INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Berg Pipe 401(k) Incentive Savings & Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Berg Pipe 401(k) Incentive Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BERG PIPE 401(K) INCENTIVE SAVINGS & RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the Berg Pipe 401(k) Incentive Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all employees of Berg Europe Holding Corp. and its subsidiaries (the Company or Sponsor), who are at least eighteen years of age, excluding collectively bargained employees, leased employees and student interns. Participants can enroll on the first of the month following 60 days of employment. The Plan allows participants to have contributions made on their behalf on a pretax basis in accordance with the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 20%, with a minimum of 1%, of their compensation subject to the Internal Revenue Service (IRS) limitation established by the IRC. Individuals who attain the age of 50 by the end of the Plan year are permitted to make "catch-up" contributions in accordance with IRC limits. The percentage of contribution may be changed at the beginning of each calendar quarter. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled at a 3% deferral rate in the Plan unless they affirmatively elect not to participate. Effective March 31, 2017, a contribution accelerator was added, which applies to all new and existing participants. The escalation date was April 1, 2018, with the "skip first year" feature, allowing the schedule to continue until the participant reaches a maximum deferral rate of 10% or the participant elects otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Matching contributions are made by the Company on behalf of the employees who have agreed to have their taxable wages or salaries reduced. Upon enrollment, the Company will match \$1 for every \$1 of employee contribution up to 5% of the employee's compensation. The Plan includes catch-up contributions as eligible for employer matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and an allocation of Plan earnings. Allocations are based on the participant's account balance as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Elections

Each participant may direct all contributions into one or more investment options offered by the Plan.

BERG PIPE 401(K) INCENTIVE SAVINGS & RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. A participant will vest in the Company's matching contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may have up to two loans outstanding at one time. Effective July 1, 2021, the Plan reduced the number of allowed outstanding loans from two to one. Notes bear a reasonable rate of interest as provided in the Plan document and are repaid through payroll deductions over periods ranging up to 60 months unless the loan is used to purchase a primary residence which requires repayment within 15 years.

Payment of Benefits

On termination of service or in the event of death, disability or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive an amount equal to the value of the participant's vested interest in their account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution or have the option of a rollover to another qualified plan. Participants with a vested balance exceeding \$5,000 may receive a lump-sum or direct rollover distribution within a reasonable period following termination. Participants with a vested account balance below \$5,000 will receive a lump-sum distribution within a reasonable period following termination.

Effective January 1, 2021, the Plan was amended to permit non-safe harbor hardship withdrawals of elective deferrals and matching contributions through June 30, 2022.

Forfeited Accounts

Nonvested benefits of terminated participants are forfeited on the date the participant receives a complete distribution of vested benefits. Forfeitures are used to reduce employer contributions or pay certain administrative expenses of the Plan. As of December 31, 2023 and 2022, the Plan used \$114,601 and \$72,317, respectively, to reduce future employer contributions.

Plan Administration

The Plan is administered by the Plan Sponsor. The Retirement Committee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Sponsor's Board of Directors.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the group annuity contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Contract value represents contributions plus credited interest less participant withdrawals and fees. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, Empower Retirement, LLC (Empower), the trustee of the Plan and the recordkeeper of the group annuity contract (collectively referred to as the Certifying Entities).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a monthly basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

Expenses

The Plan's administrative expenses are paid by the Company. Expenses recorded in the Plan are related to participant loans and distributions and are paid by the participant.

3. INFORMATION CERTIFIED BY CERTIFYING ENTITIES

The following is a summary of information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023. This information was obtained by management and agreed to or was derived from information certified as complete and accurate by Empower, for the year ended December 31, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Statements of Net Assets Available for Benefits:		
Investments, at fair value	\$ 28,467,261	\$ 21,768,702
Investments, at contract value	20,623,999	21,890,659
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation in fair value of investments	3,116,873	
Dividends and interest	1,870,751	
Other income	21,065	

Supplemental Schedule: All investment balances and information are included in the supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data, by correlation, or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

BERG PIPE 401(K) INCENTIVE SAVINGS & RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. There were no level 2 or 3 investments.

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,467,261	\$ -	\$ -	\$ 28,467,261
Investments at fair value	<u>\$ 28,467,261</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 28,467,261</u>

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 21,768,702	\$ -	\$ -	\$ 21,768,702
Investments at fair value	<u>\$ 21,768,702</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,768,702</u>

5. GROUP ANNUITY CONTRACT WITH EMPOWER

The Plan maintains an investment in the Mass Mutual Core SAGIC fund (SAGIC), which is a separate account insured by a general account guarantee to preserve principal and pay a stated rate of return. The general account guarantee protects the separate account from daily fluctuations in the bond market.

As described in Note 2, because the SAGIC is fully benefit-responsive, contract value is the relevant measurement attribute for the SAGIC portion of the net assets available for benefits. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than one percent. Such interest rates are reviewed on a semiannual basis for resetting.

BERG PIPE 401(K) INCENTIVE SAVINGS & RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022, is as follows:

	<u>2023</u>	<u>2022</u>
<u>Certifying Entity</u>		
Empower	\$ 20,623,999	\$ 21,890,659

Certain events may limit the ability of the Plan to transact at contract value. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The SAGIC does not permit Mass Mutual to terminate the agreement prior to the scheduled maturity date.

Empower, the recordkeeper of the group annuity contract, has title to the assets and does the valuation on a daily basis, processes trades, does all reconciliation and reporting roles, and is responsible for the assets. Although Empower is not the custodian for the group annuity contract, this arrangement satisfies the applicable requirements of section 103(a) of ERISA.

6. PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2023 and 2022, there were certain Plan investments managed by Empower. As Empower served as the recordkeeper in 2023 and 2022, respectively, as defined by the Plan, these transactions qualified as party-in-interest transactions. The Plan paid administration fees to the contract administrator, the investment advisor, and the fiduciary, totaling \$118,772 for the year ended December 31, 2023. Notes receivable from participants are also parties-in-interest transactions, which are exempt from the prohibited transaction rules.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts in accordance with the terms and provisions of the Plan.

BERG PIPE 401(K) INCENTIVE SAVINGS & RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

8. RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. TAX STATUS

The Plan has adopted a preapproved plan sponsored by Empower Retirement LLC. The IRS has determined and informed Empower Retirement LLC by an advisory letter dated November 14, 2022, that the preapproved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The preapproved plan has been amended since receiving the advisory letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued, and has determined that there were no additional subsequent events that require disclosure under FASB ASC 855, *Subsequent Events*.
