REPORT OF INDEPENDENT AUDITORS

PLAN ADMINISTRATOR
COLUMBIANA COUNTY MENTAL HEALTH CLINIC
403(B) THRIFT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note B.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets Held at End of Year as of the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Columbiana County Mental Health Clinic 403(b) Thrift Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the Columbiana County Mental Health Clinic 403(b) Thrift Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Columbiana County Mental Health Clinic (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to contribute, on a wage reduction basis, a portion of their pretax annual compensation but not to exceed certain limitations. There is no minimum age or service requirement for participants to make contributions into the Plan. In addition, the Company, at its sole discretion, may match the participants contribution equal to 50% of the salary reduction amount that does not exceed 5% of compensation received during the plan year. Furthermore, the Company, at its sole discretion, may contribute an employer base contribution to the Plan as determined by the Company's Board of Directors. Participants must be at least 21 years of age and have completed at least six months of service in order to receive the employer matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, and an allocation of the Company's discretionary contribution and the Plan earnings and losses and administrative expenses. Allocations of the Plan's earnings and losses are based on the proportion that each participant's account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Company's discretionary contributions are allocated based on a percentage of wages to participants who were actively employed on the last day of the plan year. Discretionary contributions were \$-0- for the years ended December 31, 2023 and 2022.

Vesting

Participants are immediately fully vested in their voluntary contributions plus actual earnings thereon. A participant becomes 100% vested in employer matching and base discretionary contributions after three years of service or the attainment of normal retirement age.

Plan Loans

Participants may borrow amounts directly from the Plan custodian. Plan loans may be requested by a participant, using their account as collateral for the Plan loan. A Plan loan is not treated as a distribution from the Plan and is not considered a Plan asset. Therefore, Plan loans are not reported on the statements of net assets available for benefits. A participant may apply for a Plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of (i) \$50,000 or (ii) 50% of the participant's vested account balance in the Plan. Loans may be further limited by the funding vehicles.

At December 31, 2023 and 2022, there was approximately \$1,500 and \$2,000, respectively, held within participant accounts in the Interest Accumulation Account on the statement of net assets available for benefits, which served as collateral against outstanding Plan loan balances. At December 31, 2023 and 2022, the variable interest rates of Plan loans were 4.60% and 4.21%, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits

Benefits are payable in an amount equal to the value of the participant's vested interest in his or her account, either in a lump-sum payment, specified payment option as defined by the Plan, or in a direct rollover to an IRA or other employer plan.

Forfeitures

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are used to pay certain plan expenses and reduce employer matching contributions. Employer contributions were reduced by \$3,010 and \$933 from forfeited nonvested accounts for years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, there were no forfeited nonvested accounts.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. The modified cash basis for presentation differs principally from accounting principles generally accepted in the United States of America in that there are no provisions for employee or employer contributions receivable and no provision for any liabilities of the Plan. Contributions and earnings are recorded when received by the Plan and distributions and expenses are recorded when paid by the Plan.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded when received. Dividends are recorded on the settlement date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2023 and 2022 and net change in investment income and expenses for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's custodian, Mutual of America Life Insurance Company.

NOTE D – FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include pooled separate accounts and a general account. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Pooled Separate Accounts (PSA) – As a practical expedient, net asset value (NAV) of each of the separate accounts is calculated in a manner consistent with the modified cash basis of accounting for investment companies and is determinative of their fair value and represents the price at which the Plan would be able to initiate a transaction. The separate accounts invest in publicly quoted mutual funds or actively managed stocks. The fair value of the underlying mutual funds or stocks is used to determine the NAV of the separate account, which is not publicly quoted. The separate accounts also invest in fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets and used to determine the NAV of the separate account.

General Account: As a practical expedient, valued at NAV of units held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022

Assets Measured at Fair Value at December 31, 2023						
on a Recurring Basis						
	<u>Level 1</u>		<u>Level 2</u>		<u>Level 3</u>	<u>Total</u>
Investment at net asset value:						
Pooled separate accounts	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 1,916,885

Total	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 2,964,339
Assets Measured at Fair Value at December 31, 2022

Total	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 2,565,947

None of the pooled separate accounts are currently subject to withdrawal limitations. Unfunded commitments typically are found in private equity funds and therefore not applicable to pooled separate accounts or mutual funds. Pooled separate accounts can be redeemed on a daily basis.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE E – TAX STATUS

The Plan has been individually designed to qualify under Section 403(b) of the Internal Revenue Code (“Code”). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS). The Plan has not obtained a determination letter from the IRS because there is currently no IRS determination letter program for individually designed 403(b) plans. The Plan custodian (Mutual of America Life Insurance Company) has applied for an opinion letter under the 403(b) pre-approved program and is awaiting a response from the IRS. Management of the plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and has no income subject to unrelated business income tax, therefore, the Plan was qualified and tax-exempt as of the financial statement date.

NOTE F – PARTY-IN-INTEREST

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in pooled separate and general accounts within a group annuity contract managed by Mutual of America Life Insurance Company, the custodian of the Plan’s investments. These transactions also qualify as party-in-interest transactions.

NOTE G – RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

NOTE H – SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 9, 2024, which is the date the financial statements were available to be issued.
