In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Slalom, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Slalom, Inc. 401(k) Plan 's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Slalom, Inc. 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Slalom, Inc. 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

Effective January 1, 1996, Slalom, LLC (Company) adopted the Slalom, LLC 401(k) Plan (Plan). On January 1, 2023, Slalom LLC, a Colorado limited liability company, converted to Slalom, Inc., a Delaware corporation. The new name of the company is Slalom, Inc. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all U.S. employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - The Plan is administered by the Company (Administrator). Fidelity Management Trust Company (FMTTC) is the Trustee of the Plan's assets.

Eligibility – Employees who attained the age of eighteen are eligible to participate. The Plan includes an automatic enrollment feature whereby new employees are automatically enrolled in the Plan as of their hire date at a 3% contribution rate of eligible compensation, unless the employee elects otherwise. In order to be eligible for matching contributions, participants must have completed one year of service or meet other limited criteria. Compensation for the first year of eligible Plan participation is based upon eligible compensation for the portion of the year in which the employee is eligible to participate.

Contributions – Participants may elect to contribute up to 90% of their compensation, within statutory limits, to the Plan. Employee deferrals are paid to the Plan on a biweekly basis and are placed in participants' directed investments. The contribution match is a rate of 100% of a participant's eligible compensation up to the first 4% of compensation contributed for match-eligible participants. Additionally, 100% of the Company match occurs each bi-weekly pay period.

Employer contributions receivable at December 31, 2023 consists of \$1,079,867 matching employer contributions true-up. The contributions receivable at December 31, 2022 consists of \$4,368,269 annual matching employer contributions and \$6,613,091 matching employer contributions true-up.

Participants may also contribute amounts representing distributions from other qualified plans upon employment with the Company.

Vesting - Participants are immediately vested in employee and employer contributions plus actual earnings thereon.

Participant Accounts – Individual participant accounts are maintained by FMTTC. Each participant's account is credited or charged with the participant's contributions and allocations of employer matching contributions and investment earnings and losses. Allocations are based on participant compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the vested balance in the participant's account.

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 – continued

Investment Options – The Plan’s assets are held by FMTC. Participants direct employee and employer contributions and account balances among various investment options comprised of mutual funds, common collective funds, a stable value fund, and a self-directed brokerage account. The self-directed brokerage account option gives participants the choice to invest in a variety of mutual funds.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account. The loan interest rate is set at 1% above the prime rate, in effect on the loan date. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of Benefits - On termination of service due to death, disability, retirement or other termination of employment, a participant may elect to receive a lump-sum amount equal to the value of their vested account.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Forfeitures - At December 31, 2023 and 2022, forfeited accounts totaled \$(16,653) and \$(20,913) respectively. Forfeitures are used to reduce the Company’s future contributions to the Plan.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the assets of the Plan will be distributed to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies used by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Income Recognition - Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 – continued

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Regulatory Matters- In 2019, Congress passed the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act to help individuals better prepare for retirement which included various provisions, including an increase in the Minimum Required Distribution (“MRD”) age from age 70 ½ to age 72. On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law. The Consolidated Appropriations Act contained several provisions referred to as the SECURE 2.0 Act of 2022 (“Secure 2.0 Act”) that contained required and optional provisions aimed at improving retirement-saving opportunities with effective dates varying across the provisions. Effective January 1, 2023, the required minimum distribution age was increased from 72 to 73 in connection with SECURE 2.0 legislation and the Plan will be amended as required by the Secure 2.0 Act within the required dates as outlined therein. There was no significant impact to the Plan in the year ended December 31, 2023.

NOTE 3 - TAX STATUS

The Plan operates under provisions of a prototype plan which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. The Administrator believes that the Plan and related trust are designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Generally accepted accounting principles (GAAP) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has concluded that as of December 31, 2023, the Plan has not taken any uncertain tax positions that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress and tax years prior to 2019 are no longer subject to audit.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4 – continued

- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

Mutual funds are classified as Level 1. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The stable value fund is a New York Life pooled separate account and is valued using the net asset value (NAV) of units held by the Plan at year end as provided by FMTC. There are no unfunded commitments to this fund. Participant transactions may occur daily and are transacted at NAV. Certain employer-initiated events may result in a restriction in trading and/or adjustment to NAV.

The Common/Collective Trusts (CCTs) are valued at the NAV of the units held by the Plan which are based on the quoted market prices of the underlying securities of the funds. The unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The CCTs provided for daily redemptions by the Plan at reported NAV, with no advance requirements. There are no unfunded commitments to this fund.

The NAV is used as a practical expedient to estimate fair value of the stable value fund and CCTs. This practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

December 31, 2023				
	Level 1	Level 2	Level 3	Total

NOTE 5 - INFORMATION CERTIFIED BY TRUSTEE

Following is a summary of the unaudited information included in the financial statements, which was prepared by FMTC and furnished to the Administrator along with certification that such information is complete and accurate.

1. Value of investments as of December 31, 2023 and 2022.
2. Investment income earned for the year ended December 31, 2023.
3. Notes receivable from participants as of December 31, 2023 and 2022.
4. Interest income on notes receivable from participants for the year ended December 31, 2023.

NOTE 6 - PARTY IN INTEREST

FMTC acts as custodian and trustee for certain investments of the Plan. Fidelity or one of its affiliates manages BrokerageLink, as well as certain plan investments in mutual funds. Therefore, these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

On January 1, 2024, the Plan was amended to include the required provisions of the Secure 2.0 Act of 2022, which are effective for plan years beginning after December 31, 2023. We do not expect any significant impact to the Plan in the year ending December 31, 2024.

