Plan Administrator, Retirement Committee, and Participants
Old National Bancorp Employee Stock Ownership and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Old National Bancorp Employee Stock Ownership and Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (Continued)

- The information in the financial statements referred to on the previous page related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter (Continued)

Supplemental Schedule Required by ERISA (Continued)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OLD NATIONAL BANCORP EMPLOYEE STOCK OWNERSHIP AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note 1 - Plan Description

The following description of the Old National Bancorp (Company) Employee Stock Ownership and Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have completed one month of service. The Plan is subject to the provisions of ERISA. The Retirement Committee (Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

Contributions

Each year, participants may contribute up to 85 percent of their eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at five percent of eligible compensation and their contributions invested in the Principal Lifetime Portfolio Fund that is closest to the participant's normal retirement date until changed by the participant. The Plan includes an auto escalation clause which escalates the deferral rate of auto enrolled participants by one percent each year until the deferral rate reaches ten percent or the participant makes a different election. The Company contributes a Safe Harbor matching contribution equal to 100 percent of the first five percent of eligible compensation that a participant contributes to the Plan. In years prior to 2006, the Company match was provided to participants in the form of Company stock. Participants are not allowed to select Company stock as an investment option and the Company no longer contributes Company stock as its match. Participants are allowed to diversify their investment out of Company stock at any time. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Additional discretionary contributions may be contributed at the option of the Company's Board of Directors. During the year ended December 31, 2023, the Company did not elect to make any discretionary contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's Safe Harbor contributions, and discretionary contributions (if any), as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OLD NATIONAL BANCORP EMPLOYEE STOCK OWNERSHIP AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note 1 - Plan Description (Continued)

Vesting

Participants are vested immediately in their contributions and the Company's Safe Harbor matching contribution portion of their accounts plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Quarterly, the loan interest rate is set at 1.75 percent above the prime rate of the Company, as defined. Principal and interest are paid ratably through monthly payroll deductions. Participants may continue to repay loans after termination of employment in lieu of receiving a deemed distribution.

Payment of Benefits

On termination of service due to death, disability, retirement, or other eligible events defined by the Plan, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or, for required minimum distributions, in annual installments, as defined by the Plan. Participants may request a hardship withdrawal of a portion of their account attributable to participant deferrals. Any hardship withdrawal is limited to the amount needed to meet the financial need. Participants may also withdraw all, or a part of, certain vested amounts upon attaining age 59 1/2. Participants may also elect to withdraw amounts previously rolled into the Plan from another eligible retirement plan at any time.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$138,371 and \$281,737, respectively. These accounts will be used to reduce future employer contributions and to pay Plan expenses. In 2023 employer contributions were reduced by \$281,737 from forfeited nonvested accounts. In 2022, Plan expenses were reduced by \$99,350 from forfeited nonvested accounts.

Dividends on Sponsor Stock

Each participant may elect to have the cash dividend, which would otherwise be distributed, to be automatically reinvested into the Plan in whole and fractional shares of Company stock.

Diversification

At any time, participants have the opportunity, with certain exceptions, to move up to 100 percent of the value of their investment in Company stock into investments which are more diversified. Such election is satisfied by converting the participant's shares to cash and transferring the balance to the investment of their choice.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, Trustee, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note 3 - Summary of Financial Data Certified by the Trustee

The following is a summary of the Plan's financial information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and the supplemental schedule, that was prepared by or derived from information provided by Empower Trust Company, LLC, the Trustee of the Plan. The Plan administrator has obtained certifications from the Trustee that the following are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following:

<u>Net Assets Available for Benefits Held by Trustee</u>	<u>2023</u>	<u>2022</u>
Investments at fair value	\$ 642,775,020	\$ 548,501,622

Statement of Changes in Net Assets Available for Benefits

Investment income

	100,019,019
Interest income on notes receivable from participants	<u>348,970</u>
	<u>\$ 100,367,989</u>

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

OLD NATIONAL BANCORP EMPLOYEE STOCK OWNERSHIP AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note 4 - Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a collective investment trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly manner.

Employer common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. Note 4 - Fair Value Measurements (Continued)

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>Investment</u>	<u>2023 Fair Value</u>	<u>2023 Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment trusts	<u>\$ 530,504,321</u>	<u>\$ 0</u>	Daily	None

Collective investment trusts	<u>\$ 490,271,458</u>	<u>\$ 0</u>	Daily	None

Note 5 - Related Party Transactions and Party-in-Interest Transactions

The Plan holds investments in Company stock. Transactions of Company stock, including dividends, qualify as party-in-interest transactions. As described in Note 2, the Plan made a direct payment to the Trustee, or its related entities, of \$176,687 for the period ended December 31, 2023. Fees paid to other service providers, which are also considered party-in-interest transactions for the period ended December 31, 2023, were \$32,756. The Company pays directly any other fees related to the Plan's operations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 - Tax Status

The IRS has determined and informed the Company by a letter dated November 10, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and; therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

OLD NATIONAL BANCORP EMPLOYEE STOCK OWNERSHIP AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

Note 7 - Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Plan Amendment

Effective May 9, 2023, the Plan was amended to allow the Plan to be deemed a qualified replacement plan in accordance with IRC Section 4980 under which the Plan may receive a transfer from a terminating qualified plan the employer also maintains. As a result, in November 2023, the Plan received a transfer in from the First Midwest Bancorp Consolidated Pension Plan in an amount of \$17,198,869.

Note 10 - Subsequent Events

The Plan has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.

Effective February 20, 2024, the Plan was amended to make a discretionary employer contribution of \$14,345,800, and on March 4, 2024, using the proceeds from the First Midwest Bancorp Consolidated Pension Plan termination, the funds of which were allocated to participants based on 2023 eligible wages.

Effective April 1, 2024, the Plan was amended to allow employees of CapStar Bank to participate in the Plan.
