September 27, 2024

Pickett, Chaney & McMullen LLP
9401 West 87th Street
Overland Park, KS 66212

This representation letter is provided in connection with your audits of the financial statements of the Tension Envelope Corporation 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the disclosures (collectively, the “financial statements”)

We elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”). We acknowledge that the audit did not extend to any statements of information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (“qualified institution”), that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by Principal Life Insurance Company, Principal Global Investors Trust Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, (collectively “Principal”) the custodians, and are qualified institutions as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520-103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by

the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

24. We have no—

 - b. Intentions to terminate the Plan.

25. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

26. The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows:

Pooled Separate Accounts and Common and Collective Trusts – Principal calculates a unit value (similar to a net asset value “NAV”) of a separate account. It is the sum of the market value of the underlying investments as determined by quoted market prices, less operating expenses accrued but not deducted, if any. The NAV is available to current investors via the Principal employer website, or when Plan participants access their account values. The NAV is the basis for current transactions and these investments can be redeemed at NAV as of the measurement date. Management believes that these investments have a readily determinable fair value. The majority of the underlying securities held in these investments have observable Level 1 inputs.

Mutual Funds, Common Stocks and Money Market – Valued at the closing price, NAV, reported on the active market on which the individual securities are traded. Common stocks are held in the Individually Directed Brokerage Accounts.

Individually Directed Brokerage Accounts – Consist of common stocks, mutual funds and money market funds and are valued as discussed above.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

27. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

28. All required amendments to and filings of Plan documents with the appropriate agencies have been made.

29. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified Plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

30. The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
31. Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
32. Except as made known to you and as disclosed in the supplemental Schedule of Delinquent Participant Contributions, The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan. We understand that we are required to determine the lost earnings for the affected participants and intend to make the necessary corrections in an IRS approved manner.
33. The Plan has complied with the fidelity bonding requirements of ERISA.
34. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
35. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
36. As part of your audit, you prepared the draft financial statements and related notes, which are "non-attest services." In regard to the non-attest services performed by you, we have:
 - a. Assumed all management responsibilities,
 - b. Designated Keith Hyder, Chief Financial Officer, who has suitable skill, knowledge, or experience to oversee the services,
 - c. Evaluated the adequacy and results of the services performed,
 - d. Accepted responsibility for the results of the services,
 - e. Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.

37. The Form 5500 that is to be filed along with our audit report has not been modified and will not be modified from its draft form without the knowledge of Pickett, Chaney & McMullen.
38. We have obtained the service auditor's reports (SOC 1) from our service organizations Principal, Paycor and ADP SBS. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2023.
