To Those Charged with Governance of
EnerSys Delaware Inc. 401(k) Plan

Dear Plan Administrator of EnerSys Delaware Inc. 401(k) Plan,

Thank you for using Baker Tilly US, LLP as your independent auditor.

We have completed an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit, pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, of the financial statements of EnerSys Delaware Inc. 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, and have issued our report thereon dated September 25, 2024. This letter presents communications required by our professional standards.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As communicated in our engagement letter dated Insert engagement letter date, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Other than for the certified investment information, the financial statements and supplemental schedules were audited by us in accordance with GAAS and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Other Information in Documents Containing Audited Financial Statements

We are not aware of any documents prepared by management, other than the Financial Statements including its annexures, which contain our reports on the audited financial statements of EnerSys Delaware Inc. 401(k) Plan. Our responsibility for this information does not extend beyond the financial information identified in the report. We do not have an obligation to perform any procedures to corroborate other information contained in the Financial Statements including its annexures. We have read the Financial statements including its annexures to corroborate the financial information. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of information appearing in the financial statements.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on August 9, 2024.

Significant Findings

Qualitative Aspect of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by EnerSys Delaware Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023.

We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. In addition, we did not identify any significant findings or issues during the audit in connection with the Plan's related parties.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Management's estimate of the fair value of the Plan's investments is based on information provided by the trustee, investment advisers or insurance companies, as applicable. We evaluated the key factors and assumptions management used to develop the fair value estimates pertaining to those investments and determined that such estimates and assumptions are reasonable.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions Identified During the Audit

We identified no significant unusual transactions during the audit.

Difficult, Contentious or Other Matters Encountered During the Audit

We encountered no difficult, contentious, or other matters for which we consulted outside the engagement team that were, in our professional judgment, significant and relevant to those charged with governance regarding the responsibility to oversee the financial reporting process.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements identified as a result of our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report no such disagreements arose over the course of the audit.

Circumstance Affecting the Form and Content of the Auditor's Report

We encountered no circumstances that affect the form and content of the auditor's report. We will issue a standard 103(a)(3) (C) report.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Plan's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Management Representations

We have requested certain representations from management that are included in the management representation letter. You have provided this letter to us as requested.

Independence

We are not aware of any relationships between Baker Tilly US, LLP and the Plan that, in our professional judgment, may reasonably be thought to bear on our independence. Relating to our audit of the financial statements of EnerSys Delaware Inc. 401(k) Plan as of and for the year ended December 31, 2023, Baker Tilly US, LLP hereby confirms in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants, that we, in our professional judgment, are independent with respect to the Plan.

During the year ended December 31, 2023, Baker Tilly US, LLP provided the following services to the Plan:

- Preparation of plan financial statements
- Proposing journal entries affecting the financial statements
- Preparation of the trial balance from certified trust statement(s)

Form 5500

In performing our audit, in accordance with GAAS, we are responsible for obtaining and reading the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. During our audit we obtained and read the draft Form 5500 from management and did not identify any material inconsistencies.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention .

This information is intended solely for the use of Those Charged with Governance and, if appropriate, and management of EnerSys Delaware Inc. 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Dear Baker Tilly US, LLP:

This representation letter is provided in connection with your audits of the financial statements of EnerSys Delaware Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of September 25, 2024, the following representations made to you during your audit:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 30, 2024, for the preparation and fair presentation of the financial statements (including disclosures) in accordance with accounting principles generally accepted in the United States of America.
2. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. All significant assumptions used in making accounting estimates, including those measured at fair value, and material concentrations known to management that are to be disclosed are reasonable and in accordance with U.S. GAAP. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of accounting principles generally accepted in the United States of America.
8. All transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
9. All events subsequent to the date of the financial statements and for which accounting principles generally accepted in the United States of America requires adjustment or disclosure have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and/or disclosed in accordance with accounting principles generally accepted in the United States of America.
11. We have no intentions to terminate the Plan.
12. The financial statements reflect the impact of new accounting standards, if applicable.
13. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or an other lending institution have been properly recorded or disclosed in the financial statements.
14. We have properly reported and disclosed amendments to the plan instrument, if any.
15. We are not aware of any corrected or uncorrected misstatements identified as a result of your audit.

ERISA-Required Supplemental Schedules

1. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Information Provided

1. We have provided you with:
 - a. access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - b. additional information that you have requested from us for the purpose of the audit;
 - c. unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;
 - d. all minutes of the meetings of Retirement Committee for the period from January 1, 2023 to the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared;
 - e. the most current plan instrument for the audit period, including all plan amendments; trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable law;
 - f. a draft of the Form 5500 that is substantially complete.
2. All transactions have been recorded in the accounting records and are reflected in the financial statements.
3. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
4. The Plan or Trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
5. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
6. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. management,
 - b. employees who have significant roles in internal control, or
 - c. others when the fraud could have a material effect on the financial statements.
7. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
8. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.
9. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
10. There are no other matters (for example, breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel have advised us must be disclosed.
11. We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
12. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
13. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
14. All required filings with the appropriate agencies have been made.

