INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
TotalEnergies Finance USA, Inc. Employee Savings Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TotalEnergies Finance USA, Inc. Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOTALENERGIES FINANCE USA, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

TotalEnergies Finance USA, Inc. Employee Savings Plan (the Plan) is a defined contribution plan in which all employees of TotalEnergies Finance USA, Inc. and its affiliates are eligible to participate. The Plan was originally effective January 1, 1995 and was most recently amended and restated effective January 1, 2020. Effective September 1, 2021, TOTAL Finance USA, Inc. changed their name to TotalEnergies Finance USA, Inc. and the plan was amended to change the Plan name to TotalEnergies Finance USA, Inc. Employees Savings Plan. The Plan covers substantially all non-represented employees of the following companies (collectively, the Company):

- TotalEnergies Finance USA, Inc.
- Atlantic Trading & Marketing, Inc.
- TotalEnergies E&P Americas, LLC
- Novogy, Inc.
- TotalEnergies E&P Barnett USA, LLC
- TotalEnergies E&P USA, Inc.
- TotalEnergies Gas & Power North America, Inc.
- TotalEnergies New Ventures USA
- TotalEnergies Renewable Fuels USA, Inc.
- TotalEnergies American Services, Inc.
- TotalEnergies Petroleum Puerto Rico Corp.
- TotalEnergies Petrochemicals & Refining USA, Inc.
- TotalEnergies Marketing USA, Inc.
- TotalEnergies USA International, LLC
- TotalEnergies Washington, DC Representative Office LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan qualifies under the provisions of Section 401(a) of the Internal Revenue Code of 1986 (the Code), as amended. The Plan is administered by the Company and advised by a committee whose members are appointed by the Company's Board of Directors (the Administrative Committee). The Company's Board of Directors has appointed an Investment Committee to oversee the investment funds in the Plan. The assets of the Plan are held and invested by Fidelity Management Trust Company (Fidelity or Trustee) who also serves as the Plan's trustee. Significant provisions are summarized below. Participants should refer to the plan document for a complete description of the Plan's provisions.

Eligible Employee: All eligible employees, including regular, full-time employees as well as temporary and part-time employees, of the Company and related employers are eligible to participate in the Plan on their date of hire. Participants will enter the Plan on the first day of the month after satisfying the Plan's eligibility requirements.

An eligible employee, other than a part-time employee or a temporary employee, is eligible to participate in the Plan for purposes of Matching Contributions beginning as soon as administratively practicable after he becomes an eligible employee. An eligible employee who is a part-time employee or a temporary employee is eligible to participate in the Plan for purposes of matching contributions beginning as soon as administratively practicable after the later to occur of (1) the date on which he becomes an eligible employee or (2) the date on which he completes one year of eligibility service.

TOTALENERGIES FINANCE USA, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Eligible Union Employee: For purposes of eligibility to receive allocations of non-contributory contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement between the Company and United Steel, Paper and Forestry, Rubber Manufacturing, Energy, Allied Industrial and Service Workers International Union, A.F.L. C.I.O., CLC, International Brotherhood of Electrical Workers A.F.L.-C.I.O. (Amdel employee), or other eligible employee who is included in a unit of employees covered by a collective bargaining agreement that expressly provides for eligibility to receive allocations of non-contributory contributions who is eligible to receive allocations of non-contributory contributions; provided, however, that an employee will not be an eligible union employee if he is eligible to participate in the TotalEnergies Finance USA, Inc. Pension Plan, the TotalEnergies Finance USA, Inc. Cash Balance Pension Plan or any other defined benefit plan of the Company, or an affiliate that is intended to satisfy the qualification requirements of Section 401(a) of the Code.

An eligible union employee, other than a part-time employee or a temporary employee, will become eligible to receive an allocation of non-contributory contributions as of the first payroll period beginning on or after the date on which he becomes an eligible union employee. An eligible union employee who is a part-time employee or a temporary employee is eligible to participate in the Plan for purposes of non-contributory contributions beginning as of the first payroll period after the later to occur of (1) the date on which he becomes a union eligible employee or (2) the date on which he completes one year of eligibility service.

Contributions: Participants may contribute from 1% to 75% of eligible compensation, as defined in the amended and restated plan document. The sum of a participant's Roth 401(k) contribution percentage election, before-tax contribution percentage election, and after-tax contribution percentage election may not exceed 75% of the participant's eligible compensation per pay period for the period to which the election relates. The Plan has implemented an automatic enrollment for new participants. Eligible employees are automatically enrolled in the Plan to contribute 6% of their eligible compensation in the form of a before-tax contribution. The participant may opt out of the automatic enrollment. If they do not opt out, their 6% contributions will be withheld and invested in the age-appropriate Target Date Fund unless or until they redirect their contributions.

The Company makes a matching contribution of up to 6% of the employee's eligible compensation, with the exception of non-union TOTAL USVI participants (an eligible employee employed in connection with the Total USVI Division of Total Petroleum Puerto Rico Corp). For non-union TOTAL USVI participants who are eligible to participate in the Plan for purposes of matching contributions during a Plan year, the Company will make matching contributions of up to 7% of the employee's eligible compensation.