The Plan's Administrator has evaluated subsequent events for possible recognition or disclosure in the financial statements through October 9, 2024, which is the date the financial statements were available to be issued.

FINANCIAL STATEMENTS AND
SUPPLEMENTAL SCHEDULE
DECEMBER 31, 2023 AND 2022

Independent Auditor's Report

To the Fiduciary Committee
Slalom, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Slalom, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Slalom, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Slalom, Inc. 401(k) Plan 's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Slalom, Inc. 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Slalom, Inc. 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

Effective January 1, 1996, Slalom, LLC (Company) adopted the Slalom, LLC 401(k) Plan (Plan). On January 1, 2023, Slalom LLC, a Colorado limited liability company, converted to Slalom, Inc., a Delaware corporation. The new name of the company is Slalom, Inc. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all U.S. employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - The Plan is administered by the Company (Administrator). Fidelity Management Trust Company (FMTTC) is the Trustee of the Plan's assets.

Eligibility – Employees who attained the age of eighteen are eligible to participate. The Plan includes an automatic enrollment feature whereby new employees are automatically enrolled in the Plan as of their hire date at a 3% contribution rate of eligible compensation, unless the employee elects otherwise. In order to be eligible for matching contributions, participants must have completed one year of service or meet other limited criteria. Compensation for the first year of eligible Plan participation is based upon eligible compensation for the portion of the year in which the employee is eligible to participate.

Contributions – Participants may elect to contribute up to 90% of their compensation, within statutory limits, to the Plan. Employee deferrals are paid to the Plan on a biweekly basis and are placed in participants' directed investments. The contribution match is a rate of 100% of a participant's eligible compensation up to the first 4% of compensation contributed for match-eligible participants. Additionally, 100% of the Company match occurs each bi-weekly pay period.

Employer contributions receivable at December 31, 2023 consists of \$1,079,867 matching employer contributions true-up. The contributions receivable at December 31, 2022 consists of \$4,368,269 annual matching employer contributions and \$6,613,091 matching employer contributions true-up.

Participants may also contribute amounts representing distributions from other qualified plans upon employment with the Company.

Vesting - Participants are immediately vested in employee and employer contributions plus actual earnings thereon.

Participant Accounts – Individual participant accounts are maintained by FMTTC. Each participant's account is credited or charged with the participant's contributions and allocations of employer matching contributions and investment earnings and losses. Allocations are based on participant compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the vested balance in the participant's account.

NOTES TO FINANCIAL STATEMENTS

Note 1 – continued

Investment Options – The Plan’s assets are held by FMTC. Participants direct employee and employer contributions and account balances among various investment options comprised of mutual funds, common collective funds, a stable value fund, and a self-directed brokerage account. The self-directed brokerage account option gives participants the choice to invest in a variety of mutual funds.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account. The loan interest rate is set at 1% above the prime rate, in effect on the loan date. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of Benefits - On termination of service due to death, disability, retirement or other termination of employment, a participant may elect to receive a lump-sum amount equal to the value of their vested account.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Forfeitures - At December 31, 2023 and 2022, forfeited accounts totaled \$(16,653) and \$(20,913) respectively. Forfeitures are used to reduce the Company’s future contributions to the Plan.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the assets of the Plan will be distributed to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies used by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Income Recognition - Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 – continued

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Regulatory Matters- In 2019, Congress passed the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act to help individuals better prepare for retirement which included various provisions, including an increase in the Minimum Required Distribution (“MRD”) age from age 70 ½ to age 72. On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law. The Consolidated Appropriations Act contained several provisions referred to as the SECURE 2.0 Act of 2022 (“Secure 2.0 Act”) that contained required and optional provisions aimed at improving retirement-saving opportunities with effective dates varying across the provisions. Effective January 1, 2023, the required minimum distribution age was increased from 72 to 73 in connection with SECURE 2.0 legislation and the Plan will be amended as required by the Secure 2.0 Act within the required dates as outlined therein. There was no significant impact to the Plan in the year ended December 31, 2023.

NOTE 3 - TAX STATUS

The Plan operates under provisions of a prototype plan which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. The Administrator believes that the Plan and related trust are designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Generally accepted accounting principles (GAAP) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has concluded that as of December 31, 2023, the Plan has not taken any uncertain tax positions that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress and tax years prior to 2019 are no longer subject to audit.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;

SLALOM, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4 – continued

- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

Mutual funds are classified as Level 1. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The stable value fund is a New York Life pooled separate account and is valued using the net asset value (NAV) of units held by the Plan at year end as provided by FMTC. There are no unfunded commitments to this fund. Participant transactions may occur daily and are transacted at NAV. Certain employer-initiated events may result in a restriction in trading and/or adjustment to NAV.

The Common/Collective Trusts (CCTs) are valued at the NAV of the units held by the Plan which are based on the quoted market prices of the underlying securities of the funds. The unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The CCTs provided for daily redemptions by the Plan at reported NAV, with no advance requirements. There are no unfunded commitments to this fund.

The NAV is used as a practical expedient to estimate fair value of the stable value fund and CCTs. This practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

December 31, 2023				
	Level 1	Level 2	Level 3	Total

NOTE 5 - INFORMATION CERTIFIED BY TRUSTEE

Following is a summary of the unaudited information included in the financial statements, which was prepared by FMTC and furnished to the Administrator along with certification that such information is complete and accurate.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

On January 1, 2024, the Plan was amended to include the required provisions of the Secure 2.0 Act of 2022, which are effective for plan years beginning after December 31, 2023. We do not expect any significant impact to the Plan in the year ending December 31, 2024.

The Plan's Administrator has evaluated subsequent events for possible recognition or disclosure in the financial statements through October 9, 2024, which is the date the financial statements were available to be issued.
