Plan Administrative Committee and Participants of the
Hart InterCivic, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hart InterCivic, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HART INTERCIVIC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Hart InterCivic, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hart InterCivic, Inc. (the Company). The Plan became effective May 1, 1999, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Significant plan provisions are summarized below.

Eligibility

Employees are eligible to participate in the Plan on the date of employment. Under the enrollment provisions of the Plan, eligible employees are allowed to enter the Plan on the exact day of completion of eligibility requirements. The Plan also provides for an automatic enrollment of the employee when eligible unless they opt out.

Contributions

Participants are allowed to make voluntary salary deferral contributions to the Plan subject to limitations imposed by the Internal Revenue Service (IRS). The Company may make discretionary contributions to the Plan of amounts determined and authorized by the Company's Board of Directors up to the maximum amounts permitted by the IRS. The Company also makes safe harbor contributions into the Plan at 3% of the employee salary. In accordance with the plan requirements, forfeitures are used as employer discretionary contributions. Participants direct investment allocation of all contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and company contribution, if any. Plan earnings are allocated based on a daily valuation of each participant's individual investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - *Continued*

Vesting Provisions

Participants are immediately vested in their contributions, the Company's safe harbor contributions, and earnings thereon. The Company's discretionary contributions vest according to a graduated schedule over four years.

Participant Loans

Participants are allowed to borrow a maximum amount of 50 percent of the participant's vested account balance up to \$50,000. Loans are amortized over a maximum of 60 months, unless the purpose of the loan is for the purchase of the principal residence of the participant, in which case the loan may be repaid over a reasonable period of time that may be longer than 60 months to a maximum of 120 months. Repayment is made through payroll deductions with equal installments made each pay period. The loans are collateralized by the vested balance in the participant's account, not to exceed 50 percent of the vested balance, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of Benefits

Upon termination of service, participants or their beneficiaries are eligible for distribution of their vested benefits, or upon reaching the normal retirement date, which is 65 years of age, participants will be entitled to 100 percent of account balance.

Participant Hardship Withdrawals

Under certain conditions of financial hardship, a participant may withdraw all or any portion of their contributions during employment. Financial hardship expenses include deductible medical expenses, funds for the purchase of a principal residence, tuition and related educational expenses for a participant, spouse or dependents, and funds to prevent eviction or mortgage foreclosure on a principal residence. Once a participant receives a hardship withdrawal, their contributions will be suspended for six months.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE A - DESCRIPTION OF PLAN - *Continued*

Plan Termination - Continued

In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments

In accordance with Accounting Standard Codification (ASC) 820, *Fair Value Measurements*, issued by the Financial Accounting Standards Board (FASB), the Plan's investments are reported at fair value. FASB ASC 820 establishes a framework for measuring fair value. Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net loss or gain on pooled separate accounts include realized and unrealized gains and losses.

Distributions

Distributions to participants are recorded by the Plan when actual payment is made. Distributions not paid, as of the end of the plan year, are included in investments in the Statements of Net Assets Available for Benefits.

Expenses

Generally, all plan expenses are paid by participants of the Plan or by the Plan, itself. The plan sponsor may, at its discretion, pay any such expenses.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator and management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedule. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *Continued*

Fair Value Measurements

The Plan follows ASC 820, issued by the FASB. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <p style="margin-left: 40px;">Quoted prices for similar assets or liabilities in active markets;</p> <p style="margin-left: 40px;">Quoted prices for identical or similar assets or liabilities in active markets;</p> <p style="margin-left: 40px;">Inputs other than quoted prices that are observable for the asset or liability;</p> <p style="margin-left: 40px;">Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</p> <p style="margin-left: 40px;">If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Common collective trust accounts and mutual funds: Valued at net asset value (NAV) of shares held at the end of the year and considered to be within Level 2 of the fair value hierarchy.

Subsequent Events

Management of the Plan has evaluated subsequent events through the date of the independent auditors' report, the date the financial statements were available to be issued.

