Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the accompanying financial statements of Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of December 31, 2023, and December 31, 2022, and for the years ended December 31, 2023, and December 31, 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed

in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters- supplemental schedules required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023 (under supplemental information), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by the qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The following description of the Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, effective October 01, 2008, amended and restated on May 20, 2022. The Plan covers all employees of erstwhile Intellihub Solutions and Services Inc., U.S. Recordings Inc., Mortgage Dynamics Inc., and Encora Inc., now reorganized as Indecomm Holdings, Inc. (the Company/ Plan Sponsor), together described as “Indecomm Group” or “the Group”. On July 1, 2019, Indecomm Corporation (“IC”), the erstwhile Parent Company, demerged its mortgage business and transferred the ownership of the Company to Indecomm Business Service Corporation (“IBSC”). Subsequently, the ownership of IBSC was transferred to Indecomm Business Services Holding Limited (“IBSH”). Accordingly, the Parent Company of Indecomm Holdings, Inc. changed from IC to IBSC. Effective March 17, 2021, Milos Automation, Inc., an Affiliate Company of Indecomm Holdings, Inc., became a participating employer in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Employees are eligible to participate in the Plan subject to the age requirements and exclusions mentioned in the Plan document.

Change in custodian.

Effective with the start of the Plan year 2021, the Plan transitioned recordkeeping & directed trustee services to Paychex Retirement Services (Paychex) and Mid Atlantic Trust Company (MATC), respectively. Counsel Trust DBA MATC was appointed as the custodian pursuant to the Plan agreement; these changes were completed by March 17, 2021. The Plan assets were transitioned in-kind to Paychex in May 2021. The Principal Fixed Income Guaranteed Option in the Plan was subject to a 12-month put which expired in June 2022, and the participant account balances in this fund continued to be record kept on the Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (“Principal”) platform until the expiration of the 12-month put. At that point, the Principal Fixed Income Guaranteed Option balance was liquidated and transitioned to the Plan at Paychex. Since the Principal Fixed Income Guaranteed Option is a benefit-responsive investment, the Plan participants have the discretion to request the Principal to liquidate their account balances in the Principal Fixed Income Guaranteed Option and transition the proceeds to the Plan at Paychex at any time.

For the years ended December 31, 2023, and December 31, 2022, MATC served as the custodian of the Plan pursuant to the Plan agreement. MATC served as the directed trustee of the Plan for the year ended December 31, 2023, and December 31, 2022. Principal held the Plan’s Principal Fixed Income Guaranteed Option investment assets and executed investment transactions as of and for the period January 1, 2022, till June 30, 2022, and MATC held the Plan’s rest of the investment assets and executed investment transactions as of and for the year ended December 31, 2022.

Contributions

The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may

Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2023, and December 31, 2022

make pre-tax contributions to the Plan up to 100% of their annual compensation, subject to limitations under the IRC. Participants aged fifty and older are also allowed to make catch-up contributions. Annual participant contribution amounts are limited to \$22,500 and \$20,500 of salary deferrals for the year ended December 31, 2023 (\$30,000 for participants aged 50 years and over), and December 31, 2022 (\$27,000 for participants aged 50 years and over) respectively.

The Company has the option to make a contribution towards the Plan, and such a contribution, if any, is determined by the Company's board of directors and is subject to limitations under the IRC. There are no employer contributions for the year ended December 31, 2023, and December 31, 2022, towards qualified non-elective contributions ("QNEC"). The Plan currently offers various mutual funds and common collective trusts, as investment options for participants. Contributions are automatically invested in a designated balanced fund until changed by the participant.

At the Plan administrator's discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant's account and are subject to the rules for investment established by the Plan administrator.

Participant contributions received during the years ended December 31, 2023, and December 31, 2022, amounted to \$503,869, and \$691,668, respectively.

Administration

Indecomm Holdings Inc. serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Company has engaged a third-party administrator to assist in the administration of the Plan.

An employee of the Group serves as a limited trustee, appointed solely for ensuring timely collection and deposit of employer contributions. All amounts contributed to the Plan are held by the Plan directed trustee and custodians in a qualified trust. The directed trustee is responsible for the safekeeping of the trust funds and must fulfill all directed trustee duties in a prudent manner and in the best interest of the beneficiaries. The trust established on behalf of the Plan is the funding medium used for the accumulation of assets from which Plan benefits are distributed. The custodian receives all contributions made under the Plan, holds plan assets, and pays benefits to participants as directed by the Plan Sponsor. For the years ended December 31, 2023, and December 31, 2022, the Plan administrator engaged Paychex, Inc. as a third-party plan administrator, to assist in the administration of the Plan.

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2023	December 31, 2022
Contract administrator fees	7,301	7,519
Investment advisory and investment management fees	14,739	16,091
Bank or trust company trustee/custodial fees	860	-
Total	22,900	23,610

Participant accounts

Each participant account is credited with pretax, rollover contributions made by the participant, Plan Sponsor contributions, and Plan earnings. Earnings, expenses, and gains and losses on investments are allocated based on

Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2023, and December 31, 2022

participant account balances, as defined in the Plan agreement.

Vesting

Participants are fully vested with respect to their contribution from their salaries. However, participant vesting with respect to contribution made by the Plan Sponsor to their 401(k)-plan account balance is based on years of continuous service during which an employee completes at least 1,000 hours of service with the Company. The vesting percentages are as follows:

Years of vesting service	Vested percentage
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants also become 100% vested upon full or partial termination of the Plan, upon reaching the early retirement age of fifty-nine and half years or upon disability or death of the participant.

Any portion of a participant's account balance attributable to rollover contributions from another qualified plan and employer safe harbor contributions are 100% vested at the time of contribution and not subject to forfeiture.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the custodian.

