INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator
Rocky Vista University, LLC 401(k) Retirement Plan
Parker, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Rocky Vista University, LLC 401(k) Retirement Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ending December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audits evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within in one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROCKY VISTA UNIVERSITY, LLC 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Rocky Vista University, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Rocky Vista University, LLC, (the University) is the Plan Sponsor.

General

Prior to October 15, 2012, the University participated in a multiple employer plan named Founders Business Services, L.L.C. 401(k) Plan, with an effective date of January 1, 2001. The University formed the Plan with an effective date of October 15, 2012, and the assets were transferred from Founders Business Services, L.L.C. 401(k) Plan to the Plan on October 15, 2012. The Plan was last amended and restated on November 15, 2021, and is a defined contribution plan covering all employees of the University. Employees of the University are eligible to become participants in the Plan upon reaching age 21 and three months of consecutive service. Employees may elect to defer salary on the first day of each month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation and may contribute Roth elective deferrals on after-tax annual compensation, not to exceed statutory limitations established annually by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and investment contracts with an insurance company as investment options for participants. The University may elect to contribute to the Plan amounts in the form of discretionary matching contributions. The University also contributes non-elective safe harbor contributions. Contributions are subject to certain limitations. Employees become eligible for the employer discretionary matching contributions and non-elective safe harbor contributions after three months of consecutive service and age 21.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of the Plan investment earnings and is charged with an allocation of the Plan's investment and commission expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their participant account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan. The loans are secured by the balance in the participant's account and bear reasonable interest rates, currently ranging from 3.25% to 8.50%. Loan terms currently range from one to thirty years. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

Participants are immediately vested in their contributions and the non-elective safe harbor contributions plus actual earnings thereon. Vesting in the University's discretionary matching contributions is based on years of service in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN, continued

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in a single lump-sum distribution.

Allocation Provisions

Earnings from investments are allocated to a participant's account based on the percentage that the participant's account balance bears to the value of all participants' accounts.

Forfeited Accounts

At December 31, 2023 and 2022, there were forfeitures held by the Plan of \$9,480 and \$32,683, respectively. The Plan uses forfeitures to pay administrative fees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that could affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at net asset value, which approximates fair value, and contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. See Note 4 for discussion of contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income (loss) is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Investment management expenses are paid by the Plan. Certain administrative expenses are paid by the University.

Notes Receivable from Participants

Notes receivable from participants are measures at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through October 3, 2024. This represents the date the financial statements were available to be issued.

NOTE 3. CERTIFICATION OF ASSETS AND INCOME

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by United of Omaha Life Insurance Company (United of Omaha), the custodian of the Plan, as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplementary schedule.

a) Assets held and certified to by United of Omaha at December 31:

	2023	2022
Non-interest bearing cash	\$ 836	\$ -
Pooled separate accounts, at fair value	20,058,876	15,230,282
Contracts with insurance company, at contract value	1,941,525	1,980,219
Notes receivable from participants	111,140	111,742
	<u>\$ 22,112,377</u>	<u>\$ 17,322,243</u>

b) Income certified by United of Omaha for the year ended December 31, 2023:

	Net Depreciation in Fair Value	Interest Income
Pooled separate accounts, at fair value	\$ 2,799,069	\$ -
Contracts with insurance company, at contract value	-	45,331
Notes receivable from participants	-	4,555
	<u>\$ 2,799,069</u>	<u>\$ 49,886</u>

NOTE 4. CONTRACTS WITH INSURANCE COMPANY

The Plan entered into benefit-responsive investment contracts with United of Omaha in 2012 and in 2014. United of Omaha maintains the contributions in separate accounts. United of Omaha guarantees principal and accrued interest, based on credited interest rates, for participant-initiated withdrawals as long as the contract remains active. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. United of Omaha guarantees that no interest rate would ever be less than 0%. The crediting interest rate for the contracts were approximately 5.23% for the year ended December 31, 2023. Participants receive the principal and accrued earnings credited to their accounts upon withdrawal for allowed events. These events included transfers to other Plan investment options, and payments due to retirement, termination of employment, disability, death, and in-service withdrawals as permitted by the Plan.

Because the guaranteed investment contracts are fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully-benefit responsive investment contracts. The guaranteed investment contracts are presented on the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by United of Omaha, represented contributions made under the contract, plus earnings, less participant withdrawals and investment expenses.

Participants can direct the withdrawal or transfer of all or a portion of their investments at contract value. The fair value of the contracts at December 31, 2023 and 2022 was \$1,822,279 and \$1,777,336, respectively.

NOTE 5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at Net Asset Value (NAV) of shares held by the Plan at year end. The value of the units held in pooled separate accounts is based on the NAV of the units, determined by the security prices of the underlying investments. While the underlying security prices are quoted prices, the NAV of a separate account is not a publicly quoted price in an active market but is used as a practical expedient to estimate fair value. The investment strategy for the pooled separate accounts typically seek to provide maximum returns by investing in securities that track performance of various sectors, domestic and international equities, and fixed income indices. These investments range from small to large cap sectors.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5. FAIR VALUE MEASUREMENTS, continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of:

December 31, 2023			
	Level 1,2,3	NAV (a)	Total
Pooled separate accounts	\$ -	\$ 20,058,876	\$ 20,058,876

December 31, 2022			
	Level 1,2,3	NAV (a)	Total
Pooled separate accounts	\$ -	\$ 15,230,282	\$ 15,230,282

- (a) These funds were measured at NAV per share in accordance with ASC Subtopic 820-10, as amended by the ASU 2015-07 and have not been classified in the fair value hierarchy. The fair value amounts presented permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefit. These funds have no unfunded commitments, have a daily redemption frequency, and have no notice period for redemption.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of:

Fair Value Estimated Using Net Asset Value Per Share				
December 31, 2023				
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 20,058,876	\$ -	Daily	None
Total	\$ 20,058,876	\$ -		

Fair Value Estimated Using Net Asset Value Per Share				
December 31, 2022

December 31, 2023 and 2022

NOTE 6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are issued and held by United of Omaha and are managed by Mutual of Omaha (an affiliate). Therefore, any transactions with United of Omaha or Mutual of Omaha, including administrative fees paid, would be considered party-in-interest transactions. The Plan uses Stadion Money Management as its actively managed account representative and any investments held with Stadion qualify as party-in-interest transactions.

Fees paid to United of Omaha in the form of direct compensation amounted to \$2,650 for the year ended December 31, 2023. United of Omaha and Mutual of Omaha also received indirect compensation during the year. The Plan also directly pays other service providers using the forfeiture account and Plan assets as needed and allowed per the Plan document.

Notes receivable from participants totaled \$111,140 and \$111,742 at December 31, 2023 and 2022, respectively, and qualify as party-in-interest transactions.

NOTE 7. PLAN TERMINATION

The University anticipates and believes that the Plan will continue without interruption but has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances and the Plan assets would be distributed to participants on the basis of their prorated values at the termination date.

NOTE 8. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with a cash defined arrangement sponsored by Ascensus. The Plan received a favorable letter of determination dated June 30, 2020, stating that the Plan was designed in accordance with Section 401(a) of the Internal Revenue Code (IRC). The Plan has since been amended, however the Plan Administrator believes that the Plan is still currently designed and is being operated in compliance with the applicable requirements of the IRC and that the trust is tax-exempt under Section 401(a) of the IRC as of the Plan's year-end.

FASB requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ending December 31, 2023, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2020.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