NOTE C - CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

As permitted by the rules and regulations of the Department of Labor with respect to reporting and disclosure under ERISA, Voya Retirement Insurance and Annuity Company has certified to the Plan Administrator that the investments and participant loans, together with all other transactions which affect plan assets, are complete and accurate.

The Plan's investments and participant loans are held by Voya Retirement Insurance and Annuity Company. Investments are presented at fair value as determined by the trustees. Participant loans are measured at their unpaid balances plus accrued but unpaid interest. The Plan's assets, as reported by the trustees at December 31, 2023 and 2022, are summarized as follows:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Pooled separate accounts	\$ 10,650,195	\$ 8,518,711

Interest on participant loans	5,800	2,792
	<u>\$ 2,408,069</u>	<u>\$ (2,943,917)</u>
Total investment income (loss)		

NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan offers plan participants the option to invest in a guaranteed interest contract with an insurance company. The insurance company maintains an unallocated fund to which it adds interest. Withdrawals are permitted at any time without penalty and the contract has been determined to be fully benefit responsive as defined in FASB ASC 962. The investment is reported at contract value on the Statements of Net Assets Available for Benefits.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2023 and 2022, the Plan paid various service providers administrative, accounting, and consulting fees of \$46,059 and \$45,407, respectively.

NOTE F - FORFEITURES

Forfeitures result from non-vested benefit payments remaining in the Plan for terminated employees. Forfeitures are available to offset employer contributions. For the years ended December 31, 2023 and 2022, there were no forfeitures used. As of December 31, 2023 and 2022, there were no forfeitures available for use.

HART INTERCIVIC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE G - INCOME TAX STATUS

The Plan is a qualified plan under IRS Code Section 401(a) and is not required to apply for a determination letter. The Plan obtains its reliance on an opinion letter, which has been approved by the IRS. The Plan Administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Plan Administrative Committee and Participants of the
Hart InterCivic, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hart InterCivic, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HART INTERCIVIC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Hart InterCivic, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hart InterCivic, Inc. (the Company). The Plan became effective May 1, 1999, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Significant plan provisions are summarized below.

Eligibility

Employees are eligible to participate in the Plan on the date of employment. Under the enrollment provisions of the Plan, eligible employees are allowed to enter the Plan on the exact day of completion of eligibility requirements. The Plan also provides for an automatic enrollment of the employee when eligible unless they opt out.

Contributions

Participants are allowed to make voluntary salary deferral contributions to the Plan subject to limitations imposed by the Internal Revenue Service (IRS). The Company may make discretionary contributions to the Plan of amounts determined and authorized by the Company's Board of Directors up to the maximum amounts permitted by the IRS. The Company also makes safe harbor contributions into the Plan at 3% of the employee salary. In accordance with the plan requirements, forfeitures are used as employer discretionary contributions. Participants direct investment allocation of all contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and company contribution, if any. Plan earnings are allocated based on a daily valuation of each participant's individual investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - *Continued*

Vesting Provisions

Participants are immediately vested in their contributions, the Company's safe harbor contributions, and earnings thereon. The Company's discretionary contributions vest according to a graduated schedule over four years.

Participant Loans

Participants are allowed to borrow a maximum amount of 50 percent of the participant's vested account balance up to \$50,000. Loans are amortized over a maximum of 60 months, unless the purpose of the loan is for the purchase of the principal residence of the participant, in which case the loan may be repaid over a reasonable period of time that may be longer than 60 months to a maximum of 120 months. Repayment is made through payroll deductions with equal installments made each pay period. The loans are collateralized by the vested balance in the participant's account, not to exceed 50 percent of the vested balance, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of Benefits

Upon termination of service, participants or their beneficiaries are eligible for distribution of their vested benefits, or upon reaching the normal retirement date, which is 65 years of age, participants will be entitled to 100 percent of account balance.

