**INDEPENDENT AUDITOR'S REPORT**

To the Participants and Plan Administrator of the  
**Parker Wellbore 401(k) Retirement Savings Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Parker Wellbore 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023, and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Parker Wellbore 401(k) Retirement Savings Plan**

### **Notes to Financial Statements**

#### **December 31, 2023 and 2022**

---

#### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Parker Wellbore 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan’s provisions. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Plan Administration**

The plan administrator is the Retirement Policy Committee, which is comprised of persons appointed by the plan sponsor, Parker Drilling Company. Empower Trust Company (Empower) is the trustee and Empower Retirement is the record keeper.

#### **Eligibility**

Employees of participating employers and employees of Parker Drilling Company (altogether the “Company”), other than employees covered by certain collective bargaining agreements, leased employees, employees who are not citizens of the United States of America (except for certain resident aliens), and other excluded employees, are eligible to participate in the Plan upon their employment commencement date.

#### **Contributions**

Participants may elect to contribute up to 50% of their eligible compensation, as defined in the Plan, on a pre-tax basis. The Company will automatically make a pre-tax salary deferral contribution of 3% of eligible compensation for newly eligible employees unless the employee elects not to participate or elects a different deferral percentage. Participants who have attained age 50 prior to the end of the plan year are eligible to make additional pre-tax “catch-up” contributions. All pre-tax participant contributions are subject to the applicable limitations of the Internal Revenue Code (IRC). Plan participants may also make rollover contributions to the Plan, subject to the provisions of the Plan and the IRC. Participants may change their contribution amounts each pay period.

The Company may, at its discretion, contribute a discretionary matching or nonelective contribution to the Plan to be allocated to the accounts of eligible participants as described in the Plan document. During 2023, the Company elected to make a discretionary matching contribution equal to 100% of each participant’s salary deferral contributions that are up to 5% of eligible compensation each pay period. The Company did not make a discretionary nonelective contribution for the year ended December 31, 2023.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions, allocations of any Company discretionary nonelective contributions and, if applicable, any rollover contributions made by the participant. Accounts are adjusted for any withdrawals/distributions, earnings/losses, and applicable administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Vesting**

Participants are at all times fully vested in the value of participant and employer discretionary nonelective contributions credited to their accounts and the appreciation or depreciation thereon. Vesting in the discretionary employer matching contributions plus earnings thereon is based on years of service. Participants vest 33% after one year of service, 66% after two years of service, and are 100% vested after three years of service. Participants whose employment commencement date is prior to July 1, 2017, will be 100% vested at all times. A participant is immediately vested upon death, retirement, or termination of employment due to total and permanent disability.

**Forfeitures**

Forfeitures of nonvested employer discretionary matching contributions are used to pay administrative expenses or reduce employer contributions. The forfeitures balance at December 31, 2023 and 2022 was \$451,820 and \$265,513, respectively. Forfeitures of \$76,435 were used during 2023 to pay administrative expenses. There were no forfeitures used to reduce employer contributions during 2023.

**Withdrawals and Distributions**

A participant may receive benefit payments through any one of the methods provided by the Plan upon separation from service, retirement, or financial hardship. Participants may withdraw their rollover contributions, if any, from the Plan at any time. Participants may also make an in-service withdrawal of their vested account balance on or after attainment of age 59½. Distributions from the Plan can be made in the form of a partial or single lump-sum cash payment.

Hardship withdrawals are allowed in the event of a deemed financial need, subject to the provisions of the Plan and the IRC. Only elective deferral contributions including earnings may be included as part of a hardship withdrawal.

**Investment Program**

Participants direct the investment of 100% of their contributions and may transfer a portion or all of their account balance out of any fund into one or any combination of the other available funds at any time. The investment fund options offered include 19 mutual funds, one separate account and three collective trust funds. Participants may also elect to invest a portion of their account balance in a self-directed brokerage account, subject to the limitations of the Plan.

The Retirement Policy Committee periodically reviews the Plan's investment fund options and makes changes to the available options from time to time.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Notes Receivable from Participants**

The Plan permits participants to borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest loan balance during the past 12 months minus the loan balance on the date a new loan is made. A participant may elect a repayment term of up to five years for general-purpose loans or up to ten years if the loan is for the purchase of the participant's principal residence. Loans are secured by the balance in the participant's account and loan payments are generally made through payroll deductions. The interest rate for new loans is the prime rate plus one percentage point at the time of the loan. A participant may only have one loan outstanding at any time.

**Plan Termination**

Although it has not expressed any intent to do so, the Company may reduce, suspend, or discontinue contributions or terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in all accounts and the amount allocated to each participant's account will become payable in accordance with the provisions of the Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Interest income is recorded when earned and dividend income is recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions**

Contributions from Plan participants and the discretionary matching contributions from the Company are recorded in the plan year in which the participant contributions are withheld from compensation.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to recordkeeping, notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

**NOTE 3 - INFORMATION CERTIFIED**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the trustee of the Plan, and Empower Annuity Insurance Company (EAIC) have certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023, and the related investment income and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Notes to Financial Statements**  
**December 31, 2023 and 2022**

---

**NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)**

*Self-Directed Brokerage Account:* Account primarily consists of mutual funds, money market funds, exchange-traded funds and common stocks that are valued at the closing price reported by the active market on which the individual securities are traded.

*Level 2* - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments measured using the NAV practical expedient are described below:

The Plan investments in collective trust funds and a separate account. The flexPATH Stable Value Fund Class R1 invests solely in the Putnam Stable Value Fund. The Large Cap Value Fund Class R1 invests solely in the Putnam Large Cap Value Trust. The Cohen & Steers U.S. Realty Fund Class F invests in a diversified portfolio of common stocks of real estate companies and other permitted investments. The JPMorgan Large Cap Growth fund is a separate account. The Plan purchases units of the separate account under group variable annuity contracts issued by EAIC. EAIC is the investment manager and owns the assets in the separate account, which seeks to outperform the Russell 1000 Growth Index while controlling risk.

The collective trust funds and separate account held by the Plan provide for daily redemptions by the Plan with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the funds or account.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used for valuing securities at December 31, 2023 or 2022.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**NOTE 5 - TAX STATUS**

The Plan has adopted a nonstandardized pre-approved plan, which obtained its latest opinion letter dated November 14, 2022, in which the Internal Revenue Service (IRS) stated that the document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan provides for investments in various investment securities. In general, such investments are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the risks associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes may materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

The Plan invests in a separate account with EAIC, an affiliate of Empower, the trustee of the Plan and, therefore, qualifies as a party in interest as defined under ERISA guidelines. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction rules.

**NOTE 8 - DELINQUENT CONTRIBUTIONS**

During 2023 and 2022, there were unintentional delays by the Company in submitting participant contributions to the Plan totaling \$48,867 and \$1,774, respectively. The Company intends to compensate the affected participants for any lost earnings resulting from the 2023 delinquent contributions in 2024.

**NOTE 9 - SUBSEQUENT EVENTS**

The Plan was amended in June 2023 to allow participants to make Roth salary deferral contributions to the Plan effective January 1, 2024.

Management has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.
