Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Associated Anesthesiologists, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In their report dated March 8, 2024, they indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASSOCIATED ANESTHESIOLOGISTS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Associated Anesthesiologists, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all employees of Associated Anesthesiologist, Inc., AAI Management, PLLC, and OSH AAI, PLLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is administered by the Company, whereby employees of the Company serve as the Administrative Committee of the Plan. The Trust Company of Oklahoma (Trust Company or TCO) serves as the trustee and record keeper of the Plan.

Eligibility

Employees are eligible to participate in the Plan on their date of hire. There is no minimum age or service requirements for employee deferrals or traditional safe harbor employer contributions. Employees are eligible to receive discretionary employer contributions if they have completed one year of service. A year of service is defined as a consecutive 12-month period during which the employee has 1,000 hours or more of service. In order to receive employer discretionary contributions, a participant must be employed on the last day of the Plan year. The entry date for discretionary employer contributions is the first day of the 1st and 7th month of the Plan year.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. The Plan also allows participants to designate contributions as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows the Company to make qualified non-elective discretionary contributions and traditional safe harbor non-elective contributions of 3%. Additional profit sharing amounts may be contributed at the option of the Company's board of directors.

The combined total of employee and employer contributions cannot exceed the lesser of \$66,000 during 2023 and \$61,000 during 2022, or 100% of the participant's annual compensation.

ASSOCIATED ANESTHESIOLOGISTS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Vesting

Participants are immediately vested in their own contributions and employer safe harbor contributions plus or minus any earnings or losses thereon. Vesting of employer contributions is based upon years of service. Participants vest at the rate of 20% per year of service, beginning with the second year, until fully vested after six years. Participants automatically become 100% vested upon death or termination of employment due to becoming disabled.

Participants who terminate for any other reason are entitled to the vested amount of their account.

Forfeited Accounts

Forfeitures of employer contributions due to participant withdrawals prior to being 100% vested are used to reduce employer's contributions or can be used to pay plan administrative fees. Forfeitures used for company contributions were approximately \$72,109 and \$31,047 in 2023 and 2022, respectively. The Plan had forfeitures available of \$0 and \$0 at December 31, 2023 and 2022, respectively, to be used to reduce future company contributions.

Participant Accounts

Upon enrollment in the Plan, a participant may direct deferrals and employer contributions in any of the funds offered by the Plan. Additionally, participants may choose to enroll in self-directed brokerage accounts. Each participant's account is credited with the participant's contributions and Company's contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percentage point, as defined.

Payment of Benefits

When benefits become due, distributions are automatically made in a lump sum unless the participant requests payment in the form of installment payments.

Hardship Withdrawals

The Plan provides for participant withdrawals in the event of financial hardship. Financial hardships include the participant's purchase, construction, or repair of a primary residence,

ASSOCIATED ANESTHESIOLOGISTS, INC. 401(K) PROFIT SHARING PLAN

including damage that qualifies for a casualty loss deduction, certain educational or medical expenses, payments for funeral or burial expenses for specified deceased members of the participant's family, to prevent eviction or mortgage foreclosure related to the participant's principal residence, and to pay for expenses incurred on account of a federally declared disaster. Hardship withdrawals must be approved by the Plan Administrative Committee. Hardship withdrawals may only be made once per plan year.

Administrative Expenses

Administrative expenses incurred in connection with the Plan are paid through the Plan assets, except to the extent the expenses are paid (or reimbursed) by the Employer.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES AND USE OF ESTIMATES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value or NAV. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year. Investments traded in over-the-counter market and listed securities for which no sale was reported on the last day of the plan year are valued at the last reported bid price. The Trust Company lifestyle model and target retirement funds, and the Putnam Stable Value fund are valued at the net asset value of shares held by the Plan. Cash is stated at cost, which approximates fair value. All employer and employee contributions are invested under the direction of the participant.

Interest and dividends are recorded on the accrual basis.

Gains and losses resulting from the sale of investments are differences between the average cost of specific investments sold and proceeds received. Transactions are recorded on the settlement date basis.

Payments of Benefits

Benefits are recorded when paid.

ASSOCIATED ANESTHESIOLOGISTS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements as of December 31, 2023 or 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE C - TRUSTEE CERTIFICATIONS

The plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by The Trust Company of Oklahoma, the trustee, as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

The information certified by the trustee was the annual report and accounting as of December 31, 2023 and 2022, and for the year ended December 31, 2023, which includes beginning and ending balances of investments, notes receivable from participants, net changes in fair value of investments, dividends and interest, interest income on notes receivable from participants, and the schedule of assets (held at end of year).

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10-50-2 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10-50-2 are described below:

Basis of Fair Value Measurements

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2023 AND 2022

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023 and 2022. As required by FASB ASC 820-10-50-2, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts that are presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (continued)
DECEMBER 31, 2023 AND 2022

The following tables summarize investments for which fair value is based on NAV per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>Investments</u>	<u>Fair Value 12/31/2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Investments measured at NAV	\$ 14,167	N/A	Immediate	None

Investments measured at NAV	\$ 20,592,986	N/A	Immediate	None

NOTE E - TAX STATUS

The Plan has adopted a volume submitter plan. The Plan has received an opinion letter dated November 30, 2020 from the Internal Revenue Service as to the Plan's qualified status. The volume submitter plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the opinion letter, the plan administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate participation in the Plan at any time subject to the provisions of ERISA. In the event of full or partial termination of the Plan, the participants will become fully vested in the Company's contributions to their account.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

ASSOCIATED ANESTHESIOLOGISTS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

NOTE H - RELATED-PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Trust Company. Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The transactions are covered by an exemption from the “prohibited transaction” provisions of ERISA and the Code.

NOTE I - SUBSEQUENT EVENTS

The Company has evaluated subsequent events and their related disclosures through October 7, 2024, which coincides with the financial statement issuance date and identified no such events.
