INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants of the
Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2023 and 2022

1. Description of the Plan

The following description of the Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the controlled group employers. The controlled group employers are Lee-Smith, Inc. and Lesco, Inc. (collectively, the Company). Employees of the Company generally become eligible to join the Plan on the first day of the quarter following or coinciding with their date of hire and after attaining the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make pre-tax and/or Roth contributions up to 100% of eligible compensation, as defined by the Plan document, subject to a maximum of \$22,500 in 2023, plus an additional \$7,500 in catch-up contributions for participants who have attained age 50 by the end of the Plan year. All eligible employees will be automatically enrolled in the Plan on the first day of the Plan quarter following or coinciding with their hire date, at a contribution rate of 5% of eligible compensation unless they elect otherwise. Beginning on the first day of the second Plan year following the Plan year during which the initial automatic enrollment became effective and the first day of each subsequent Plan year, this will be increased annually by 1% of eligible compensation not to exceed 10%, unless the participant elects otherwise. The contributions will be invested in a retirement date fund based on the participant's age, unless directed otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes a matching contribution at the Company's discretion for participants if they attain 1,000 hours of service during the year and are employed by the Company on the last day of the Plan year or upon death, disability, or retirement. During 2023, the Company's discretionary matching contribution was equal to 25% of participant contributions up to 3% of eligible compensation and 50% of participant contributions from 3% to 6% of eligible compensation. The matching contribution is invested in the participant's directed investments. During 2024, the Company contributed \$142,009 as a discretionary matching contribution for the 2023 Plan year. The Company may make a non-elective contribution at the Company's discretion for participants who have completed at least 1,000 hours of service during the Plan year. During 2023, the Company did not make any non-elective contributions.

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions, earnings and losses on the investments in their account, and is charged with transaction fees for services received by the participant and certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and rollovers plus actual earnings and losses thereon. Company discretionary matching and Company non-elective contributions vest 20% after two years of service and each year thereafter and are fully vested after six years of service. A participant's entire account balance becomes fully vested in cases of death, total and permanent disability, retirement at or after the age of 65.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have 1 note outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with rates charged by lenders on similar loans. During 2023, notes had rates ranging from 4.50% to 6.00% for the term of the note, not to exceed 5 years or 30 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions.

Payment of Benefits

At the time of death, disability, termination of service or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution or installment payments equal to the value of the participant's vested interest in their account. The participant's contributions may also be withdrawn for certain hardship situations. If a participant terminates employment and has an account balance less than \$5,000, the participant will automatically receive a lump-sum payment equal to the vested interest in their account.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$26,922 and \$25,781, respectively. These accounts may be used to pay Plan administrative expenses or offset the Company's contributions. In 2023, \$11,165 was used to pay Plan administrative expenses.

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2023 and 2022

Administrative Expenses

The Plan document permits certain administrative expenses to be paid by the Plan. Expenses for transactions which are specifically attributable to a participant's account are charged directly to the participant's account. These expenses are paid to service providers of the Plan and therefore qualify as party-in-interest transactions. All other expenses are paid by the Company and the Company does not expect reimbursement from the Plan for these expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Company discretionary matching contributions and Company non-elective contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan and approved by the Company. Any unfunded participant or Company contributions are included in participant or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2023 and 2022.

In accordance with Financial Accounting Standards Board's Accounting Standards Codification 326, *Financial Instruments—Credit Losses*, the Company estimates the current credit risk associated with employer contribution receivables. The Company determined that no allowance for credit loss was necessary as of December 31, 2023 and 2022.

Valuation of Investments

The Plan's investments are stated at fair value, except for the AUL stable value account, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2023 and 2022

The net change in fair value of mutual funds includes interest, dividends, certain administrative expenses, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received by the Plan. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded as a deemed distribution. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 8, 2024, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule of assets held, including investments held and notes receivable from participants at December 31, 2023 and 2022, and the net change in fair value of mutual funds, contract value of the guaranteed interest account, and interest income for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by American United Life Insurance Company, a OneAmerica Company (AUL), the Plan's qualified institution.

4. Investments

Plan investments include units of a fully-benefit responsive investment contract managed by AUL. AUL is the qualified institution of the Plan; therefore, transactions in these investments qualify as party-in-interest transactions.

Investment securities are exposed to various risks, such as market, currency, interest rate and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, and significant cybersecurity attacks, among others. It is at least reasonably

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2023 and 2022

possible that changes in their fair values will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Investments in mutual funds are valued at quoted market prices for the identical security in an active market (Level 1).

The AUL stable value account is a fully-benefit responsive investment contract and is a general obligation of AUL. AUL maintains the contributions in a general account. The account is credited with contributions, and charged for participant withdrawals and administrative expenses. AUL is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value of the guaranteed income fund represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with AUL, but may not be less than 1.5%. Such interest rates are reviewed on an annual basis for resetting.

Lee-Smith, Inc. and Lesco, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2023 and 2022

Investments measured at fair value at December 31, 2023 and 2022, are comprised of the following:

	Level 1	
	2023	2022
Mutual funds	\$ 8,096,789	\$ 7,120,341
Total investments, at fair value	\$ 8,096,789	\$ 7,120,341

5. Plan Termination

Although it has not expressed any intent to do so, the Company has a right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

6. Income Tax Status

In January 2021, the Plan that was based on a prototype plan document created by Erisa Services, Inc. (ESI) moved to a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (pre-approved plan) sponsored by ESI. ESI received an opinion letter from the IRS, dated June 1, 2021, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.
