INDEPENDENT AUDITORS' REPORT

To the Trustees, Participants, and Beneficiaries
of the Mary Ann Liebert, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mary Ann Liebert, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MARY ANN LIEBERT, INC.
401(K) PLAN

Notes to Financial Statements
December 31, 2023 and 2022

1 - DESCRIPTION OF PLAN

The following description of the Mary Ann Liebert, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** - The Plan is a 401(k) defined contribution plan covering all employees of Mary Ann Liebert, Inc. (the “Company,” “Employer,” or “Plan Sponsor”), as defined in the Plan, excluding employees covered by a collective bargaining agreement. The provisions of the Plan provide for immediate entry into the Plan on the date the first hour of service is performed as an eligible employee. There is no age requirement. Enrolled employees are eligible to receive a safe harbor employer non-elective contribution. Employees are eligible to receive discretionary employer contributions upon completion of 1,000 hours and being employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The custodian and recordkeeper is Empower Trust Company, LLC.
- b. **Contributions** - Participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Individuals who attain age 50 by the end of the Plan year may make additional pre-tax “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified plans as well as after-tax contributions from their current compensation, including a Roth option. Contributions are subject to certain limitations as permitted under the Internal Revenue Code (“IRC”). Under the terms of the Plan, the Company will make a safe harbor employer non-elective contribution of 3% of the participants’ eligible earnings, as defined in the Plan. Contributions are subject to certain Internal Revenue Services (“IRS”) limitations. The Company is also permitted to make discretionary match and profit-sharing contributions. During the year ended December 31, 2023, no discretionary match or profit-sharing contributions were made by the Company.

All investments are participant-directed. Participants direct the investment of their contributions into the various investment options offered by the Plan.

- c. **Participant accounts** - Each participant’s account is credited with the participant’s contributions, the Company’s safe harbor employer non-elective and discretionary match and profit-sharing contributions to the Plan on behalf of the participant, if any, and allocations of Plan earnings or losses. Allocations of Plan earnings or losses are based upon account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d. **Vesting** - Participants are immediately vested in their elective contributions, rollover portion of their account balances, safe harbor employer non-elective contributions, and earnings thereon. Vesting in the Company’s discretionary match and profit-sharing contribution portion of their accounts, plus earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
0 - 2 years	0%
2 - 3 years	20%
3 - 4 years	40%
4 - 5 years	60%
5 - 6 years	80%
6 years and over	100%

- e. **Notes receivable from participants** - Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding loan balance from the Plan during the one-year period ending on the day before the date on which the loan is made, or 50% of their vested account balances, less current outstanding loan balances. All loans, other than those used to purchase a principal residence, must be repaid within five years. Loans used to purchase a principal residence can have terms of up to fifteen years. The loans are secured by the balance in the participant's account, and the interest rate on loans is determined by the Plan's trustees, based upon a review of interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions or another approved manner, with payments made not less frequently than quarterly. Participant loans, excluding loans of parties-in-interest, as defined, are due and payable on the date the participant terminates employment with the Company. As of December 31, 2023 and 2022, the notes bear interest ranging from 3.25% to 8.50% and 3.25% to 5.50%, respectively, and have scheduled maturities through October 2028.
- f. **Payment of benefits** - Participants may elect to receive distribution of their benefits upon retirement, in the event of death or disability, in the event of immediate and heavy financial hardship, or upon termination of employment. Normal retirement age is 65. Those participants who have vested benefits in excess of \$5,000 and are receiving benefits due to retirement, death or disability, hardship, or termination, may elect to receive either a lump-sum amount equal to the participant's vested interest in their account or installment payments over a period of years that does not exceed the life expectancy of the participant or, if applicable, the beneficiary. If the vested benefit is less than \$1,000, participants or, if applicable, their beneficiaries, will receive a single lump-sum distribution. If the vested account balance is more than \$1,000, but does not exceed \$5,000, the balance will be transferred to an individual retirement account in the participant's name; unless required mandatory distribution started before the termination event occurred.
- g. **Forfeitures** - Forfeited nonvested accounts may be used to restore forfeitures, reduce employer contributions (or reallocate as employer contributions), or pay Plan expenses. As of December 31, 2023 and 2022, forfeitures amounted to \$8. In 2023, there were \$0 accounts forfeited and \$0 forfeitures used. Forfeitures had net appreciation of \$0 for the year ended December 31, 2023.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Basis of accounting** - The financial statements are prepared on the accrual method of accounting.
- b. **Subsequent events** - The Plan has evaluated subsequent events through October 4, 2024, the date the financial statements were available to be issued.
- c. **Investment valuation and income recognition** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

- d. **Notes receivable from participants** - Notes receivable from participants is measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as deemed distributions, based on the terms of the Plan document.

