Report of Independent Auditors

To the Plan Participants and the Plan Administrator of
Rockland Trust Company Employee Savings, Profit Sharing and Stock Ownership Plan

Opinion

We have audited the financial statements of Rockland Trust Company Employee Savings, Profit Sharing, and Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report of Independent Auditors

To the Plan Participants and the Plan Administrator of
Rockland Trust Company Employee Savings, Profit Sharing and Stock Ownership Plan

Opinion

We have audited the financial statements of Rockland Trust Company Employee Savings, Profit Sharing, and Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. (1) Description of the Plan

The following description of the Rockland Trust Company (the “Company” or “Plan Sponsor” or “Plan Administrator”) Employee Savings, Profit Sharing and Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees of the Company. Employees are eligible to participate in the Plan, regardless of age. In order to be eligible to receive the Company matching contributions, qualified Safe Harbor and discretionary non-elective contributions, and supplemental non-elective contributions, employees must have completed one year of service, and complete 1,000 hours of service within that year. The Retirement Committee is responsible for oversight of the general administration of the Plan. Reliance Trust is the Trustee and ADP Retirement Services is the record-keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) Contributions

Under the provisions of the Plan, subject to Internal Revenue Service (“IRS”) limitations, employees who participate in the Plan may contribute up to 99% of their compensation each payroll period on a pre-tax basis and up to an additional 10% of their compensation on an after-tax basis. However, the total contribution may not exceed 99% of compensation. Participants may also contribute amounts representing distributions from other qualified plans.

For the year ended December 31, 2023, the IRS contribution limit was \$22,500 with a \$7,500 catch-up provision for participants age 50 or above.

The Plan provides for automatic enrollment and an annual auto-escalation of deferrals. Company employees will be deemed to have made an election to defer 6% of their compensation commencing with the first payroll following thirty days of employment, or as soon as administratively feasible. Employees who are deemed to have made an automatic enrollment election and have not actively changed this election will have their election auto-escalate annually at a rate of 1%, not to exceed 10% on a year over year basis. All employees are given notice regarding this enrollment feature and may elect a different deferral election or make no deferral at that time.

Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers 30 mutual funds, one of which is a collective investment trust, as well as a personal access fund, which is an investment option that enables participants to set up their own brokerage account, with all related brokerage fees incurred by the participant, through a third party brokerage service. The Plan also offers the common stock of Independent Bank Corp., the parent company of the Plan Sponsor, as an investment option for the participants.

Under the Plan, the Company will contribute the following:

- 1) Matching contributions equal to 25% of the amount of the employee deferral (less any catch up contributions), up to the first 6% of the employee's qualified compensation (subject to IRS limitations). Company matching contributions to the Plan are made each pay period, therefore, a participant must be actively employed and making a pre-tax employee deferral during that pay period in order to share in the matching contribution.
- 2) Non-elective contributions for each participant include a 3% Safe Harbor contribution and a 2% discretionary contribution of qualified compensation. Company non-elective contributions to the

Plan are made each pay period, therefore, a participant must be actively employed and receiving eligible compensation during that pay period in order to share in the non-elective contribution.

