The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Century Linen & Uniform, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Century Linen & Uniform, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Century Linen & Uniform, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Century Linen & Uniform, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Century Linen & Uniform, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **INDEPENDENT AUDITOR'S REPORT**

### **Other Matter - Supplemental Schedule Required by ERISA (Continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# CENTURY LINEN & UNIFORM, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

---

### 1. DESCRIPTION OF PLAN

The following description of the Century Linen & Uniform, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering eligible employees of Century Linen & Uniform, LLC, Century Linen Services, LLC, and Century Linen East, LLC (collectively, the "Company"). Employees are eligible to participate in the Plan after completing six consecutive months of service from the date of employment and attaining the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

Each year, participants may contribute up to 90% of eligible compensation subject to Internal Revenue Code limitations. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants have the option of making after-tax Roth contributions to the Plan. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company may make discretionary matching contributions. During the years ended December 31, 2023 and 2022, the Company made matching contributions equal to 75% of employee contributions up to 5% of each eligible participant's compensation as determined by Plan management. For the years ended December 31, 2023 and 2022, the Company made discretionary matching contributions of \$190,425 and \$131,590, respectively.

In addition, the Company has the option of making additional discretionary contributions. Contributions are subject to certain dollar limitations. The Company did not elect to make discretionary contributions for the years ended December 31, 2023 and 2022.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, along with an allocation of (a) the Company's contributions, and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances in accordance with terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their voluntary contributions, plus actual earnings/(losses) thereon. A participant's vested interest in each of the Company's discretionary contributions, if applicable, is based on a graded ratable vesting schedule beginning after an employee has attained two years of service, with 100% vested after six years of continued credited service.

#### **Investment Options**

The Plan currently offers twenty-eight (28) mutual fund accounts. Upon enrollment in the Plan, a participant may direct contributions to any of the investment options. Participants may change their investment options and transfer funds amongst investments daily.

## **1. DESCRIPTION OF PLAN (Continued)**

### **Notes Receivable from Participants**

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant notes fund. Generally, loan terms range from several months to 5 years. If the loan is used to purchase a primary residence, the loan may be repaid over a reasonable period of time that may be longer than 5 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate of interest plus 1%. Principal and interest are paid ratably through payroll deductions, which cannot be less frequently than quarterly.

### **Payment of Benefits**

On termination of service or separation of service, due to death, disability, or retirement, a participant or their beneficiary will be entitled to receive a distribution of their total vested account balance. The Plan allows for in-service and hardship withdrawals. Benefits will be paid in accordance with terms of the Plan.

### **Forfeitures**

Forfeitures are used to reduce employer contributions or pay Plan expenses. As of December 31, 2023 and 2022, the balance of forfeited nonvested accounts available to be used to reduce future employer contributions was \$22 and \$21, respectively. For the years ended December 31, 2023 and 2022, employer contributions were reduced by \$11,962 and \$10,103 from forfeited nonvested accounts, respectively.

### **Administrative Expenses**

The majority of Plan administrative expenses are paid by the Plan. The primary administrative expenses incurred for 2023 and 2022 were investment advisory/management fees and professional fees.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

### **Notes Receivable from Participants**

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions received from participants.

### **Payment of Benefits**

Benefits to terminated participants are recorded when paid.

### **Financial Instruments Measured at Fair Value**

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds.

#### Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies assets into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at the net asset value of shares held by the Plan at year end based on quoted prices in active markets.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### 3. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

|              | Fair Value<br>Measurements at the End of the<br>Reporting Period Using:       |                                            |                                     | Total        |

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

Schedule I

## **5. PARTY-IN-INTEREST TRANSACTIONS**

The Plan allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have notes receivable to the Plan qualify as party-in-interest transactions.

## **6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

## **7. INCOME TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

## **8. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through September 24, 2024, which is the date the financial statements were available to be issued.
