INDEPENDENT AUDITORS' REPORT

Board of Trustees

Eastern Shipbuilding Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eastern Shipbuilding Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eastern Shipbuilding Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 29, 2023, and December 31, 2022, and for the year ended December 29, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eastern Shipbuilding Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eastern Shipbuilding Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eastern Shipbuilding Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eastern Shipbuilding Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EASTERN SHIPBUILDING GROUP, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Eastern Shipbuilding Group, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan generally covering substantially all full-time employees of Eastern Shipbuilding Group, Inc. who are age 18 or older and have six months of service. The Plan is a Safe Harbor Plan which is similar to a traditional 401(k) plan, but among other things, must provide for employer contributions that are fully vested when made. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute a percent of their annual compensation to the Plan not to exceed the limits allowable by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options. All employer contributions, both safe harbor and profit sharing, are participant directed.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and charged with an allocation of administrative expenses incurred by the investment company. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. The Company makes safe harbor contributions equal to 100% of a participant's salary deferrals that do not exceed 3% of compensation, plus 50% of the participant's salary deferrals between 3% and 5% of compensation. Participants are vested immediately in employer safe harbor contributions. Each year, the Company may make a discretionary profit-sharing contribution to the Plan. This profit-sharing contribution is allocated among participants eligible to share in the contribution for the year based on compensation. Employer profit sharing contributions are subject to a five-year vesting schedule. The total vested amount of terminated employees is approximately \$1,770,212.

Participant Loans - Participants may not borrow from their accounts.

Payment of Benefits - Benefit payments are made in a lump sum payment, in cash, upon the participant's death, disability, or retirement if the sum is less than \$5,000. If the sum is greater than \$5,000, participants may select other options. For termination of service due to other reasons, a participant may receive the value of their vested interest as a lump-sum distribution. Normal retirement is at age 65. Early retirement can be elected at age 60.

Forfeited Accounts - At December 31, 2023, and 2022, there was \$-0- of forfeited non-vested accounts. Forfeited accounts are used in the following year to first to pay Plan expenses, then to reduce future employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when properly executed requests for distribution are received.

Administrative Expenses

Broker fees are paid from the participants' individual brokerage accounts. Other administrative expenses, such as the Plan's accounting and auditing fees, are paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan's investment assets and executed transactions were transferred and held at Fidelity Management Trust Company. See Note 3 for more information.

There were no other material subsequent events which require disclosure at December 31, 2023.

Common/collective trust fund

ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)* removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value (NAV) practical expedient.

EASTERN SHIPBUILDING GROUP, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 3 UNAUDITED INFORMATION

Ascensus Trust Company held the Plan investment assets and executed transactions therein for the years ended December 29, 2023, and December 31, 2022, except for information noted below. Financial information for 2023 and 2022 relating to these assets is included in the accompanying financial statements and is based on information provided by the trustees. This financial information presented on pages 3 and 4 and in Note 4 has not been audited by independent auditors.

The Plan transferred trustees from Ascensus Trust Company to Fidelity Management Trust Company effective January 1, 2024. The valuation of assets was completed on December 29, 2023, and the assets were certified by Ascensus as of December 29, 2023. The plan went into a blackout period from December 21, 2023, through January 31, 2024. During this time, participants were not able to access accounts, obtain distributions or change deferral/investment elections. Therefore, there was no activity within the funds from the date of the certification of December 29, 2023, to year end of December 31, 2023.

However, the common/collective trust investment was transferred to Fidelity on December 29, 2023. Due to the trust agreement with Fidelity starting January 1, 2024, Fidelity did not certify the common/collective trust investment as of December 31, 2023 and as such the asset balance presented below was subjected to full-scope audit procedures.

NOTE 4 FAIR VALUE MEASUREMENTS – UNAUDITED

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE MEASUREMENTS – UNAUDITED (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual Funds - Valued using the net asset values provided by Ascensus Trust Company at year end.

Common/collective trust – Valued at the NAV of units of a collective trust.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total

EASTERN SHIPBUILDING GROUP, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 5 TAX STATUS

The Plan received an opinion letter from the Internal Revenue Service dated January 1, 2018, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The income tax returns of the Plan are subject to examination by taxing authorities generally for three years after they are filed.

NOTE 6 PLAN AMENDMENTS AND TERMINATION

The Plan was amended effective January 1, 2019 to supersede existing provisions related to hardship distributions. An Employee's Elective Deferrals and Nondeductible Employee Contributions will not be suspended for any period of time due to the receipt of a hardship distribution.

The Plan was amended effective July 1, 2021 to change eligibility requirements, entry dates and to include Roth deferrals as allowed pre-tax elective deferrals. Employees are now eligible to contribute to the plan at age 18 or older, with six months of service. The entry dates are now quarterly.

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