- 3) Supplemental non-elective contributions equal to 5% of the amount by which an employee's eligible compensation exceeds the Social Security wage base (an amount published each year by the Social Security Administration, and indexed for inflation). For 2023, the Social Security wage base was \$160,200. The supplemental non-elective contribution is also subject to certain other limits imposed by the Internal Revenue Code ("IRC"). Company supplemental non-elective contributions to the Plan are made each pay period, when applicable, therefore, a participant must be actively employed and receiving eligible compensation during that pay period in order to share in the supplemental non-elective contribution.
 - 4) Additional discretionary contributions may be made for employees that are actively employed on the last day of the Plan year. In addition, those participants whose employment terminated during the year because of retirement under the Company's retirement plan or because of disability, death or for any reason after the attainment of age 65 shall share in the discretionary contribution. The additional discretionary contribution is allocated to the individual accounts of qualifying participants in the ratio that each qualifying participant's compensation for the Plan year bears to the total compensation of all qualifying participants. There were no additional discretionary contributions made in 2023 or 2022.
 - 5) Qualified non-elective contributions can be made on behalf of each non-highly compensated participant. The Company may make a qualified non-elective contribution equal to a uniform percentage of compensation, which percentage will be determined each year by the employer. Participants must complete a year of service during the Plan year and be actively employed on the last day of the Plan year to share in this qualified non-elective contribution. There were no qualified non-elective contributions made in 2023 or 2022.
- (a) ***Participant Accounts***
Each participant's account is credited with the participant's contribution and allocations of (i) the Company's contributions and (ii) Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (b) ***Vesting***
Participants are immediately vested in all contributions plus actual earnings thereon.
- (c) ***Loans to Participants***
Participants may borrow from their fund accounts a minimum loan amount of \$500 up to a maximum of \$50,000 (reduced by the highest outstanding loan balance in the previous 12 months or 50% of the participant's vested Contribution Account Balance, as defined by the Plan's Loan Policy, whichever is less). No more than four loans per participant may be outstanding. The loans are secured by the vested balance in the participant's account and bear interest at rates that range from 3.25% to 9.25%, as determined by the Plan Administrator, which are commensurate with local prevailing rates. Loans must be repaid within five years; however, loans for the purchase of a primary residence may be repaid over a longer period, as determined by the Plan Administrator. Loans made to participants are presented as "Notes receivable from participants" within the Statement of Net Assets Available for Benefits.

(d) *Payment of Benefits*

Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's interest in his or her account in a lump-sum distribution (rollover treatment, if eligible), or installment payments over a period of not more than the employee's assumed life expectancy. However, if the employee's vested benefits under the Plan do not exceed \$5,000, the benefit will be distributed in a single lump-sum distribution (rollover treatment required by the IRS if timely notice is not received from the employee). Certain participants, when they have attained age 59 1/2 and are actively working, may elect a pre-retirement distribution in the form of an in-service withdrawal.

At the discretion of the Plan Administrator, in the event of extreme financial hardship as defined in applicable IRC, a participant may withdraw some or all of their vested balances subject to applicable penalties.

Distribution of benefits attributable to investments other than those attributable to the Independent Bank Corp. common stock will be in the form of cash. Distribution of benefits attributable to the Independent Bank Corp. common stock will be in the form of cash, Independent Bank Corp. common stock, or both, at the participant's discretion.

(e) *Dividend Reinvestment and Voting Rights*

Dividends paid on investments in Independent Bank Corp. common stock within the Plan will be paid to the Plan and allocated to participant accounts and may be distributed in cash no later than 90 days after the close of the Plan year in which they were paid, or may be reinvested in Independent Bank Corp. common stock. Dividends reinvested may participate in the Company's 2014 Dividend Reinvestment and Stock Purchase Plan which may allow up to a 5% discount of dividends reinvested in Independent Bank Corp. common stock.

Participants (or beneficiaries), as holders of Independent Bank Corp. common stock, will direct Reliance Trust Company, the Plan Trustee, as to the manner in which the voting rights are to be exercised for all Independent Bank Corp. common stock held as part of the Plan assets.

(f) *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and all amounts credited to participants' accounts will continue to be 100% vested. The distribution of the accounts will be done as soon as practicable in a manner permitted by the Plan.

(2) Summary of Significant Accounting Policies

(a) *Basis of Accounting*

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

(b) *Use of Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplemental schedule. Actual results could differ from those estimates.

(c) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the

measurement date (i.e. an exit price). See Note 3 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's realized gains or losses on investments sold, as well as unrealized gain or loss on investments held during the year.

(d) *Notes Receivable From Participants*

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022, respectively. If a participant ceases to make loan repayments for a period of time, in accordance with the Plan, the loan will be deemed distributed. Upon distribution, the participant loan balance is reduced and a benefit payment is recorded. Deemed distributed loans totaled \$298,992 and \$281,369 at December 31, 2023 and 2022, respectively.

(e) *Benefits Paid*

Benefits are recorded upon distribution.

(f) *Administrative Expenses*

Administrative expenses including investment related fees are paid directly by the Plan and are reflected in the Plan's Statements of Changes in Net Assets Available for Benefits. In addition, included within the Plan's net investment income, in the accompanying Statement of Changes in Net Assets Available for Benefits, are certain investment related expenses included in the unrealized appreciation/(depreciation) of fair value of investments.

