INDEPENDENT AUDITORS' REPORT

Plan Administrator and Plan Participants
Union Rescue Mission 401(k) Plan

Opinion on the 2024 Financial Statements

We have audited the 2024 financial statements of the Union Rescue Mission 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The 2024 financial statements comprise the statement of net assets available for benefits as of February 21, 2024, the related statement of changes in net assets available for benefits for the period ended February 21, 2024, and the related notes to the financial statements.

In our opinion, the accompanying 2024 financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of February 21, 2024, and the changes in its net assets available for benefits for the period ended February 21, 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 and 2022 Financial Statements

We have performed an audit of the financial statements of the Plan, as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the 2023 and 2022 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 and 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator and Plan Participants
Union Rescue Mission 401(k) Plan

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 and 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 and 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 and 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of a Matter

On February 21, 2024, the Plan merged into the WELLthBuilder Pooled Employer Plan. These financial statements include reporting required by ERISA for the plan year ended December 31, 2023 and the short period ended February 21, 2024.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 (ongoing) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA, continued

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNION RESCUE MISSION 401(K) PLAN

Notes to the Financial Statements

February 21, 2024 and December 31, 2023 and 2022

1. **DESCRIPTION OF THE PLAN:**

The following brief description of the Union Rescue Mission 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of Union Rescue Mission (the Organization) except members of the collective bargaining unit and non-resident aliens. Employees are eligible for the 3% auto-enrollment provision after one year of service and must be at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective February 21, 2024, the Plan merged into the WELLthBuilder Pooled Employer Plan (the PEP). All assets of the Plan were transferred to the PEP.

CONTRIBUTIONS

Participants may contribute up to the maximum amount permissible by statute, as defined by the Plan. Participants are permitted to designate a portion or all of their deferral contributions as Roth contributions. Participants who have attained age 50 prior to the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover). All participant contributions are voluntary.

The Organization makes a matching contribution up to 3% of compensation. A participant must have at least one year of service to be eligible for the matching contribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Contributions are subject to certain limitations prescribed by law. Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provision.

UNION RESCUE MISSION

401(K) PLAN

Notes to the Financial Statements

February 21, 2024 and December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN, continued:

PARTICIPANT LOANS

Participants may borrow from their vested fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their account balance. The loan interest rate is set at two percent above the prime rate, as defined in the Plan. Principal and interest is paid ratably through payroll deductions.

VESTING

Participants are immediately vested in their employee contributions and related earnings. Employer contributions are vested on a tiered schedule as seen below:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 +	100%

FORFEITURES

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$411, respectively. Forfeitures are used to reduce future employer contributions and plan expenses. During the period ended February 21, 2024 and year ended December 31, 2023, plan expenses were reduced by \$18 and \$4,743, respectively, from forfeited nonvested accounts.

PAYMENT OF BENEFITS

Upon termination of service, disability, retirement, death, or attaining age 59 1/2, participants may receive a lump sum amount or purchase an annuity contract equal to the value of the participant's interest in his or her account.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. The Plan also pays certain investment advisory and plan administration fees from plan assets. Certain investment related expenses are netted against net appreciation in the fair value of investments. Other investment fees are paid by the participants and are credited to each participant's account based upon the pro rata share of total assets of the Plan. For the period ended February 21, 2024 and year ended December 31, 2023, \$3,654 and \$53,465, respectively, was spent on administrative expenses.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are stated at fair value, except for guaranteed investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Business Affairs and Retirement Plan Committees determine the Plan's valuation policies utilizing information provided by the investment advisor, custodian, and insurance company. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on guaranteed investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded based on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period and year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are recorded as notes receivable from participants in the statements of net assets available for benefits. The loans are stated at the unpaid principal amount and are secured by the balance in the participant's account.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CRF 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company (Transamerica), a qualified institution, has certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023; the supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023. A certification for the period ended February 21, 2024 was not able to be obtained which is reflected in the independent auditor's report.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

Fair values of assets measured on a recurring basis at December 31, 2023 and 2022, are as follows:

	Fair Value	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2023:				
Pooled separate accounts	\$ 3,163,634	\$ -	\$ 3,163,634	\$ -
Investments at December 31, 2022:				
Pooled separate accounts	\$ 2,602,201	\$ -	\$ 2,602,201	\$ -

Pooled separate account units invest in mutual funds and are valued using Level 2 inputs. They are primarily valued using quoted prices in active markets for identical assets or data provided by outside valuation service providers.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica totaling \$0, \$468,677, and \$399,850 as of February 21, 2024, December 31, 2023 and 2022, respectively. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Transamerica. Such interest rates are reset on a semi-annual basis.

The Transamerica Stable Value Core Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Transamerica's ability to meet its financial obligations. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include, but are not limited to the following: (1) premature termination of the contracts by the Plan, (2) Organization layoffs, (3) bankruptcy of the Plan Sponsor, (4) Plan termination, (5) mergers, or (6) early retirement incentives. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Transamerica and that would also limit the Plan's ability to transact at contract value with participants.

6. PARTICIPANT LOANS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. In 2020, the allowable amount was increased to \$100,000. The loans are secured by the participant's account and bear interest at rates between 5.25% and 9.00%. Principal and interest are paid ratably through payroll deductions. Participant loans are reported as notes receivable from participants on the statements of net assets available for benefits. Interest income is included in other income on the statement of changes in net assets available for benefits.

7. **PLAN TERMINATION:**

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. As described in Note 1 (General), the Plan merged into a PEP effective February 21, 2024.

8. **TAX STATUS:**

The Plan has adopted a volume submitter plan document sponsored by Central Administrative Services Inc. dba Hicks Pension Services. The volume submitter plan document has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the volume submitter document satisfies the applicable requirements of the Internal Revenue Code. The Plan has not received a determination letter specific to itself; however, the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

9. **PARTIES IN INTEREST:**

Transamerica performs recordkeeping and asset management services for the Plan; therefore, the fees paid to Transamerica for these services qualify as party-in-interest transactions. Fees paid to Transamerica, by the Plan, for recordkeeping and asset management services amounted to \$3,654 and \$53,465 for the period ended February 21, 2024 and year ended December 31, 2023, respectively.

10. **SUBSEQUENT EVENTS:**

Subsequent events have been evaluated through October 9, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