- e. **Payment of benefits** - Benefits are recorded when paid.
- f. **Plan expenses** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in value of investments. The Company has elected to absorb substantially all significant costs relating to the Plan.
- g. **Use of estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3 - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Trust Company, LLC, the custodian of the Plan, has certified to the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and related activity, in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

4 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund - A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust, for up to twelve months, in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

Investment Assets at Fair Value as of December 31, 2023

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Investment at NAV (A)</i>	<i>Total</i>
Mutual Funds	\$ 14,453,431	\$ -	\$ -	\$ -	\$ 14,453,431
Stable Value Collective Trust Fund	-	-	-	1,961,068	1,961,068
Total Investments at Fair Value	<u>\$ 14,453,431</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,961,068</u>	<u>\$ 16,414,499</u>

Investment Assets at Fair Value as of December 31, 2022

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Investment at NAV (A)</i>	<i>Total</i>
Mutual Funds	\$ 12,304,122	\$ -	\$ -	\$ -	\$ 12,304,122
Stable Value Collective Trust Fund	-	-	-	1,642,938	1,642,938
Total Investments at Fair Value	<u>\$ 12,304,122</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,642,938</u>	<u>\$ 13,947,060</u>

(A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

5 - TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by The Angell Pension Group Inc. On June 30, 2020, the IRS stated an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC, and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving this opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds and a stable value fund, which are managed by the custodian or its affiliates. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in value of investments. Fees relating to loan setup, maintenance, and withdrawals amounted to \$45,172 for the year ended December 31, 2023, and are included in administrative expenses.

7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are subject to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances, and the amounts reported on the accompanying statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of Form 5500:

Line Item	Financial Statements	Reconciling Items	Form 5500
Statement of net assets available for benefits as of December 31, 2023:			
Notes receivable from participants	\$ 161,886	\$ (21,657)	\$ 140,229
Net assets available for benefits	\$ 16,576,974	\$ (21,657)	\$ 16,555,317
Statement of net assets available for benefits as of December 31, 2022:			
Notes receivable from participants	\$ 120,088	\$ (21,236)	\$ 98,852
Net assets available for benefits	\$ 14,067,148	\$ (21,236)	\$ 14,045,912
Statement of changes in net assets available for benefits for the year ended December 31, 2023:			
Interest income on notes receivable from participants	\$ 6,305	\$ (421)	\$ 5,884
Net increase in net assets available for benefits	\$ 2,509,826	\$ (421)	\$ 2,509,405

9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

INDEPENDENT AUDITORS' REPORT

To the Trustees, Participants, and Beneficiaries
of the Mary Ann Liebert, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mary Ann Liebert, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PLAN

Notes to Financial Statements
December 31, 2023 and 2022

1 - DESCRIPTION OF PLAN

The following description of the Mary Ann Liebert, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** - The Plan is a 401(k) defined contribution plan covering all employees of Mary Ann Liebert, Inc. (the “Company,” “Employer,” or “Plan Sponsor”), as defined in the Plan, excluding employees covered by a collective bargaining agreement. The provisions of the Plan provide for immediate entry into the Plan on the date the first hour of service is performed as an eligible employee. There is no age requirement. Enrolled employees are eligible to receive a safe harbor employer non-elective contribution. Employees are eligible to receive discretionary employer contributions upon completion of 1,000 hours and being employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The custodian and recordkeeper is Empower Trust Company, LLC.
- b. **Contributions** - Participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Individuals who attain age 50 by the end of the Plan year may make additional pre-tax “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified plans as well as after-tax contributions from their current compensation, including a Roth option. Contributions are subject to certain limitations as permitted under the Internal Revenue Code (“IRC”). Under the terms of the Plan, the Company will make a safe harbor employer non-elective contribution of 3% of the participants’ eligible earnings, as defined in the Plan. Contributions are subject to certain Internal Revenue Services (“IRS”) limitations. The Company is also permitted to make discretionary match and profit-sharing contributions. During the year ended December 31, 2023, no discretionary match or profit-sharing contributions were made by the Company.

All investments are participant-directed. Participants direct the investment of their contributions into the various investment options offered by the Plan.