Notes receivables from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account through a lump sum distribution.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances, may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Financial Statements

December 31, 2023, and December 31, 2022

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the Participant's account, whichever is earlier. The employer may use forfeitures to pay Plan expenses or to reduce employer contributions, in a non-discriminatory manner at the discretion of the Plan administrator, as defined in the plan agreement. There were no forfeitures for the years ended December 31, 2023, and December 31, 2022.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value, except for fully benefit-responsive investment contracts.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in registered investment companies (mutual funds), common/collective trusts, pooled separate accounts, and fixed investment funds. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Net appreciation (depreciation) in the value of investments during the year ended December 31, 2023, and the year ended December 31, 2022, totaled \$683,464 and (\$1,056,658), respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the years ended December 31, 2023, and December 31, 2022, the Plan considered \$NIL and \$7,605, respectively, as deemed distributions.

Investment valuation and income recognition

Investments in mutual funds, common/collective trusts, and pooled separate funds are valued at fair value, wherever applicable, as provided by the custodian. Net appreciation (depreciation) in the value of investment funds represents the change in fair value or contract value, wherever applicable, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2023, and December 31, 2022

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Corrective distributions

During the years ended December 31, 2023, and December 31, 2022, corrective distributions amounted to \$26,569 (which reflect accruals for 2023 paid out in 2024) and \$5,078 (which reflect accruals for 2022 paid out in 2023), respectively.

NOTE 3: INFORMATION CERTIFIED BY MID ATLANTIC TRUST COMPANY AND PRINCIPAL TRUST COMPANY ("QUALIFIED INSTITUTIONS") (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company and Principal Trust Company ("qualified institutions"), except for comparing such information certified by qualified institutions to information included in the Plan's financial statements for the years ended December 31, 2023, and December 31, 2022, and supplemental information as of and for the year ended December 31, 2023.

NOTE 5: FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Indecomm Holdings, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2023, and December 31, 2022

Common/collective trusts: Units held in common/collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Fixed income guaranteed option: The guaranteed investment contract consists of the Principal Fixed Income Guaranteed Option and is reported at contract value which approximates fair value. Contract value represents the aggregation of contributions, plus interest, less withdrawals, if any.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and December 31, 2022:

Description	<u>December 31, 2023</u>

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENTS

The Plan has a fully benefit-responsive guaranteed investment contract ("GIC") with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The GIC does not have specific underlying assets assigned, thus is considered a traditional investment contract. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The GIC is included in the financial statements at contract value, which approximates fair value. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The GIC does have a surrender charge of 5% that may be charged if the Plan terminates its interest in the contract.

The Fixed Income Guaranteed Option is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the guaranteed investment contract at December 31, 2023, and December 31, 2022 was \$NIL and \$NIL, respectively. Under the terms of the existing contract, the crediting interest rate is based on a formula agreed upon with the Issuer. The Principal Fixed Income Guaranteed Option may make available higher guaranteed rates. If these are available and a plan fiduciary chooses to move a plan's interest to a higher guaranteed rate, a charge of 1.50% of the plan's interest applies. If there are multiple higher guaranteed rates available, the 1.50% charge applies to each higher guaranteed rate that the plan fiduciary elects. The 1.50% charge is based on the plan's interest, and therefore, the actual fee, if deducted from participant accounts, may be higher or lower than 1.50%, depending on the plan's interest at the time the plan fiduciary chooses to move to a higher guaranteed rate and the value of each participant's account at the time of the actual movement.

Certain events limit the ability of the Plan to transact at contract value with Principal Life Insurance Company. Such events include the following:

(1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Guaranteed Investment Contract does not permit Principal Life Insurance Company to terminate the agreement prior to the scheduled maturity dates without additional termination charges.

NOTE 8: INCOME TAX STATUS

For the year ended December 31, 2023, and December 31, 2022, the Plan sponsor entered into a non-standardized pre-approved profit-sharing plan adoption agreement of Paychex, Inc. ("Paychex"), *Non-Standardized Pre-Approved Profit-Sharing Plan with CODA*. Paychex received a favorable opinion letter from the Internal Revenue Service (IRS) on August 31, 2020, which stated that the form of the non-standardized pre-approved plan and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). It is the opinion of the Plan trustee and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31,

2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

An employee of the Company serves as a limited trustee of the Plan. The Plan investments are managed by the Mid Atlantic Trust Company ("MATC") and Principal Trust Company ("Principal"), the custodians of the Plan. Any purchases and sales of these investments are performed in the open market at fair or contract value. MATC served as the directed trustee of the Plan for the years ended December 31, 2023, and December 31, 2022. Fees are paid by the Plan to the custodians for investment management services, for certain participant plan transaction fees, and for recordkeeping services. Investment advisory services are provided by LPL Financial, and ERISA Fiduciary Services, Inc. acts as a third-party administrator. Investment advisory fees and some third-party administrator fees were paid by the Plan. Party-in-interest transactions also include loans made to participants.

All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 11: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2023, due to unintentional delays, the Company failed to deposit payroll withholdings amounting to \$5,200 within the time frame deemed to be within DOL regulations for timely remittances. The Company made contributions to the affected participant accounts to compensate those participants by remitting lost earnings during the year 2024, using the DOL guidelines for late deposits.

During the year ended December 31, 2021, due to unintentional delays, the Company failed to deposit payroll withholdings (including loan repayments) amounting to \$370 within the time frame deemed to be within DOL regulations for timely remittances. During the year 2022, the Company made contributions to the affected participant accounts to compensate those participants by remitting lost earnings during the year 2022, using the DOL guidelines for late deposits.

NOTE 12: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2023, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
