INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Eva Care Group 401(k) Retirement Plan and Trust
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Eva Care Group 401(k) Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EVA CARE GROUP 401(k) RETIREMENT PLAN AND TRUST

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Eva Care Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, as amended and restated on January 1, 2023, was originally established on April 1, 2018. It is a defined contribution plan that covers substantially all employees of companies under common control of Eva Care Group (the Company or Plan Sponsor).

Eligibility: All employees of the Company who have attained age 21 and completed 12 months of service, except for nonresident aliens, leased employees, and union employees with separate retirement benefits, are eligible to participate. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may defer up to 90% of their annual compensation, as defined in the Plan, or make Roth 401(k) elective contributions through payroll deductions. Participants may also contribute amounts representing rollover distributions from other qualified plans. The maximum employee deferral permitted by the Internal Revenue Service (IRS) for the year ended December 31, 2023 was \$22,500. Catch-up contributions of \$7,500 were available to participants who had attained age 50 or older by December 31, 2023 and had not exceeded Internal Revenue Code (IRC) pretax dollar contribution limits for the Plan year.

The Company may make discretionary matching, profit sharing, and nonelective contributions to the Plan. There were no discretionary matching or profit sharing contributions made by the Company for the year ended December 31, 2023. The Company made nonelective contributions in the amount of \$155 during the year ended December 31, 2023.

Participant Accounts: Each participant's account is credited or charged with the participant's contributions and allocations of (a) the Company's contribution, if any, (b) the Plan earnings, and (c) administrative expenses. Allocations of the Plan earnings on investments are based on participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their elective deferral and rollover contributions. Participants vest in discretionary Company matching, profit sharing, and nonelective contribution portion of their accounts according to the following schedule:

Years of Continuous Service	Vested Percentage (%)
1	20
2	40
3	60
4	80
5	100

Notwithstanding the above, if a participant (1) is employed on or after the normal retirement age or (2) dies or (3) terminates employment by reason of permanent disability, the discretionary Company matching, profit sharing and nonelective contributions become 100% vested without regard to year of service.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The notes receivable are secured by the vested balances in the participants' accounts and bear interest at prime rate (8.50% at December 31, 2023) plus 2%. Principal and interest are paid ratably through payroll deductions or participants' own personal funds over a term not to exceed five years. However, if the notes receivable borrowed is for the purpose of purchasing a principal residence, the Plan Administrator may permit a longer repayment term.

Investment Options: Participants may direct the investments of their compensation deferrals, rollover contributions, Company discretionary matching, profit sharing and nonelective contributions in various investment funds offered and held by John Hancock Life Insurance Company (John Hancock).

Benefit Payments: On termination of service due to death, disability or retirement, a participant or his or her beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installment payments. If a participant's vested account does not exceed \$5,000, and the participant does not make any election, the Plan will automatically roll the account into an eligible individual retirement account.

In-service distributions of participants' vested account balance shall be allowed at or after the attainment of age 59-1/2. Hardship withdrawals are not permitted by the Plan.

Forfeitures: Participants who are not 100% vested in the Company discretionary matching, profit sharing or nonelective contributions will forfeit the nonvested portion on the earlier of: (1) the last day of the Plan year in which a participant incurs five consecutive one-year breaks in service or (2) distribution of terminated participant's vested account balance. Forfeitures may be used to pay Plan expenses. As of December 31, 2023 and 2022, \$5,965 of forfeitures are available.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires the Plan Administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued): Realized and unrealized appreciation is based on the market value of the assets at the end of the Plan year compared to the market value of the assets at the beginning of the Plan year, or at the time of assets purchased or exchanged during the Plan year.

Notes Receivable from Participants: Notes receivable from participants are reported at their outstanding principal balances, plus any accrued but unpaid interest.

Benefit Payments: Benefit payments are recorded as expenses when paid.

Administrative Expenses: The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan. Certain administrative expenses, including trustee fees, recordkeeping and advisory fees are paid directly by the Plan.

Recently Adopted Accounting Pronouncement: The Plan has adopted Accounting Standards Update (ASU) 2016-13, Financial Instruments—Credit Losses (Topic 326), issued by the Financial Accounting Standards Board (FASB), and management determined that there is no impact to the Plan for the year ended December 31, 2023.

NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, notes receivable from participants, and the schedule of assets held at end of year have been derived from information certified as complete and accurate by John Hancock, the trustee of the Plan, in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. TAX EXEMPT STATUS

On January 11, 2022, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan that has received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the Non-Standardized Pre-Approved Profit Sharing Plan adopted by the Plan is acceptable under IRC Section 401. Although the Plan was most recently amended and restated on January 1, 2023, management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2023, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2020.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their Company contributions.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments include shares of funds managed by John Hancock. John Hancock has been appointed as the Plan custodian and recordkeeper, therefore, these transactions qualify as party-in-interest transactions as defined by Section 3(14) of ERISA. Fees paid by the Plan to John Hancock for recordkeeping amounted to \$14,329 for the year ended December 31, 2023.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1: Observable quoted prices in active markets for identical assets and liabilities.

Level 2: Observable quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3: Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The following methods and assumptions were used to estimate the fair value of each class of assets that are recognized at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022:

Mutual funds: Shares of mutual funds are valued based on quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year-end.

Collective Investment Trust: The stable value fund is valued at the NAV of units of the collective investment trust. The NAV is used as a practical expedient to estimate fair value.

NOTE 8. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of NAV or reflective of future fair values. Furthermore, while the Plan Administrator believes these valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's asset at fair value:

	Fair Value Measurements Using			Total
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
At December 31, 2023				
Mutual funds at fair value	<u>\$ 3,210,455</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 3,210,455
Collective investment trust at NAV*				<u>27,839</u>
Total investments				<u>\$ 3,238,294</u>

	Fair Value Measurements Using			Total
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
At December 31, 2022				
Mutual funds at fair value	<u>\$ 2,418,359</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 2,418,359
Collective investment trust at NAV*				<u>26,511</u>
Total investments				<u>\$ 2,444,870</u>

*Certain investment that are measured at NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 9. EXCESS CONTRIBUTIONS

The Plan has failed the Average Deferral Percentage Test and had excess contributions totaling \$19,702 that needed to be returned to the participants as of December 31, 2023. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2024. The amount is recorded as liabilities in the accompanying statements of net assets available for benefits as of December 31, 2023.

As of December 31, 2022, the Company was required to return excess contributions of \$44,971 to certain participants to satisfy the relevant nondiscrimination provisions of the Plan. The amount was returned after March 15, 2023 and was reflected as part of benefit payments in 2023.

NOTE 10. PROHIBITED TRANSACTIONS

During the years ended December 31, 2023 and 2022, the Plan Sponsor has inadvertently failed to deposit participant contributions and loan repayments totaled \$77,147 and \$47,580, respectively, within the timeframe as required by the DOL regulations. During the year ended December 31, 2023, the Plan Sponsor corrected a total of \$105,278 of late contribution remittances, plus lost earnings, and restored them to the affected participants' accounts. The Company has filed Form 5330 and paid applicable excise tax to the IRS. The correction and excise tax were paid from the Plan Sponsor's assets and not from assets of the Plan.

The Plan Sponsor is in the process of self-correcting the remaining late contributions and loan repayments totaling \$19,449. The Company will file Form 5330 with the IRS and pay excise taxes on the prohibited transactions using the Plan Sponsor's assets.

NOTE 11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued and has determined that no events or transactions require recognition or disclosure in these financial statements.