- c. **Participant accounts** - Each participant’s account is credited with the participant’s contributions, the Company’s safe harbor employer non-elective and discretionary match and profit-sharing contributions to the Plan on behalf of the participant, if any, and allocations of Plan earnings or losses. Allocations of Plan earnings or losses are based upon account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d. **Vesting** - Participants are immediately vested in their elective contributions, rollover portion of their account balances, safe harbor employer non-elective contributions, and earnings thereon. Vesting in the Company’s discretionary match and profit-sharing contribution portion of their accounts, plus earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
0 - 2 years	0%
2 - 3 years	20%
3 - 4 years	40%
4 - 5 years	60%
5 - 6 years	80%
6 years and over	100%

- e. **Notes receivable from participants** - Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding loan balance from the Plan during the one-year period ending on the day before the date on which the loan is made, or 50% of their vested account balances, less current outstanding loan balances. All loans, other than those used to purchase a principal residence, must be repaid within five years. Loans used to purchase a principal residence can have terms of up to fifteen years. The loans are secured by the balance in the participant's account, and the interest rate on loans is determined by the Plan's trustees, based upon a review of interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions or another approved manner, with payments made not less frequently than quarterly. Participant loans, excluding loans of parties-in-interest, as defined, are due and payable on the date the participant terminates employment with the Company. As of December 31, 2023 and 2022, the notes bear interest ranging from 3.25% to 8.50% and 3.25% to 5.50%, respectively, and have scheduled maturities through October 2028.
- f. **Payment of benefits** - Participants may elect to receive distribution of their benefits upon retirement, in the event of death or disability, in the event of immediate and heavy financial hardship, or upon termination of employment. Normal retirement age is 65. Those participants who have vested benefits in excess of \$5,000 and are receiving benefits due to retirement, death or disability, hardship, or termination, may elect to receive either a lump-sum amount equal to the participant's vested interest in their account or installment payments over a period of years that does not exceed the life expectancy of the participant or, if applicable, the beneficiary. If the vested benefit is less than \$1,000, participants or, if applicable, their beneficiaries, will receive a single lump-sum distribution. If the vested account balance is more than \$1,000, but does not exceed \$5,000, the balance will be transferred to an individual retirement account in the participant's name; unless required mandatory distribution started before the termination event occurred.
- g. **Forfeitures** - Forfeited nonvested accounts may be used to restore forfeitures, reduce employer contributions (or reallocate as employer contributions), or pay Plan expenses. As of December 31, 2023 and 2022, forfeitures amounted to \$8. In 2023, there were \$0 accounts forfeited and \$0 forfeitures used. Forfeitures had net appreciation of \$0 for the year ended December 31, 2023.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Basis of accounting** - The financial statements are prepared on the accrual method of accounting.
- b. **Subsequent events** - The Plan has evaluated subsequent events through October 4, 2024, the date the financial statements were available to be issued.
- c. **Investment valuation and income recognition** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

- d. **Notes receivable from participants** - Notes receivable from participants is measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as deemed distributions, based on the terms of the Plan document.

- e. **Payment of benefits** - Benefits are recorded when paid.
- f. **Plan expenses** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in value of investments. The Company has elected to absorb substantially all significant costs relating to the Plan.
- g. **Use of estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3 - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Trust Company, LLC, the custodian of the Plan, has certified to the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and related activity, in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

4 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund - A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust, for up to twelve months, in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

Investment Assets at Fair Value as of December 31, 2023

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Investment at NAV (A)</i>	<i>Total</i>
Mutual Funds	\$ 14,453,431	\$ -	\$ -	\$ -	\$ 14,453,431
Stable Value Collective Trust Fund	-	-	-	1,961,068	1,961,068
Total Investments at Fair Value	<u>\$ 14,453,431</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,961,068</u>	<u>\$ 16,414,499</u>

Investment Assets at Fair Value as of December 31, 2022

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Investment at NAV (A)</i>	<i>Total</i>
Mutual Funds	\$ 12,304,122	\$ -	\$ -	\$ -	\$ 12,304,122
Stable Value Collective Trust Fund	-	-	-	1,642,938	1,642,938
Total Investments at Fair Value	<u>\$ 12,304,122</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,642,938</u>	<u>\$ 13,947,060</u>

(A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

5 - TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by The Angell Pension Group Inc. On June 30, 2020, the IRS stated an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC, and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving this opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds and a stable value fund, which are managed by the custodian or its affiliates. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in value of investments. Fees relating to loan setup, maintenance, and withdrawals amounted to \$45,172 for the year ended December 31, 2023, and are included in administrative expenses.

7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are subject to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances, and the amounts reported on the accompanying statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of Form 5500:

Line Item	Financial Statements	Reconciling Items	Form 5500
Statement of net assets available for benefits as of December 31, 2023:			
Notes receivable from participants	\$ 161,886	\$ (21,657)	\$ 140,229
Net assets available for benefits	\$ 16,576,974	\$ (21,657)	\$ 16,555,317
Statement of net assets available for benefits as of December 31, 2022:			
Notes receivable from participants	\$ 120,088	\$ (21,236)	\$ 98,852
Net assets available for benefits	\$ 14,067,148	\$ (21,236)	\$ 14,045,912
Statement of changes in net assets available for benefits for the year ended December 31, 2023:			
Interest income on notes receivable from participants	\$ 6,305	\$ (421)	\$ 5,884
Net increase in net assets available for benefits	\$ 2,509,826	\$ (421)	\$ 2,509,405

9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.