A matching contribution made on account of a participant's before-tax contribution or after-tax contribution will not be contributed before the participant's performance of services with respect to which the before-tax contribution or after-tax contribution is made, or when the cash would be currently available to the participant, if earlier. An employee has no right to receive a matching contribution with respect to an excess deferral, excess 401(k) contributions or excess aggregate 401(m) contribution, a catch-up before tax contribution or a Roth catch-up contribution. Accordingly, any matching contribution that is made with respect to an excess deferral, an excess 401(k) contribution, an excess aggregate 401(m) contribution, a catch-up before-tax contribution or a Roth catch-up contribution, and earnings thereon, shall be forfeited.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

For each payroll period during which an eligible union employee is eligible to participate in the Plan for purposes of non-contributory contributions during a plan year, the Company will make a non-contributory contribution on behalf of such eligible employee in an amount determined as a percentage of the eligible participant's compensation for each such payroll period in accordance with the following table:

<u>Years of Non-Contributory Contribution Service</u>	<u>Percentage of Compensation</u>
Less than 5	5.00%
5 years but less than 10 years	6.00%
10 years but less than 15 years	7.00%
15 years but less than 20 years	7.50%
20 years or more	8.00%

Employee and Company contributions, as described, are subject to various limitations imposed by the Code. Under the terms of the Plan, employee pre-tax contributions are limited to amounts provided under Sections 402(g) of the Code.

Participants who are age 50 or older before the close of the Plan year may elect to make a catch-up contribution, subject to certain limitations under the Code. The Company does not match employee catch-up contributions.

Eligible participants may also elect to rollover distributions from a former employer's qualified retirement plan or from a conduit IRA into the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings and losses, and (c) forfeitures of employer profit sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Investment Options: Participants may allocate their contributions (in multiples of 1%) and those of the Company among multiple mutual funds, a money market fund, and certain common/collective trust funds. Employees may change their contribution allocation between investment options for future contributions and transfer prior contributions and associated earnings between investment options subject to certain restrictions set forth in the Plan.

Vesting: Participants shall at all times have a fully nonforfeitable interest in their participant elective deferral contribution accounts. Vesting in the employer matching contributions of eligible employees is based on a five-year vesting schedule, with participants becoming 100% vested after five years of service.

TOTALENERGIES FINANCE USA, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting in the non-contributory contribution accounts of eligible union employees is based on a three-year vesting schedule, with participants becoming 100% vested after three years of non-contributory service. For purposes of determining an eligible union employee's nonforfeitable interest in their non-contributory contributions, the eligible union employee shall receive credit for one year of non-contributory contribution service. A year of non-contributory services means each period of 365 days of service (whether or not consecutive) beginning on the date an eligible union employee is first credited with an hour of employment (or is again credited with an hour of employment following his reemployment) and ending on the earliest of the date on which an eligible union employee quits, retires, is discharged or dies, or the first anniversary of the date on which the employee is absent from service with an affiliate for any other reason, such as vacation, holiday, sickness, disability, or leave of absence. An eligible union employee will receive credit for a fractional year of non-contributory contribution service but will not receive credit for service disregarded.

Payment of Benefits: Distributions are made in a lump sum or installment payments as elected by the participant after termination of employment. The Plan requires automatic distribution of participant accounts less than \$5,000 upon termination with the participant's consent. In the event the distribution is greater than \$1,000 but less than or equal to \$5,000 and the participant has failed to make a distribution election, their account balance shall be distributed by the Plan in a direct rollover to an IRA for the benefit of the participant designated by the Administrative Committee. Accounts less than \$1,000 will be distributed directly to participants upon termination.

A participant, while employed, is allowed to make withdrawals from his or her Company or employee contribution accounts (as allowed under Internal Revenue Service (IRS) regulations) subject to certain restrictions as described in the Plan. Certain restrictions associated with withdrawals for contributions made to the Plan through December 31, 2007 may be waived in the event a participant demonstrates financial hardship. Contributions made to the Plan after January 1, 2008 are not eligible for hardship and disability withdrawals.

Notes Receivable from Participants: Participants are allowed to obtain loans from the Plan secured by the pledge of the participant's account balance. Loans are to be greater than \$1,000 and may not exceed the lesser of \$50,000, less the participant's highest outstanding loan balance during the preceding 12 months, or 50% of the participant's vested account balance in the Plan. New loans bear interest at prime rate plus one percentage point. Home loans can be repaid at terms up to 15 years; other loans have terms of five years.

Forfeitures: When a participant terminates employment, he or she is entitled to withdraw his or her total vested account balance. A participant's nonvested percentage of the Company's matching contribution shall become a forfeiture upon a participant's termination of employment for reasons other than retirement, death, or permanent disability. Forfeitures are retained in the Plan and may be used to pay administrative expenses and to reduce future Company contributions payable under the Plan.

Plan Termination: The Company's Board of Director's may elect to terminate the Plan or completely discontinue contributions under the Plan for any reason at any time. Upon the termination or partial termination of the Plan, or complete discontinuance of contributions under the Plan, the affected participants shall have fully nonforfeitable interest in their account balances. In the event of the complete termination of the Plan, the participants' accounts shall be distributed to such persons or otherwise for their benefit or continued in trust for their benefit.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 9, 2024, which is the date the financial statements were available to be issued. Effective January 1, 2024, the Plan was amended to update the definition of considered compensation.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit, and risks arising from the effect of global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(Continued)

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Money Market Fund: Fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer (Level 1 inputs).

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust Funds: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trust funds provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan held investments managed by Fidelity Management Trust Company. Certain professional fees for the administration and audit of the Plan were paid by the Company. Various administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. During 2023, the Plan paid administrative fees to various service providers including an investment advisor and the Plan's recordkeeper. These reflect party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated February 23, 2018 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
