INDEPENDENT AUDITOR'S REPORT

October 7, 2024

To the Plan Administrator and Participants of the
O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

O'CONNELL ELECTRIC COMPANY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the O'Connell Electric Company, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (IRC). The Plan covers substantially all of the employees of O'Connell Electric Company, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company sponsors the Plan. Effective May 27, 2022, Newport Trust Company is trustee of the Plan. From January 1, 2022 to May 27, 2022, Fidelity Personal Trust Company, FSB (Fidelity) was the trustee of the Plan. The Burke Group is the record-keeper and third-party administrator for the Plan. The Burke Group has an agreement to outsource certain third-party administrative tasks to Newport Group, Inc.

Eligibility

Employees of the Company, except for nonresident aliens, leased employees, interns, benefits ineligible employees and those covered by collective bargaining agreements that have not separately bargained to be allowed to participate, become eligible to participate in the Plan upon attainment of age twenty-one. Employees become eligible to receive matching and non-elective profit sharing contributions upon attainment of age twenty-one and one year of service. Employees enter the Plan for elective deferrals, 401(k) ADP test safe harbor (safe harbor) contributions, and employer matching contributions on the date the requirements are met. Employees enter the Plan for non-elective profit sharing contributions on the first day of the plan year or first day of the seventh month of the Plan year coinciding with, or next following the date requirements are met.

Contributions

Participants may make voluntary tax-deferred contributions up to 100% of their compensation, subject to certain limitations under the IRC.

The Company makes matching contributions equal to 50% of each participant's elective deferral, up to a maximum of the participant's first \$1,000 elective deferral. The Company's matching contributions totaled approximately \$75,000 and \$70,000 during 2023 and 2022, respectively. The Company also may make safe harbor contributions. The Company made safe harbor contributions of approximately \$677,000 and \$582,000 during 2023 and 2022, respectively. The Company may elect to make additional discretionary profit sharing contributions to all eligible employees in a given plan year. During 2023 and 2022, the Company made discretionary profit sharing contributions of approximately \$1,073,000 and \$1,171,000, respectively.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Participants direct the investment of their contributions and Company matching, safe harbor, and discretionary profit sharing contributions into the various investment options offered by the Plan. Participant accounts are credited with participant contributions, Company matching and safe harbor contributions, actual earnings or losses and an allocation of the Company's discretionary profit sharing contributions. Plan expenses are allocated based on participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective 401(k) contributions, employer safe harbor contributions and actual earnings/losses thereon. Company matching and discretionary profit sharing contributions vest 20% per year beginning with the completion of two years of service. Participants are fully vested upon completion of six years of service.

Benefits Paid to Participants

Participants generally are eligible to receive distributions of their vested benefits upon retirement, termination of employment, or due to death or disability. Additionally, the Plan provides for in-service withdrawals of their vested account balance once a participant has reached the age of 59 1/2. Participants may elect disbursement of their vested account balance as a lump-sum payment, or a direct rollover into an individual retirement account or another qualified plan.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, with a minimum of \$1,000, and are limited to the purpose of paying higher education expenses of the participant or a dependent of the participant. Loans are generally repaid over a period not to exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% on the date of the loan. The rate is fixed for the duration of the loan. Principal and interest is paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

The Plan and its participants pay for the majority of administrative expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of non-vested account balances are first used to offset administrative expenses and subsequently used to reduce employer contributions. Unused amounts are held and invested in a segregated account within the Plan. During 2023 and 2022, there were forfeitures of non-vested employer contributions and earnings on unused amounts totaling \$103,748 and \$44,653, respectively. At December 31, 2023 and 2022, there was \$22,926 and \$39,360, respectively, available to reduce future employer contributions or pay administrative expenses. In 2023 and 2022, forfeitures of \$120,182 and \$24,133, respectively, were used to reduce employer contributions or to offset administrative expenses.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Cash Equivalents

The Plan maintains its cash equivalents in money market accounts. At times, the amounts in these accounts may exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk with respect to cash equivalents.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurement

The Financial Accounting Standards Board (FASB) Accounting Standards Code 820 (ASC 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 - Unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 4.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate and market. Due to the level of risks associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

Safe Harbor and Discretionary Profit Sharing Contributions

The Company has a fiscal year end that differs from the Plan year end. As such, the safe harbor and discretionary profit sharing contributions are recorded to the Plan in the period they are remitted to the Plan.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates.

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 49,589,493</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 49,589,493</u>

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan Administrator and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

6. PARTY-IN-INTEREST TRANSACTIONS

Fidelity was the trustee and custodian of the Plan's assets from January 1, 2022 to May 27, 2022. Newport Trust Company became the custodian and trustee effective May 27, 2022 and Newport Group, Inc. provided administrative services during both 2022 and 2023. The Burke Group provides record-keeping services to the Plan. As such, transactions involving Fidelity, Newport Trust Company, Newport Group, Inc. and The Burke Group qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available for benefits agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 7, 2024, which is the date the financial statements were available to be issued.
