INDEPENDENT AUDITORS' REPORT

To the Retirement Committee
403(b) Thrift Plan of Families Forward

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Families Forward (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the "2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2023 Financial Statements* section –

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of 403(b) Thrift Plan of Families Forward. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to

403(B) THRIFT PLAN OF FAMILIES FORWARD

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following description of the 403(b) Thrift Plan of Families Forward (the “Plan”) provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established on January 1, 2009, and amended and restated January 17, 2020, by Families Forward (the “Employer”, “Plan Sponsor”) as a safe-harbor plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”).

Administration

The Plan is administered by the Retirement Committee, which consists of senior management of the Plan Sponsor. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Retirement Committee. Mutual of America Life Insurance Company (the “Custodian”) is responsible for the custody and the management of the Plan’s assets.

Participant Contributions

Participants may make Elective Deferral Contributions up to the maximum dollar amount established by the IRC of pretax annual compensation (\$22,500 in 2023), as defined in the Plan. Participants aged 50 and older may make catch-up contributions to a maximum dollar amount established by the IRC. During 2023, a participant’s catch-up contributions for the plan year may not exceed \$7,500. Participants may elect to designate all or any portion of their Elective Deferral Contributions as Roth Elective Deferrals. Participants may also contribute amounts representing distributions from other tax qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Plan Sponsor shall make safe harbor base contributions equal to 3% of eligible compensation and makes discretionary matching contributions of up to 4% of eligible compensation, for a maximum employer contribution of up to 7% of eligible compensation. For the year ended December 31, 2023, the Plan Sponsor made safe harbor base contributions of \$115,694 and discretionary matching contributions of \$90,102. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

See accompanying independent auditors’ report.

403(B) THRIFT PLAN OF FAMILIES FORWARD

Notes to Financial Statements (continued)

December 31, 2023 and 2022

1. Description of Plan (continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested immediately in the Employer's contribution portion of their accounts.

Participant Accounts

Each participant's account is credited with the participant's contributions and Employer discretionary matching contribution, as well as allocations of the Employer's safe-harbor matching contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct participant, Employer safe-harbor and Employer discretionary matching contributions as desired in any of several investment options offered by the Plan. Participants may change their investment options any time throughout the year via the Mutual of America website or by using the automated telephone system offered by the Custodian.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested balance, not to exceed \$50,000. Note terms range from one to five years, except for notes related to the purchase of a primary residence. There is no limit to the number of loans a participant can have outstanding at one time. The loans are secured by the balance in the participant's account with interest rates commensurate with interest rates charged by persons in the business of lending money. There were no loans outstanding as of December 31, 2023. Principal and interest are paid ratably through biweekly payroll deductions. Defaulted participants notes are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Upon retirement, death, disability, or other termination of employment, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or payment in the form of an annuitized series of payments. Participants may withdraw any part of their vested account upon attaining age 59 1/2.

See accompanying independent auditors' report.

403(B) THRIFT PLAN OF FAMILIES FORWARD

Notes to Financial Statements (continued)

December 31, 2023 and 2022

1. Description of Plan (continued)

Payment of Benefits (continued)

The Plan permits hardship withdrawals in certain circumstances. Following a hardship withdrawal, a participant must wait six months before making additional contributions to the Plan.

Administrative Expenses

Expenses of the Plan, including legal, audit, administrative, and trustee expenses, are generally paid by the Employer, with the exception of certain administrative expenses totaling \$441 during the year ended December 31, 2023, which are paid for by the Plan and charged to participants' accounts.

Forfeitures

Forfeitures are used to reduce the Employer's contribution or to pay Plan expenses. There were no forfeitures during the year ended December 31, 2023.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Employee and employer contributions were recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in pooled separate accounts ("PSAs") are valued on a net asset value ("NAV") per share basis. The PSAs are credited with earnings on the underlying investments and charged for Plan benefits paid and deductions for investment expenses and annual management fees. Redemptions may occur on a daily basis.

See accompanying independent auditors' report.