15. The Plan (and the Trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor has operated the Plan and Trust or insurance contract in a manner that did not jeopardize this tax status.
16. The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan, other than as indicated in the attached Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. We acknowledge our responsibility to take proper corrective action as required by the DOL.
17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. There are no:
 - a. nonexempt party in interest transactions (as defined in ERISA Section 406–408 and regulations thereunder) that were not disclosed in the supplemental schedules or financial statements.
 - b. investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.

Independent Auditors' Report

To the Plan Administrator of
EnerSys Delaware Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of EnerSys Delaware Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EnerSys Delaware Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following description of the EnerSys Delaware Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective July 1, 1991, as restated January 1, 2021. The Plan follows Section 401(k) safe harbor design which means that the Plan automatically complies with the nondiscrimination requirements of Section 401 of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan's Retirement Committee (the Committee) is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

The Plan is available to all employees of EnerSys Delaware Inc. and its subsidiaries (the Company) not subject to a collective bargaining agreement after completing a 60-day period of service and being credited with at least one hour of service. An employee becomes a participant in the Plan on the first day of the next month coinciding with or next following the date eligibility requirements are met.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the plan document, up to the maximum limits of the IRC. Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. For 2023, this auto-enrollment amount was 6%. The Plan also has an auto-escalation provision, whereby each July a participant's deferral percentage will be increased by 1% automatically, until it reaches 6%. Participants can make a contrary election to not permit the auto-escalation of their deferral percentage.

The Plan allows a safe harbor matching contribution to be 200% on up to 1% of pay deferred by the participant, plus 100% of the next 3% of pay deferred, plus 50% of the next 2% of pay deferred. The Plan provides the Company the option of making a discretionary matching contribution. Any discretionary contribution would be in addition to the safe harbor matching contribution and is limited to 6% of a participant's compensation during the plan year. The Company did not provide discretionary contributions for the year ended December 31, 2023.

In addition, the Company may be required to make certain qualified nonelective contributions (QNEC) in order to ensure the Plan remains compliant with ERISA regulations. The Company made QNEC contributions of \$7,447 for the year ended December 31, 2023 and they are included in employer contributions on the statement of changes in net assets available for benefits.

Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

EnerSys Delaware Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching, any discretionary matching or QNEC contributions (collectively, the Company contributions), and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Effective January 1, 2004, participants are vested immediately in any Company contributions made subsequent to that date. If participants cease participation, other than by retirement, disability or death, the vested interest in any Company contributions made prior to January 1, 2004 are dependent upon the years of credited service, defined as each 12-month period during which they have at least 1,000 hours of service, as follows:

Years of Service	Percentage
	%
Less than 1	0
1	20
2	40
3	60
4	80
5 or more	100

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions. Terms range up to five years or greater for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of lump sum payment. The Plan also allows active participants to take certain periodic, less than lump sum distributions if they meet the requirements in accordance with the plan documents. In addition, the Plan allows for hardship distributions if certain criteria are met. Subsequent to Plan year end the Plan was amended to increase the de minimis amount for automatic distributions to \$7,000 and also the participant the option to rollover the automatic distribution into an IRA, as opposed to receiving lump sum payment.

Notes to Financial Statements

December 31, 2023 and 2022

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$79,146 and \$18,782, respectively. These accounts will be used to pay future administrative expenses of the Plan or to reduce future Company contributions. During the year ended December 31, 2023, forfeitures applied against Company contributions amounted to \$1,086.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

EnerSys Delaware Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Subsequent Events

Subsequent events were evaluated through September 25, 2024, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund: Valued at the quoted net asset value (NAV) of shares held by the Plan at year-end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Total investments at fair value	\$ 342,268,147	\$ -	\$ -	\$ 342,268,147

4. Concentrations

As of December 31, 2023 and 2022, the Plan had investments of \$53,077,420 and \$43,569,625 respectively, that were concentrated in one fund.

5. Information Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower Trust Company, LLC, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

EnerSys Delaware Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

6. Related-Party and Party in Interest Transactions

Certain plan investments are managed by Empower Trust Company, LLC, the Custodian, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

8. Tax Status

The Plan adopted a prototype plan offered by Empower Trust Company, LLC (formerly known as Great-West Trust Company). The prototype plan received an IRS Opinion Letter dated March 31, 2014, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Delinquent Participant Contributions

For the years ended December 31, 2023 and 2022, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions were \$556,449 and \$135,928 in 2023 and 2022, respectively. The Company is in the process of correcting the 2023 delinquent remittances and self-corrected the 2022 delinquent remittances during 2023 by compensating participants for lost earnings resulting from the delay in contributions in the prior year.
