery 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

Administrative Committee

MONROVIA NURSERY 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

Monrovia Nursery 401(k) Retirement Plan (the "Plan") is a defined contribution plan covering eligible employees, as defined in the Plan, of Monrovia Nursery Company (the "Company"). The Plan was originally established on October 1, 1984 and includes a cash or deferred arrangement under section 401(k) of the Internal Revenue Code ("IRC"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

This description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. Eligibility

Employees of the Company are eligible to participate in the Plan after completing six months of service and reaching age 21. Upon satisfying these requirements, a participant is eligible to participate in the Plan on the first day of the next calendar quarter.

B. Contributions

Each year, participants may contribute from 1% to 100% of their eligible compensation, as defined in the Plan, subject to IRC limitations. The Company makes safe harbor matching contributions and may make discretionary profit sharing contributions to the Plan. The Company did not make a profit sharing contribution for 2023.

C. Benefits

The Plan provides for participant withdrawals in a lump sum upon retirement, death, termination, disability, attainment of age 59½, or financial hardship. For account balances between \$1,000 and \$5,000, the Plan's automatic rollover provision applies. Benefits to participants are recorded when paid.

D. Vesting

Participants are immediately vested in their deferral contributions, safe harbor matching contributions, rollovers, and actual earnings thereon. Vesting in the Company's profit sharing contributions plus actual earnings thereon is based on continuous years of service. A participant becomes 20% vested after two years of credited service, and vests in 20% increments annually each year thereafter; participants are 100% vested after six years of credited service.

E. Participant Accounts

Participants may designate the investment or transfer of their account balances among the various investment funds offered by the Plan or self directed brokerage accounts. Each participant's account is credited with (a) the participant's contribution, (b) rollovers, (c) the Company's contribution, and (d) an allocation of Plan earnings, net of certain investment management fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested amount in his or her account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Forfeitures

Forfeitures result from non-vested Company contributions of terminated employees. Forfeitures of \$165,319 and \$168,177 at December 31, 2023 and 2022, respectively, were available to offset Company contributions or pay administrative fees of the Plan. In 2023, forfeitures totaled \$1,356; \$6,345 were used to pay administrative fees of the Plan.

G. Administrative Expenses

Most administrative expenses are paid by the Plan. Certain asset charges and account fees are paid from participants' accounts, while other expenses are paid from forfeitures.

H. Notes Receivable from Participants

At the discretion of the plan administrator, a participant is allowed to borrow a maximum of 50% of his or her vested account balance, up to \$50,000. The minimum loan is \$1,000. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. All loans must be adequately secured and accrue interest at the prime rate published in the Wall Street Journal plus 1%.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and disclosures. Accordingly, actual results may differ from those estimates.

C. Investments at Fair Value

Accounting principles establish a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	<u>\$ 31,188,379</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 31,188,379</u>

Level 1 investments are mutual funds, common stocks and interest bearing cash valued at their quoted market prices. Interest and dividends are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis.

D. Investments at Contract Value

The Plan's investment in Key Guaranteed Portfolio Fund comprises unallocated insurance contracts. Because the fund meets fully benefit-responsive investment contract criteria, it is reported at contract value. Contract value is the amount received by participants when they initiate permitted transactions under the terms of the Plan, and represents contributions made to the account plus earnings, less withdrawals and expenses. The crediting interest rate of the fund is based on a formula. The actual average yield earned by the Plan was 1.28% for 2023 and 0.98% for 2022. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Key Guaranteed Portfolio Fund. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

E. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements. The Plan's exposure to the credit loss in the event of nonperformance of investments is limited to the carrying value of such investments.

NOTE 3 - INCOME TAX STATUS

The Company has adopted a Great-West Trust Company prototype plan, which has received an opinion letter dated March 31, 2014 from the Internal Revenue Service stating that the form of the Plan is acceptable under the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MONROVIA NURSERY 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3 - INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to ERISA and the provisions set forth in the Plan. In the event of plan termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries, after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments are issued by the custodians or affiliates. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party in interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party in interest transactions under ERISA.
