INDEPENDENT AUDITORS' REPORT

Board of Directors, Plan Trustees, and
Plan Administrator of
the American Bancorporation, Inc.,
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the American Bancorporation, Inc., 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AMERICAN BANCORPORATION, INC.,
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) DESCRIPTION OF THE PLAN

The following description of the American Bancorporation, Inc., 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. Fidelity Management Trust Company (“Fidelity”) is the active trustee of the Plan.

General and Eligibility

The Plan is a defined contribution plan covering substantially all employees of American Bancorporation, Inc. (the “Company”). Effective October 11, 2021, the Plan was restated to incorporate legislative, regulatory, and administrative updates. Employees who are age 18 or over are immediately eligible to participate in the Plan, with the exception of nonresident aliens and collectively bargained employees. Employees are eligible for employer matching and discretionary contributions after completing 1 year of service. Part-time employees must maintain 1,000 hours of service per year to be eligible for employer matching and discretionary contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan provides an employer safe harbor matching contribution. Under the safe harbor provision, participants are immediately vested in the Company’s matching contributions. The safe harbor provision also eliminates the Internal Revenue Service (IRS) requirement for certain annual nondiscrimination testing.

The Plan also allows participants the option of making Roth 401(k) after-tax contributions. The total pre-tax and Roth after-tax contributions may not exceed statutory limits on 401(k) contributions.

Contributions

Upon eligibility, employees are automatically enrolled into the Plan with a 3% deferral percentage, unless the employee signs a waiver to decline enrollment. The Plan has an automatic participant deferral increase feature whereby participants with a deferral percentage greater than zero will have their deferral percentage increased by 1% until a rate of 8% is reached (5% prior to May 1, 2023), unless another deferral percentage is selected. Participants may defer up to 90% of their eligible compensation.

Each year, participants may contribute up to the statutory limits of pretax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company, under safe harbor, matches 100% of the first 5% of a participant’s eligible contribution. The maximum annual Company contribution is 5% of participant compensation. Contributions are subject to certain limitations. In addition, the Company may make an additional discretionary employer contribution to participant’s who are employed on the last day of the plan year and have 1,000 hours of service. During the years ended December 31, 2023 and 2022, no additional discretionary employer contribution was made.

See Independent Auditors’ Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) **DESCRIPTION OF THE PLAN, CONTINUED**

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, plan earnings, plan expenses, and forfeitures of terminated participants' nonvested accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Participants are 100% vested in the Company's safe harbor matching and qualified non-elective contributions.

Notes Receivable from Participants

Participants may borrow against their account balance a minimum of \$1,000 or up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. A maximum of two loans may be outstanding. The loans are secured by the balance in the participant's account and are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deduction and credited to the participant's account. Upon termination, retirement, or death, the participant (or beneficiary, as applicable) has the option to pay off the outstanding loan balance. If the participant or beneficiary elects not to pay off the loan, the outstanding loan balance is converted to a distribution.

Investment Options

Participants may direct their contributions and the Company's contributions among various investment options offered through the Plan's trustee. Participants may change their investment options at any time. Investments are reviewed by the 401(k) committee on a semiannual basis, and the results of these reviews are made available to the Plan's participants for their information.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant (or beneficiary, as applicable) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a rollover into another qualified retirement plan. Additionally, participants who have attained the age 59 ½ may take in-service withdrawals. Upon termination, the Plan provides for automatic distributions for account balances less than \$5,000. Automatic distributions above \$1,000 made without the participant's consent are rolled over to an individual retirement account designated by the plan administrator. As of December 31, 2023 and 2022, there was approximately \$2,730,827 and \$3,106,000, respectively, of deferred vested benefits unpaid to participants who have terminated service with the Company.

As of December 31, 2023 and 2022, there were no significant unpaid vested benefits to participants who had requested withdrawal of his/her account.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) **DESCRIPTION OF THE PLAN, CONTINUED**

Plan Termination

The Company reserves the right to terminate the Plan at any time subject to the Plan's provisions. In the event of termination of the Plan, all employees affected by the termination will become 100% vested in their account balances, unless the Plan is replaced by a comparable plan. Upon such termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or the participant's beneficiary at the time prescribed by the Plan's terms and the Internal Revenue Code (the "Code"). The Company has no intentions of terminating the Plan at this time.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. However, such officers and employees receive no compensation from the Plan for these functions. The Company pays for all of the Plan's administrative expenses other than loan and investment fees.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 4 for a discussion of fair value measurements.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan agreement.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through October 9, 2024, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

(3) INVESTMENTS

The Plan's investments at fair value consisted of the following at December 31:

	<u>2023</u>	<u>2022</u>
Interest-bearing cash (money market account)	\$ 3,276,842	1,976,954
Registered investment companies	17,260,411	16,313,194
Common/collective trust	<u>189,026</u>	<u>175,488</u>
	<u>\$ 20,726,279</u>	<u>18,465,636</u>

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(4) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(4) FAIR VALUE MEASUREMENTS, CONTINUED

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Interest-Bearing Cash (Money Market Account)

The fair value of the money market account is based on quoted prices in active markets for identical investments.

Registered Investment Companies

Shares of registered investment companies are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

Common/Collective Trust

The fair value of the common/collective trust is based on the NAV per unit as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding. At both December 31, 2023 and 2022, the underlying investments in the common/collective trust (FA Stable Value Fund III) consisted of nonconvertible corporate bonds, U.S. government and government agency obligations, asset-backed securities, collateralized mortgage obligations, commercial mortgage securities, and other various investments, including fully benefit responsive insurance contracts. The various other investments represent less than 1% of the FA Stable Value Fund III. As such, fair value is used rather than contract value for the FA Stable Value Fund III. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

(4) **FAIR VALUE MEASUREMENTS, CONTINUED**

The following table sets forth additional disclosures of the Plan's investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. The redemption notice period for the common/collective trust is applicable only in the event the Plan completely terminates the investment fund. The notice period is not applicable to plan participants.

(5) **INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by Fidelity.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2023 and 2022.
- Notes receivable from participants as shown in the statements of net assets available for plan benefits as of December 31, 2023 and 2022.
- Investment activity (net appreciation (depreciation) in fair value of investments, interest, and dividends) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for plan benefits for the years ended December 31, 2023 and 2022.
- Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

See Independent Auditors' Report.

(6) TRANSACTIONS WITH PARTIES-IN-INTEREST AND RELATED-PARTIES

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services. The Company does not expect to be reimbursed from the Plan for services or fees paid by the Company on behalf of the Plan.

Certain plan investments are managed by the Plan's trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations, except participant loan related fees which are paid by participants' accounts.

(7) TAX STATUS

The Plan is a pre-approved plan offered by Fidelity, the trustee of the Plan. The IRS has determined and informed the trustee by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.
