INDEPENDENT AUDITOR'S REPORT

October 9, 2024

To the Participants and Plan Administrator of
the GRIPA Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of GRIPA Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GRIPA Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GRIPA Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GRIPA Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GRIPA Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter – Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Compiled 2022 Financial Statement

Plan management is responsible for the accompany financial statement of the GRIPA Retirement Plan, which comprises the statement of net assets available for benefits as of December 31, 2022 and the related notes to the financial statement in accordance with accounting principals generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on this financial statement.

GRIPA RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 (Audited) AND 2022 (Compiled)

1. PLAN DESCRIPTION

The following description of the GRIPA Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan covering substantially all employees of Greater Rochester Independent Practice Association Inc. (the Company) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan sponsor. Principal Life Insurance Company and Principal Global Investors Trust Company, collectively referred to as, Principal Financial Group (Principal), is the custodian of the Plan and also provides recordkeeping and administrative services for the Plan. Two members of management serve as the trustees of the Plan.

Eligibility

All employees of the Company are eligible to participate in the Plan. Employees of the Company become eligible for Plan participation and to receive employer contributions upon completion of 1,000 hours of service in a twelve month period beginning on the employee's date of hire.

Contributions

The Plan allows participants to contribute up to 100% of their pretax annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$7,500 and \$6,500 during 2023 and 2022, respectively. Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

The Company's matching contributions are discretionary and are determined by Plan management. The matching contributions are based on a percentage up to 100% of each participant's elective deferral up to a maximum of 4% of the participant's eligible compensation. During 2023 and 2022, the Company made matching contributions equal to 50% of each participant's elective deferral up to 4% of the participant's eligible compensation. During 2023, the Company made matching contributions in the amount of \$130,231.

The Company may also make discretionary profit sharing contributions on behalf of the participants at the election of the Company. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Company. During 2023, the Company made no discretionary profit sharing contributions to the Plan.

1. PLAN DESCRIPTION (Continued)

Contributions (Continued)

In addition, the Company has elected a safe harbor provision and will make qualified nonelective contributions equal to 3.5% of each participant's compensation each pay period. During 2023, the Company made qualified nonelective contributions in the amount of \$277,878.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and actual earnings and losses thereon. Allocations of Plan earnings, forfeitures, and Plan expenses are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elected deferral contributions, discretionary profit sharing contributions and qualified nonelective contributions plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. Principal and interest is paid ratably through payroll deductions for a period not to exceed five years. Notes receivable are secured by the participant's account. The interest rate is based on rates available for similar loans from commercial lending institutions. The Plan allows for participants to be granted one loan during any one-year period and have up to five loans outstanding at one time.

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in either a lump-sum amount, or direct rollover into an individual retirement account or another qualified plan. Vested account balances of \$5,000 or less are paid as lump sum distributions or rollover distributions as soon as administratively possible. Distributions due to termination or disability may be deferred until the participant retires if the value of their account exceeds \$5,000.

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's elective deferral contribution account balance, under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses

Plan expenses primarily consist of recordkeeping fees. Certain expenses of maintaining the Plan are paid directly by the Company. Participant accounts are charged fees for processing loans and benefit payments. Certain fees may be paid by the Plan through reduction of investment income and netted against net appreciation in fair value of investments.

1. PLAN DESCRIPTION (Continued)

Delinquent Contributions

As disclosed in the accompanying supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, certain employee deferrals were not remitted to the Plan within the required timeframe in the amount of \$118,975. All employee contributions have been remitted to the Plan as of December 31, 2023 and the Company is in the process of finalizing lost earnings in the amount of \$225 as of the date of the financial statements.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are reported at fair value as reported by the custodian. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The net appreciation in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions in accordance with the terms of the Plan document. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Principal as of and for the years ended December 31:

	<u>2023</u> (Audited)	<u>2022</u> (Compiled)
Investments, at fair value	\$ <u>11,792,244</u>	\$ <u>9,526,194</u>
Investment income	\$ <u>1,767,635</u>	
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan measures its fair value investments using the net asset value practical expedient. As such, the fair value hierarchy disclosures are not required. There has been no change in methodology used at December 31, 2023.

The following is a description of the valuation methodologies used for assets measured at fair value:

Investments measured at NAV: Common collective trust funds and pooled separate accounts are valued at the NAV of units of the respective collective trust or pooled separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying investments held by the respective collective trust or pooled separate account.

Investments in Entities that Calculate Net Asset Value

The Plan is invested in common collective trust funds and pooled separate accounts that calculate net asset value on a daily basis.

The Plan's investments in common collective trust funds are invested in a collective trust fund as well as separate accounts and mutual funds. The net asset value of these investments is derived from the market value of the underlying investments. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on observable inputs. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The Plan's investments in pooled separate accounts are invested in domestic stocks and mutual funds. The net asset value of these investments is derived from the market value of the underlying investments. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on observable inputs. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Principal serves as the custodian of the Plan's investment assets. Consequently, transactions between Principal, the Company and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan is based on an Internal Revenue Service (IRS) standardized pre-approved profit sharing plan provided by Principal Life Insurance Company. The IRS has determined, by the letter dated June 30, 2020, that the written form of the underlying standardized pre-approved profit sharing plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available agree between the financial statements and Form 5500 in total as of December 31, 2023 and December 31, 2022 and for the year ended December 31, 2023, respectively, certain classifications differ between the financial statements and Form 5500.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2024, which is the date the financial statements were available to be issued.
