To the Trustees of
Oakley Transportation Group 401(k) Plan
Lake Wales, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Oakley Transportation Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Oakley Transportation Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oakley Transportation Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakley Transportation Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oakley Transportation Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakley Transportation Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary schedule of Assets Held for Investment as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. OAKLEY TRANSPORTATION GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note A - Description of Plan

The following description of the Oakley Transportation Group 401(k) Plan (the Plan) provides only general information. Plan participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General. The Plan is a defined contribution 401(k) plan covering all full-time employees of Oakley Groves, Inc. and Oakley Transport, Inc. Employees are eligible to participate in the Plan after they have completed six months of service and attained the age of twenty-one. The primary purpose of the Plan is to provide employees of the Company with financial benefits upon retirement. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Contributions. Each year participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (i.e. rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company, in its discretion, may make matching and discretionary contributions to the Plan. For 2023 and 2022, the Company's matching contribution net of forfeitures was \$127,061 and \$134,045, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts. Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contribution, Plan earnings or losses, and any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions, plus the earnings thereon. Vesting in the Company's matching and discretionary contributions portion of their accounts is based on years of continuous service. A participant is vested 25% at year one, 50% at year two, and fully vested at year three. Upon attaining normal retirement age, death, or permanent disability while a participant is employed, their entire account balance becomes fully vested.

Payments of Benefits. On termination of service due to death, disability, retirement, or for other reasons a participant's account is distributed as a lump sum distribution if the vested balance does not exceed \$5,000. If a participant's vested balance exceeds \$5,000 a participant may elect to receive either a lump sum distribution or substantially equal installments over a certain period of time, which does not extend beyond the life expectancy of the participant or the joint life expectancies of the participant and his or her beneficiary.

Forfeitures. At December 31, 2023 and 2022, forfeited non-vested accounts total \$2,259 and \$11, respectively. These amounts will be used to reduce future employer matching contributions, and then pay administrative expenses. In 2023 and 2022, total forfeitures plus investment returns were \$11,940 and \$4,830 and employer matching contributions were reduced by \$9,692 and \$4,845, respectively.

Note A - Description of Plan - Continued

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note repayment terms range up to five years from the date of the note unless such note is for the purchase of a participant's primary residence, in which the repayment period may exceed five years. Notes are secured by the vested balance in the participant's account and bear interest at a fixed rate equal to the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Notes outstanding at December 31, 2023 and 2022, bear interest at rates ranging from 4.25% to 9.50%.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for disclosure of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as deemed distributions based upon the terms of the Plan document.

Administrative and Investment Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management Review

Subsequent events were evaluated through October 4, 2024, which is the date the financial statements were available to be issued.

Note C - Custodial Agreement

Reliance Trust Company and Transamerica Financial Life Insurance Company acting as custodians for the Plan manages Plan assets, executes investment transactions for the Plan, and makes distributions to participants as directed by the plan administrator. Oakley Transportation Group, Inc. serves as the plan administrator.

Note D - Certified Investments

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplementary schedule, that was prepared by or derived from information prepared by Reliance Trust Company and Transamerica Financial Life Insurance Company, the custodians, and furnished to the Company. The Company has obtained certifications from the custodians as of and for the years ended December 31, 2023 and 2022, that such information is complete and accurate.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note E - Fair Value Measurements

The Plan's investments are stated at fair value based on the following hierarchy of fair value measurement inputs:

- Level 1 The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

At December 31, 2023, the Plan's investments are categorized as follows:

	<u>Fair Value</u>	<u>Level 1</u>
Mutual funds	<u>\$10,466,377</u>	<u>\$10,466,377</u>
Investments at fair value	<u><u>\$10,466,377</u></u>	<u><u>\$10,466,377</u></u>

At December 31, 2022, the Plan's investments are categorized as follows:

	<u>Fair Value</u>	<u>Level 1</u>
Mutual funds	<u>\$ 9,278,736</u>	<u>\$ 9,278,736</u>
Investments at fair value	<u><u>\$ 9,278,736</u></u>	<u><u>\$ 9,278,736</u></u>

Note F - Group Annuity Contract with Transamerica Financial Life Insurance Company

At December 31, 2023 and 2022, the Plan's total contract types are as follows:

	<u>2023</u>	<u>2022</u>
Traditional investment contract	<u>\$ 866,616</u>	<u>\$ 875,075</u>
Total	<u><u>\$ 866,616</u></u>	<u><u>\$ 875,075</u></u>

The Plan entered into a traditional fully benefit-responsive group variable annuity contract with Transamerica Financial Life Insurance Company (Transamerica) totaling \$866,616 for 2023 and \$875,075 for 2022. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a declared interest rate that is guaranteed to the Plan. The declared credited interest rate is based on a formula established by Transamerica. The declared credited interest rate is set semi-annually and is effective on the first day of the semi-annual period. During 2023 and 2022, the average crediting rate was 1.17% and 1.55%, respectively.

OAKLEY TRANSPORTATION GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note F - Group Annuity Contract with Transamerica Financial Life Insurance Company - Continued

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its contractual obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under *ERISA* (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note G - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note H - Parties-in-Interest

At December 31, 2023 and 2022, Plan investments totaling \$1,055,551 and \$1,095,594, are shares of mutual funds and a group annuity account owned and managed by Transamerica Financial Life Insurance Company, respectively. Purchases and sales of these investments qualify as party-in-interest transactions.

Transamerica Retirement Solutions (TRS) provides certain administrative services to the Plan. TRS is an affiliate of the custodians, therefore, these transactions qualify as party-in-interest transactions. Fees paid to TRS in 2023 and 2022 from the Plan were \$80,868 and \$85,521, respectively.

OAKLEY TRANSPORTATION GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note I - Right to Terminate Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the Plan's provisions and those of *ERISA*. In the event of Plan termination, participants will become 100% vested in their accounts.

Note J - Tax Status

The Plan sponsor adopted a new Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan effective January 1, 2022. The IRS issued an opinion letter on the acceptability of the Plan in a letter dated June 30, 2020. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