403(B) THRIFT PLAN OF FAMILIES FORWARD

Notes to Financial Statements (continued)

December 31, 2023 and 2022

2. Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

The Plan invests in a guaranteed interest account, which is a group annuity contract valued at contract value. Contract value reflects the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and is the relevant measure for the portion of assets attributable to the fully benefit-responsive guaranteed interest account.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation of investments consists of both the realized and unrealized gains and losses.

The Plan's Investment Committee determines the Plan's valuation policies using information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefits are recorded when paid.

3. Information Certified by the Custodian

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022, the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023; and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.

See accompanying independent auditors' report.

403(B) THRIFT PLAN OF FAMILIES FORWARD

Notes to Financial Statements (continued)

December 31, 2023 and 2022

4. Investments

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

- Level 1- Inputs are quoted prices in active markets for identical investments that the investment manager has the ability to access at the measurement date.
- Level 2- Inputs are inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly.
- Level 3- Inputs are unobservable inputs for the investment.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments in PSAs are valued using the NAV as of the reporting date. The NAV is used as a practical expedient to estimate fair value. PSAs are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities) in the separate account as reported by Mutual of America Life Insurance Company based on recent transaction prices. While the majority of the underlying asset values are based on quoted prices, NAV of the PSAs are not publicly quoted. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. Investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy.

The Plan is party to a fully benefit-responsive guaranteed interest account with Mutual of America Life Insurance Company. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed interest account is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits. The guaranteed interest account is presented on the accompanying statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

See accompanying independent auditors' report.

4. Investments (continued)

Fair Value Measurements (continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other Employer events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the value of certain financial instruments could result in a different value measurement at the reporting date. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

5. Party-In-Interest Transactions

Certain Plan investments are managed by Mutual of America, the Custodian, and therefore, these transactions qualify as exempt party-in-interest transactions permitted by the United States Department of Labor (DOL) Rules and Regulations. Fees paid by the Plan to the Custodian amounted to \$441 for the year ended December 31, 2023. The Plan issues notes receivables to participants, which are secured by the balances in the participants' accounts.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, further contributions to the Plan will cease and participants will remain 100% vested in their accounts.

See accompanying independent auditors' report.

Notes to Financial Statements (continued)

December 31, 2023 and 2022

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

One fully benefit-responsive insurance annuity contract, and one pooled separate account held over 37% of the Plan's investments for the year ended December 31, 2023.

U.S. GAAP requires the financial statements to present the fair value of investments. The guaranteed interest account has been presented at contract value, which approximates fair value, as reported to the Plan by Mutual of America. This determination is based on Mutual of America's credit rating and yield during 2023 being comparable to similar alternative investments and the interest rate which resets annually being comparable to a ten-year treasury bond. In subsequent periods, if market conditions change, such as the insurance company credit rating or interest rate environment, the difference between contract value and fair value could become significant causing the financial statements to become materially misstated.

8. Tax Status

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC, as amended. A tax determination letter program is not yet available for IRC Section 403(b) plans through the IRS. The Plan Sponsor believes the Plan is currently designed and operated in compliance with applicable requirements of the IRC and, as such, is exempt from federal income taxes. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan's management will make any changes deemed necessary to ensure the Plan maintains its tax-exempt status.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See accompanying independent auditors' report.

9. Commitments and Contingencies

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible. For the years ended December 31, 2023, and 2022, the Plan Sponsor transferred employee contributions of \$120,131 and \$205,632, respectively, after what was considered to be a reasonable period of time. Total cumulative late employee contributions as of December 31, 2023 were \$354,924. The cumulative estimated lost earnings were \$814 as of December 31, 2023. During the year ended December 31, 2023, lost earnings of \$504 were remitted to the Plan outside of the DOL's Voluntary Fiduciary Correction Program. Remaining lost earnings of \$310 were remitted to the Plan in 2024 outside of the DOL's Voluntary Fiduciary Correction Program.

10. Subsequent Events

In preparing these financial statements, the Plan management has evaluated events and transactions for potential recognition or disclosure through September 26, 2024, the date the financial statements were available to be issued.