(3) Fair Value Measurements

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that the Plan believes market participants would use in pricing the asset or liability at the measurement date. If there has been a significant decrease in the volume and level of activity for the asset or liability, regardless of the valuation technique(s) used, the objective of a fair value measurement remains the same. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction (that is, not a forced liquidation or distressed sale) between market participants at the measurement date under current market conditions. The Plan uses prices and inputs that are current as of the measurement date, including during periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many instruments. This condition could cause an instrument to be reclassified from one level to another.

The Fair Value Measurements and Disclosures Topic of the FASB ASC defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Fair Value Measurements and Disclosures Topic of the FASB ASC are described below:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 — Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 — Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation Techniques

Mutual Funds

These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts

Investments in collective investment trusts are valued at the NAV as determined by using estimated fair value of the underlying assets held in the fund. NAV is used as a practical expedient for fair value. The NAV is provided by the investment manager of the trust.

Common Stock

Independent Bank Corp. common stock and common stock held in participant-directed brokerage accounts are stated at fair value as quoted on a recognized securities exchange and are valued at the last reported sales price on the last business day of the Plan year.

Personal Access Fund

The personal access fund is comprised of investments in mutual funds, including exchange traded funds "ETF", common stocks, and cash and cash equivalents. Investment balances in the personal access fund are presented within the "Self-directed brokerage account" on the Statement of Net Assets Available for Benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value, on a recurring basis, as of December 31, 2023 and 2022:

Fair Value Measurements at Reporting Date Using				
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total investments, at fair value	\$223,331,088	\$ 210,232,674	\$ —	\$ —

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(b) This category includes common collective trusts (CCTs), for which the collective investment and reinvestment of assets contributed from employee benefit plans are maintained by more than one plan. The objective of the common collective trust funds is to provide investment results that correspond to the total return performance of its underlying securities. There are no unfunded commitments and no significant withdrawal restrictions.

The Plan has no assets that are measured on a nonrecurring basis as of December 31, 2023 and 2022.

There were no transfers between the Levels of the fair value hierarchy for any assets measured at fair value for the years ended December 31, 2023 and 2022. In addition, there were no Level 3 investments held during the years ended December 31, 2023 and 2022.

(4) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of total assets per the audited financial statements to the Form 5500 at December 31, 2023 and 2022:

Rockland Trust Company Employee Savings, Profit Sharing and Stock Ownership Plan
Notes to Financial Statements
December 31, 2023

	2023	2022

Less: deemed distributed loans (1)	(298,992)	(281,369)
Total net assets per the Form 5500, Schedule H, Part 1 (line 1(l))	<u>\$ 269,958,602</u>	<u>\$ 227,930,599</u>

The following is a reconciliation of benefit payments per the audited financial statements to the Form 5500:

	2023	2022
Benefit payments per the audited financial statements	\$ 17,685,664	\$ 15,099,718
Plus: deemed distributed loans	97,999	199,544
Less: payments of deemed distributed loans including interest (1)	(80,375)	(69,374)
Less: forfeitures (2)	—	(2,527)
Benefits paid to participants per the Form 5500	<u>\$ 17,703,288</u>	<u>\$ 15,227,361</u>

- (1) In the financial statements of the Plan, delinquent loans remain as assets of the Plan. However, for the Form 5500 reporting purposes delinquent loans are removed from Plan assets and reported as a benefit paid to a participant.
- (2) Forfeitures shown in table above are related to stale dated checks issued to participants.

(5) Risks and Uncertainties

The variety of investment options are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

(6) Related Party and Parties-in-Interest Transactions

Investments in shares of the common stock of Independent Bank Corp., the parent company of the Company, qualify as related party transactions. Transactions with respect to participant loans also qualify as party-in-interest transactions.

(7) Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated September 13, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code), and, therefore, the related trust is tax-exempt. Subsequent to this determination by the IRS, the Plan was restated and amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code, and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name:

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a			
4b			
4c			
4d			
4e			
4f			
4g			
4h			
4i			
4j			
4k			
4l			
4m			
4n			

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
