Report of Independent Auditors

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Epting Distributors, Inc. Employees' Retirement Savings Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2 to the financial statements.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Opinion (continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements were prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
Epting Distributors, Inc. Employees' Retirement Savings Plan

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Epting Distributors, Inc. Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following description of Epting Distributors, Inc. Employees' Retirement Savings Plan (the "Plan") provides only general information. Participants may refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Epting Distributors, Inc. (the "Company"), which covers employees who are eligible for participation in the Plan beginning on the January 1st or July 1st immediately following or coinciding with the date on which an employee completes 1,000 hours of service with the Company during a period of twelve consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan allows contributions of any portion of a participant's pre-tax annual compensation, as defined in the Plan document and subject to contribution limitations specified by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans.

The Company makes matching contributions based on the entire plan year participant elective deferral, equal to 100% of participant contributions up to 3% of the participant's first \$50,000 of qualifying compensation, plus an additional amount equal to 50% of participant contributions that exceed 3% and do not exceed 5% of the participant's qualifying compensation. The Company may also make discretionary qualified non-elective and discretionary profit sharing contributions. The Company made profit sharing contributions of \$119,000 and \$122,000 during the years ended December 31, 2023 and 2022, respectively. No qualified non-elective contributions were made during the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, Plan earnings or losses, and an allocation of administrative expenses paid by the Plan. Participants direct their contributions into various investment options offered by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their salary deferrals and qualified non-elective contributions. Vesting in the Company's matching and discretionary profit sharing contributions is based on years of continuous service. Participants are 20% vested in the Company's discretionary matching and profit sharing contributions after two years of service with additional vesting of 20% for each of the next two years, and are 100% vested after five years of service.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.25% as of December 31, 2023. Loan terms are limited to five years, except for loans made for the purchase of a primary residence. A participant may have no more than one note due to the Plan at any time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may, subject to certain conditions, elect to receive their vested portion of Plan assets under several payout options specified in the Plan's documents. Subject to certain conditions, a participant may receive hardship withdrawals from his or her balance in the Plan while employed. Participants who have attained 59½ years of age are permitted to withdraw all or part of their vested accounts as in-service distributions. Participants automatically begin receiving distributions on April 1st of the calendar year following the year in which they have attained 73 years of age.

Forfeitures

Participants withdrawing from the Plan with non-vested employer contributions in their account forfeit their share of non-vested contributions and earnings thereon. The Plan's provisions allow these amounts to be used for administrative expenses of the Plan or to reduce any employer contributions. During the years ended December 31, 2023 and 2022, approximately \$12,000 and \$9,000, respectively, in forfeited non-vested accounts were used to reduce employer contributions. No forfeited non-vested accounts were used to reduce administrative expenses of the Plan during the years ended December 31, 2023 and 2022. Unallocated forfeited non-vested accounts totaled approximately \$1,000 and \$2,000 at December 31, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in discretionary employer matching and profit sharing contributions.

2. Summary of Significant Accounting Policies

Financial Statement Presentation

The Plan's policy is to prepare its financial statements using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Under the Plan's accounting policy, contributions and investment income are recorded as received and expenses when paid.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan's investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2023 statement of net assets available for plan benefits – modified cash basis. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

3. Custodian Certifications

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2023 and 2022 related to investments, notes receivable from participants, net appreciation (depreciation) in fair value of investments, and interest and dividends, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by the Plan custodian, Matrix Trust Company.

4. Fair Value Measurements

Financial assets are reported at fair value and are classified and disclosed within a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of valuation methodology that are unobservable. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All of the Plans mutual fund investments were valued using Level 1 inputs, based on quoted net asset values of the shares held by the Plan.

4. Fair Value Measurements (continued)

The Plan's investments also include the Galliard Stable Return Fund Class C, which is a collective trust that invests in Galliard Stable Return Fund Core, a collective trust that invests in a variety of fully benefit-responsive investment contracts. Galliard Stable Return Fund Class C is valued at net asset value ("NAV") of units of the accounts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held less the account's liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the trust, the account provider reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

The methods used to measure fair values may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Party-in-Interest Transactions

At December 31, 2023 and 2022, the Plan held mutual funds and a collective trust managed by the Plan's custodian. The Company also has participant notes receivable. Fees paid by the Plan for custodial, recordkeeping, and investment advisory services amounted to approximately \$29,000 and \$30,000 for the years ended December 31, 2023 and 2022, respectively. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transactions rules of ERISA.

6. Tax Status

The plan is a non-standardized profit sharing plan designed to be in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (the "IRS") determined that the pre-approved plan document and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified as of December 31, 2023 and 2022. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any open tax periods in progress.

7. Subsequent Events

Management evaluated events and transactions after December 31, 2023 through September 5, 2024, the date the financial statements were available to be issued, for subsequent events.

A profit sharing contribution of \$126,000 was paid to the Plan subsequent to year end.

No other subsequent events were noted.
