INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the First United Corporation 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First United Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First United Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, (collectively, "Empower"), a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First United Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First United Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First United Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First United Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, line 4i – Schedule of Assets (Held at Year End) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

NOTE 1 DESCRIPTION OF THE PLAN

The following description of First United Corporation 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of First United Corporation and its wholly owned subsidiary First United Bank & Trust (collectively, "the Company"), except for leased employees. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). Participants are able to direct their own investments into various investment options designated by the Plan Administrator, which include mutual funds and a key guaranteed portfolio fund.

In connection with the amendment and restatement effective July 1, 2000, the First United Corporation Employee Stock Ownership Plan (ESOP) was merged into the Plan. Assets of the ESOP, comprised of participants' account balances, were transferred to the Plan on August 16, 2000. All of the employer stock held in the Plan as of December 31, 2023 and 2022 is a result of this transfer. Employees who have employer stock allocated to their account may elect to have the stock sold and reinvested in another investment option, however participants cannot choose to purchase employer stock.

Effective January 1, 2013, the Plan was amended to add employee stock ownership provisions which enabled participating employees to share in the Company's growth and prosperity through both employer and employee contributions. As of December 31, 2023 the option to purchase employer stock under this amendment has not been utilized.

Eligibility and Contributions

Employees are automatically enrolled in the plan and can contribute through payroll deductions on the first day of the month coincident with or next following the day they meet the eligibility requirements (employees are eligible after one month of service). Employees have the option to opt out of the plan if they so desire. Participants are permitted to contribute up to 100% of their eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The amounts under this arrangement are limited by certain provisions of the Internal Revenue Code. Participants are initially eligible for Company matching contributions after one hour of service.

The Company matches 100% of the participant's contributions up to 1% of their base salary and 50% of the next 5% of their base salary. In addition, the Company may make an additional discretionary contribution to certain eligible participants annually or more often as determined by its Board of Directors. The additional employer contribution is allocated to each eligible participant's account based on the participant's compensation in relation to the aggregate of all participants' compensation. In 2023, Company matching contributions were \$601,185, net of forfeitures of \$39,650. The total of employee and employer contributions are subject to certain maximum limitations under the Internal Revenue Code and the Plan Agreement. In 2023, the Company made an additional discretionary contribution to the Plan totaling \$819,124 for all participants who were still employed at the end of the year and not included in the Supplemental Executive Retirement Plan (SERP Plan).

Notes to Financial Statements

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching and non-elective contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Expense Account

An account has been established under the Plan and funded by Empower. The funds held in the account may only be disbursed at the direction of the Plan or its named fiduciaries to pay plan expenses or to be allocated as earnings to participants. Plan expenses of \$48,645 were paid from this account during 2023. At December 31, 2023 and 2022, there was \$5,018 and \$53,256 respectively, in this account available to pay plan expenses or to be allocated to participants.

Vesting

Participants are vested immediately in their contributions plus actual earnings on the contributions. Participants are vested in employer matching and discretionary contributions made to the Plan based on their years of service. Participants are fully vested after two years of service. Participants automatically become fully vested upon reaching their early or normal retirement age (55 and 65 years old, respectively), or in the event of disability or death.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2 percent above the prime rate, as defined. Principal and interest are paid ratably through deductions from the participant's compensation.

Payment of Benefits and Forfeited Accounts

On termination of service due to death, disability, retirement, or other reasons, employees receive distributions by rollover or a cash lump sum. A terminating participant of the Plan is paid the value of their contributions to the Plan plus any vested employer contributions as valued on the latest valuation date coincident with or immediately preceding the termination date. Distributions of account balances less than \$5,000, but greater than \$1,000 that meet the provisions for a mandatory distribution will be paid as a direct rollover into an individual retirement account designated by the Plan if the participant does not elect the distribution method. Distributions of account balances of \$1,000 or less that meet the provisions for a mandatory distribution will automatically be paid to participants in a cash distribution if the participant does not elect the distribution method. In addition, in-service distributions are permitted if certain criteria are met.

