INDEPENDENT AUDITOR'S REPORT

October 9, 2024

To the Plan Administrator of the
Resource Center for Independent Living, Inc. Retirement Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Resource Center for Independent Living Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans.

The Companies made matching contributions of 100% on the first 6% of salary reduction for the years ended December 31, 2023 and 2022. In addition, the Companies made a discretionary matching contribution of 100% on the first 4% of salary reduction for the years ended December 31, 2023 and 2022. The Companies discretionary matching contributions amounted to \$494,145 and \$537,020 for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is charged or credited with the participant's contribution plus an allocation of (a) Companies matching contribution, and (b) certain Plan administration costs not covered by the Plan sponsor, and (c) Plan earnings/losses. Allocations are pro-rata by compensation or participant balances in the Plan, as defined in the Plan articles. The benefit to which participants are entitled is the accumulated vested balance of each participant's account.

Forfeited Accounts

Forfeitures are the amount the Companies contributed to a participant's account that was not vested upon termination. Forfeitures for the plan years ended December 31, 2023 and 2022 were used to reduce the Companies contributions by \$29,111 and \$33,240, respectively. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$21,162 and \$27,903, respectively. These accounts will be used to reduce future employer contributions.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their own contributions, employer contributions and earnings/losses thereon. In the event of a participant's death or disability, all amounts credited to the participant's account shall become fully vested. The following vesting schedule applies to the Companies' discretionary contributions plus actual earnings/losses thereon:

<u>Years of Vesting Service</u>	<u>% Vested</u>
Less than 3	0%
3 or more	100%

Payment of Benefits

Participants or their beneficiaries are entitled to receive an amount equal to the value of the participant's vested interest in his or her account upon termination of service due to death, disability, employment termination, or retirement. The Plan allows lump sum, partial and installment types of benefit payments. Upon termination of employment, if the account balance is less than or equal to \$1,000, the participant will receive a single lump sum amount equal to the value of his or her account. If the account balance is greater than \$1,000 but less than or equal to \$7,000 and the participant has not elected to receive the benefit pursuant to the lump sum form of benefit payment, the account balance will be rolled into a rollover individual retirement arrangements. Participants are also entitled to receive an in-service distribution. Distributions, without penalty, may be made upon attainment of age 59½.

The Plan allows for "hardship" withdrawals in accordance with the Internal Revenue Service regulations as specified within the Plan agreement, without penalty.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum amount equal to the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account. Principal and interest at prime plus 1.0% are paid ratably through payroll deductions. The maximum repayment term is 5 years unless for the purchase of a principal residence.

Administrative Expenses

All costs and expenses with regard to the purchase or sale of investments are paid by the Plan. Certain administrative functions are performed by employees of RCIL. All administrative expenses of the Plan are paid by RCIL. Personnel and facilities of RCIL have been used by the Plan for its accounting and other activities at no charge to the Plan.

Investment Allocation

The Plan allows participants to select from a variety of investment options. Participant contributions may be directed to any of these options. Participants can change the future direction of contributions or move existing account balances between various investment options daily by using online access. Investments consist primarily of mutual funds and a common collective trust. All employees eligible to participate in the Plan who do not make an investment election for their participant-directed contributions shall have all contributions invested in the qualified default investment alternative, which was the American Funds Target Date Funds for the years ended December 31, 2023 and 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Recently Adopted Accounting Guidance

Accounting Standard Codification (ASC) Topic 326 Financial Instruments – Credit Losses requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The estimated credit loss is required to be based on historical information, current conditions, and forecasts that could impact the collectability of the amounts. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses.

Effective January 1, 2023, the Plan adopted ASC 326 using the modified retrospective approach for all financial assets measured at amortized cost. The new accounting pronouncement did not have a material impact on the financial statements. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value which is equal to quoted market value as of the last business day of the Plan year on a national exchange. The investment in the IRT Stable Value Trust Fund is a common collective trust fund with Invesco and is stated at net asset value (NAV). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consist of the net realized gains (losses) on investment transactions throughout the year and net unrealized gains (losses) on investments at the end of the year.

Fair Value

U.S. GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under standards are described below:

Level 1: Quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.

Level 2: Inputs, other than quoted prices in active markets, that are observable either directly or indirectly and fair value is determined through the use of models or other valuation methodologies.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: valued at the closing price on the active market which the funds are traded.

There were no changes in the valuation methodologies used during 2023 or 2022.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurements at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan's year end. The Plan recognizes an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. No significant improvements or deteriorations are expected in the future economic conditions, therefore management has determined that no allowance for credit losses is necessary for the year ended December 31, 2023.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Accordingly, actual results may differ from those estimates.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the financial statements and accompanying supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Ascensus as agent on behalf of the trustee, Ascensus Trust Company, as of and for the years ended December 31:

4. FAIR VALUE MEASUREMENTS

The following table sets forth the Plan's investments that were accounted for at fair value at December 31, 2023 and 2022. Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurements:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>

Investments, at net asset value				<u>1,418,349</u>
Total investments				<u>\$ 16,326,072</u>

Investment in Entities that Calculate Net Asset Value

The Plan is invested in a common collective trust (CCT) that calculates net asset value on a daily basis. Units are issued and redeemed as of the end of each day at the daily net asset value.

4. FAIR VALUE MEASUREMENTS (Continued)

Investment in Entities that Calculate Net Asset Value (Continued)

The CCT's primary investment objectives are to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions are generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. CCT units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the CCT. The CCT does not have any unfunded commitments.

5. PLAN TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Companies have the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

6. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The prototype plan has obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company is the trustee of the Plan's assets. Ascensus is the recordkeeper for the Plan. As such, transactions between Ascensus Trust Company, Ascensus and the Plan qualify as party-in-interest transactions. In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participant's accounts. Therefore, these transactions qualify as party-in-interest transactions.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 9, 2024, which is the date the financial statements were available to be issued.