Participant Hardship Withdrawals

Under certain conditions of financial hardship, a participant may withdraw all or any portion of their contributions during employment. Financial hardship expenses include deductible medical expenses, funds for the purchase of a principal residence, tuition and related educational expenses for a participant, spouse or dependents, and funds to prevent eviction or mortgage foreclosure on a principal residence. Once a participant receives a hardship withdrawal, their contributions will be suspended for six months.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE A - DESCRIPTION OF PLAN - *Continued*

Plan Termination - Continued

In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments

In accordance with Accounting Standard Codification (ASC) 820, *Fair Value Measurements*, issued by the Financial Accounting Standards Board (FASB), the Plan's investments are reported at fair value. FASB ASC 820 establishes a framework for measuring fair value. Purchases and sales of securities are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Net loss or gain on pooled separate accounts include realized and unrealized gains and losses.

Distributions

Distributions to participants are recorded by the Plan when actual payment is made. Distributions not paid, as of the end of the plan year, are included in investments in the Statements of Net Assets Available for Benefits.

Expenses

Generally, all plan expenses are paid by participants of the Plan or by the Plan, itself. The plan sponsor may, at its discretion, pay any such expenses.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator and management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedule. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - *Continued*

Fair Value Measurements

The Plan follows ASC 820, issued by the FASB. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <p style="margin-left: 40px;">Quoted prices for similar assets or liabilities in active markets;</p> <p style="margin-left: 40px;">Quoted prices for identical or similar assets or liabilities in active markets;</p> <p style="margin-left: 40px;">Inputs other than quoted prices that are observable for the asset or liability;</p> <p style="margin-left: 40px;">Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</p> <p style="margin-left: 40px;">If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Common collective trust accounts and mutual funds: Valued at net asset value (NAV) of shares held at the end of the year and considered to be within Level 2 of the fair value hierarchy.

Subsequent Events

Management of the Plan has evaluated subsequent events through the date of the independent auditors' report, the date the financial statements were available to be issued.

NOTE C - CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

As permitted by the rules and regulations of the Department of Labor with respect to reporting and disclosure under ERISA, Voya Retirement Insurance and Annuity Company has certified to the Plan Administrator that the investments and participant loans, together with all other transactions which affect plan assets, are complete and accurate.

The Plan's investments and participant loans are held by Voya Retirement Insurance and Annuity Company. Investments are presented at fair value as determined by the trustees. Participant loans are measured at their unpaid balances plus accrued but unpaid interest. The Plan's assets, as reported by the trustees at December 31, 2023 and 2022, are summarized as follows:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Pooled separate accounts	\$ 10,650,195	\$ 8,518,711

Net gain (loss) on pooled separate accounts	2,340,712	(3,049,791)
Interest on participant loans	5,800	2,792
	<u>\$ 2,408,069</u>	<u>\$ (2,943,917)</u>
Total investment income (loss)		

NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan offers plan participants the option to invest in a guaranteed interest contract with an insurance company. The insurance company maintains an unallocated fund to which it adds interest. Withdrawals are permitted at any time without penalty and the contract has been determined to be fully benefit responsive as defined in FASB ASC 962. The investment is reported at contract value on the Statements of Net Assets Available for Benefits.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2023 and 2022, the Plan paid various service providers administrative, accounting, and consulting fees of \$46,059 and \$45,407, respectively.

NOTE F - FORFEITURES

Forfeitures result from non-vested benefit payments remaining in the Plan for terminated employees. Forfeitures are available to offset employer contributions. For the years ended December 31, 2023 and 2022, there were no forfeitures used. As of December 31, 2023 and 2022, there were no forfeitures available for use.

HART INTERCIVIC, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE G - INCOME TAX STATUS

The Plan is a qualified plan under IRS Code Section 401(a) and is not required to apply for a determination letter. The Plan obtains its reliance on an opinion letter, which has been approved by the IRS. The Plan Administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.