Notes to Financial Statements

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Unless terminating by reason of retirement, disability or death, the terminating participant will forfeit the nonvested portion of his account attributable to contributions made by the Company. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0. During 2023, \$46,999 was used to reduce 2022 employer contributions received in 2023 and \$39,650 was used to reduce the 2023 employer contributions received in 2024.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the First United Corporation 401(k) Profit Sharing Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions

Contributions from Plan participants and the Company contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation and on compensation paid during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Notes to Financial Statements

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the general administration of the plan are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 CERTIFICATION BY TRUSTEE

The financial statements as of December 31, 2023 and 2022 and for the year ended December 31, 2023 were prepared from information provided by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, (collectively, "Empower"), which they certified to be complete and accurate to the best of their knowledge.

Following is a summary of the financial information regarding the investment assets held by the trustee included in the accompanying financial statements and supplemental schedule based on information provided by the trustee to the Plan Administrator and certified as accurate and complete as of December 31, 2023 and 2022.

	2023	2022
Investments, at Fair Value	\$ 36,207,172	\$ 33,090,435
Notes Receivable from Participants	\$ 605,562 #	\$ 606,444 #
Net Appreciation in Fair Value of Investments (including realized gains and losses)	\$ 3,567,016	
Interest and Dividend Income	\$ 1,331,718	
Interest Income on Notes Receivable from Participants	\$ 41,734	

The differences of \$46,981 and \$100,547 compared to the balances on the statements of net assets available for plan benefits as of December 31, 2023 and 2022, respectively, are due to defaulted loans deemed distributed for 5500 purposes only.

NOTE 5 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2023 and 2022.

Stock and Bond Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

First United Corporation Common Stock

Valued based on the last reported sales price on the last business day of the Plan year.

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Group Annuity Contract – Key Guaranteed Portfolio Fund

The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The method utilizes a discounted cash flow valuation methodology where the interest rate for the portfolio investment contract is reset at least as frequently as annually. Fair value of the investment contract, prior to contract termination, equals the contract value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

NOTE 6 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower. Empower is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Empower provides certain administrative services to the Plan pursuant to a service agreement between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower provides to the funds. The revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the service agreement, Empower remits the excess to the Plan's "Plan Expense Account" on a quarterly basis. The revenue received during the plan year is included in the net appreciation in fair value of investments on the statement of changes in net assets available for plan benefits. Such amounts may be applied to pay administrative expenses or allocated to the accounts of participants. During 2023, \$48,645 was used to pay for administrative expenses.

FIRST UNITED CORPORATION 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 6 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS (CONTINUED)

During 2023, the Plan made a direct payment for recordkeeping services to Empower Annuity Insurance Company of America of \$7,668. The Plan also made direct payments to CBIZ Benefits & Insurance Services of \$22,845 for administration services, to CBIZ Investment Advisory Services, LLC of \$15,000 for investment advisory services, \$6,421 to Empower Advisory Group, LLC for investment management services, and \$10,800 to Smith Elliott Kearns & Company, LLC, the Plan auditor. The Plan Sponsor pays directly any other fees related to the plan's operations.

During 2023, the Plan earned dividends of approximately \$5,000 on its investment in the Company's common stock. At December 31, 2023 and 2022, the fair value of the Plan's investment in the Company's common stock amounted to \$139,866 and \$129,409, respectively.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan. In the event of a termination, participants would become 100 percent vested in their employer contributions. The value of the interests of all participants shall be determined and then, at the Company's option, distributed immediately to the participants on a pro-rata basis or retained in trust and distributed in accordance with the original terms of the Plan.

NOTE 8 TAX STATUS

The Plan is a prototype non-standardized plan that was deemed acceptable under Section 401(a) of the Internal Revenue Code in a letter dated August 23, 2017. The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator adopted the restated prototype plan effective January 1, 2022. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
