First International Title, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of First International Title, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as

fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule entitled "Schedule H, line 4i – schedule of assets (held at end of year)" as of December 31, 2023 on pages 12 & 13 is presented for purposes of additional analysis and is not a

required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST INTERNATIONAL TITLE, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the First International Title, Inc. 401(k) Plan (the “Plan”), effective January 1, 2013, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Quality Research Services, Inc. (“Sponsor”) who have six months of service and are at least twenty-one years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2022, one of the Plan’s two sponsors, First International Title, Inc. (“FIT”) was acquired by Acrisure. Effective October 1, 2022, FIT was no longer making contributions to the Plan and in November 2023 the participant account balances aggregating \$6,121,376 were rolled over to a plan sponsored by Acrisure. The transfer is included in the accompanying statement of changes in net assets available for benefits as a decrease in net assets account *Transfer of net assets to related party plan*.

Funding Policy - Each year, participants may contribute up to the maximum percentage allowable, not to exceed the limits of code sections 401(k), 402(g), 404 and 415, as defined in the Plan document into a traditional and/or Roth account. Participants direct their account balance into various investments offered by the Plan and may also contribute amounts representing distributions from other qualified defined benefit or contribution plan rollovers. The employer matches 50% of contributions up to 4% of participants’ compensation. During the year ended December 31, 2023, employer contributions were \$13,652, consisting of amounts contributed by the Sponsor of \$11,510 and applied forfeitures of \$2,142.

Participant Accounts and Vesting

Each participant’s account is credited with the participant’s contribution, the sponsor’s contribution, and plan earnings. Plan earnings are credited to the participants’ accounts based on the performance of the investments selected by each participant. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Sponsor contributions vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

FIRST INTERNATIONAL TITLE, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
Years Ended December 31, 2023 and 2022

Note 1 - Description of Plan -- continued

A year of vesting service is at least 1,000 hours. All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Activity in the forfeiture account for the year ended December 31, 2023 is as follows:

Balance January 1, 2023	\$ 38,555
Forfeitures for the year ended December 31, 2023	9,113
Investment earnings applied in 2023	980
Forfeitures applied to 2023 employer match	(2,142)
Forfeitures transferred to related party (note 1)	<u>(12,534)</u>
Balance December 31, 2023	<u>\$ 33,972</u>

Forfeitures are used by the Sponsor to offset administrative expenses or reduce future matching contributions to the Plan.

Plan Termination

The Sponsor can discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, each participating employee shall become 100% vested in the Plan, and the assets shall be allocated among participating employees and beneficiaries in proportion to the employees' respective account balances.

Payment of Benefits

Participants' vested account balances are payable upon retirement, disability, death, and approved hardship either (1) in a lump-sum amount equal to the value of the account balance, (2) in installment payments over a period of not more than the assumed life expectancy of the participant and beneficiary, if any, (3) by an account balance transfer to an individual retirement account or other qualified plan, or (4) any combination of the foregoing. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bears an interest rate ranging from 4.25% to 9.5% per annum, which is commensurate with local prevailing interest rates at the time of the loan as determined by the plan administrator. Principal and interest is paid ratably through regular payroll deductions. At December 31, 2023 and 2022, loans collateralized by participant accounts amounted to \$37,141 and \$149,380, respectively and interest income of \$6,568 was recognized on these loans during 2023.

Administrative Expenses

The compensation or fees of consultants, accountants, counsel and other specialists, as well as any other cost of administering the Plan, will be paid by the Plan unless paid by the Sponsor, at its discretion. All administrative expenses other than fees associated with investments for the year ended December 31, 2023 were paid by the Sponsor.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting using Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 105-10, *FASB Codification* (the “Codification”). The Codification is the single source of authoritative U.S. generally accepted accounting principles (GAAP).

ASU 2010-25 “*Reporting Loans to Participants by Defined Contribution Pension Plans*” requires that participant loans be classified as participant notes receivable which are to be segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income from participant loans was \$6,568 for the year ended December 31, 2023.

Investment Valuation and Income Recognition

Investments are reported at fair value. As described in note 4, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In accordance with the policy of stating investments at fair value, the Plan presents in the statement of changes in net assets available for plan benefits, the net appreciation (depreciation) in the fair value of investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles,

FIRST INTERNATIONAL TITLE, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
Years Ended December 31, 2023 and 2022

Note 2 - Summary of Accounting Policies - continued

requires management to make estimates and assumptions that affect the reported amounts and disclosures of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investment options in various mutual funds and an investment contract with an insurance company. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Tax Status

The Sponsor has established, and intends to maintain, the Plan as a qualified plan under IRC Section 401 which provides for exemptions from federal income taxation. According to the Plan's latest determination letter, the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Company, as Plan Sponsor, has indicated that it will take the necessary steps to maintain the Plan's qualified status.

Note 3 – Certified Investments and Notes Receivable from Participants

Information disclosed in the accompany financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company the custodian.

Note 4 – Fair Value Measurement

In accordance with the accounting standards for fair value measurements for those assets and liabilities that are measured at fair value on a recurring basis, the Plan has categorized its applicable financial instruments into required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices on active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

FIRST INTERNATIONAL TITLE, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
Years Ended December 31, 2023 and 2022

Note 4 – Fair Value Measurement - continued

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs based on quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.

Level 2 – Inputs based on quoted prices in markets that are not active or model inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability, such as quoted prices for similar assets or liabilities in active markets.

Level 3 – Unobservable inputs for the asset or liability including the reporting entity's own assumptions in determining the fair value measurement.

The following table summarizes the Plan's assets measured at fair value on a recurring basis:

	<u>2023</u>	<u>2022</u>
Mutual funds (Level 1)	\$ 639,234	\$ 6,170,018
Collective investment fund (Level 1)	<u>57,435</u>	<u>212,071</u>
Total	<u>\$ 696,669</u>	<u>\$ 6,382,089</u>

Mutual funds and collective investment fund are Level 1 investments valued at the net asset value of shares held by the Plan at year-end, which represents quoted prices in an active market.

Note 5 – Party-in-Interest and Prohibited Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries and trustees or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Therefore investments issued by and fees paid to Reliance Trust, the trustee and custodian and participant loan activity are considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 8 – Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated all subsequent events requiring recognition and disclosure in the financial statements through October 4, 2024, the date the financial statements were available to be issued. The Plan has determined that there are no material events that would require recognition or disclosure in the financial statements.
