INDEPENDENT AUDITORS' REPORT

TRUSTEES AND PARTICIPANTS CFG SAVINGS AND PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **CFG SAVINGS AND PROFIT SHARING PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CFG Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CFG Savings and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter Regarding Going Concern of the Plan Sponsor

As discussed in Note 9 to the financial statements, the negative impact to the financial position of the Plan sponsor as a result of the uncertainties associated with a Rehabilitation has raised substantial doubt about the Plan sponsor's ability to continue as a going concern. The Plan sponsor is exploring alternative strategic transactions, servicing its existing books of business while ceasing to engage in new business, and taking efforts to significantly reduce operating expenses, which may include, but not be limited to, terminating certain corporate-wide initiatives and projects, cancelling certain contracts that are no longer needed, and reducing its workforce and office space. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CFG Savings and Profit Sharing Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements – Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CFG Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CFG Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CFG Savings and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CFG SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of CFG Savings and Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

The Plan is a participant-directed, defined contribution plan covering all employees of Columbian Mutual Life Insurance Company and subsidiaries (the “Company”) who are not already covered by a defined contribution plan of a subsidiary, as defined, and have elected to be included in the Plan. Plan management controls and manages the operation and administration of the Plan. Vanguard Fiduciary Trust Company (the “Trustee”) serves as the Trustee of the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Pension Committee is responsible for oversight of the Plan. The Pension Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Employee contributions may not exceed the annual limits as set by the Internal Revenue Code (IRC). The limit was \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investments offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a specified deferral rate unless they affirmatively elect not to defer in the Plan, and their contributions invested in the designated fund until changed by the participant. Effective October 23, 2017, automatically enrolled participants have their deferral rate set at 6% of eligible compensation, subject to automatic annual 1% increases until the participant reaches a deferral rate of 10%. Prior to October 23, 2017, participants were automatically enrolled at a deferral rate of 3% of eligible compensation, subject to automatic annual 1% increases until the participant reached a deferral rate of 10%. The Company may at its discretion determine the matching amount for the Plan year. The Company matches 100% for the first 2% of compensation and then 50% of the next 4% of compensation. Additionally, the Company contributes 100% of the first 4% of compensation for all employees as employer safe harbor contributions. An additional contribution may be made at the discretion of the Company. During 2023 and 2022, there were no additional discretionary contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN – Continued

Participants' Accounts

Each participant's account is credited with the participant's contributions, employer safe harbor contributions, matching contributions, discretionary contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions and employer safe harbor contributions plus earnings thereon. Participants become 100% vested in the Company's matching and discretionary contributions upon completion of two years of credited service. Vesting is based on years of continuous service, as defined by the Plan Document.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balances. Participants cannot be granted more than two notes in any one calendar year, and no more than two notes can be outstanding at any time. The loans are secured by the balances in the participant's account and bear interest at the prime rate plus 1% effective at the date of issuance. The term may not exceed five years, except for the purchase of a principal residence, in which case the term may be for a period of up to 15 years. Principal and interest are paid ratably through weekly payroll deductions. Participants are charged \$40 for each new note and a \$25 annual maintenance fee for as long as the loan remains outstanding.

Payment of Benefits

Upon reaching normal retirement age or termination of service, participants may select a method of payment of their vested benefit available, as outlined in the Plan Document. Hardship withdrawals from the Plan are permitted and subject to certain limitations imposed by the Internal Revenue Service and as specified in the Plan Document. In-service distributions are permitted to eligible participants, as defined by the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN – Continued

Forfeitures

Upon termination, participants' non-vested account balances are forfeited, as defined in the Plan Document. Forfeited amounts can be used to offset Plan expenses and reduce employer contributions. Forfeitures used to offset Plan expenses totaled \$-0- for both the years ended December 31, 2023 and 2022. During 2023 and 2022, forfeitures totaling \$16,503 and \$9,840, respectively, were used to reduce employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$10,415 and \$5,576, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Pension Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases or sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Most administrative expenses, management fees, and operating expenses incurred by the Plan are paid directly by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses of maintaining the Plan are paid directly by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from the Trustee that all of the information provided by them is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by Vanguard Fiduciary Trust Company, the Trustee, as of and for the years ended December 31, 2023 and 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 80,840,165</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 80,840,165</u>
Total Investments at Fair Value	<u><u>\$ 80,840,165</u></u>	<u><u>\$ 0</u></u>	<u><u>\$ 0</u></u>	<u><u>\$ 80,840,165</u></u>

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 72,133,436</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 72,133,436</u>
Total Investments at Fair Value	<u><u>\$ 72,133,436</u></u>	<u><u>\$ 0</u></u>	<u><u>\$ 0</u></u>	<u><u>\$ 72,133,436</u></u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan has investments in mutual funds managed by Vanguard Group, Inc. Vanguard Fiduciary Trust Company is the record keeper and the Trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Vanguard Group, Inc. receives fees for investment management that is paid from the net assets of the mutual funds. As described in Note 2, the Plan Sponsor or the Plan paid certain expenses related to Plan operation and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA and are exempt from prohibitive transaction rules.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in the value of their account balances.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 7 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company through a prototype plan opinion letter dated June 30, 2020, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Company and Plan management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risk includes global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 9 – GOING CONCERN OF PLAN SPONSOR

Effective August 13, 2024, Columbian Mutual Life Insurance Company ("Plan Sponsor" or "the Company") is under an order of rehabilitation with the New York State Liquidation Bureau. Rehabilitation is a court proceeding authorized under Insurance Law Section 7403 in which the Superintendent takes possession of an insurance company and continues its operations in efforts to protect policyholders by preserving a company's assets. The goal of a rehabilitation proceeding is to determine whether the factors that gave rise to the court proceeding can be removed so that the Company may return to the market as a financially healthy insurance company.

Under the Rehabilitation Order, the Superintendent will commence a review of the Company's financial condition, and if possible, will develop a plan to return the Company to financial health. All policy terms will be honored in rehabilitation. The Company will continue to pay claims as they come due in the ordinary course.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 9 – GOING CONCERN OF PLAN SPONSOR – Continued

As a result of uncertainties associated with a Rehabilitation, including the risk that the Rehabilitator at any time prior to the effective date may determine that efforts to rehabilitate the Company would be futile and may seek to convert the Rehabilitation Proceeding into a liquidation proceeding under the relevant New York Insurance law, management has concluded that there is substantial doubt about the ability of the Company to continue as a going concern within one year after the date that these financial statements have been issued.

Management's plans that are intended to mitigate the conditions that raise substantial doubt about the company's ability to continue as a going concern include, but are not limited to: (a) exploring alternative strategic transactions, (b) servicing its existing books of business while ceasing to engage in new business, and (c) taking efforts to significantly reduce operating expenses, by terminating certain corporate-wide initiatives and projects, cancelling certain contracts that are no longer needed, and reducing its workforce and office space.

These financial statements do not include any adjustments to the amount and classification of assets and liabilities as a result of there being substantial doubt about the ability of the Company to continue as a going concern.

NOTE 10 – SUBSEQUENT EVENTS

Plan management experienced significant employee layoffs in 2024 as a result of the Rehabilitation Order discussed in Note 9 which triggered a partial plan termination. In the event of a partial plan termination, all applicable employees that terminated service and had an account balance with the Plan become fully vested in all employer contributions regardless of the Plan's vesting schedule. At this time, the Company does not intend to terminate the Plan.

Management has evaluated subsequent events through September 16, 2024, which is the date the financial statements were available to be issued.
