Employee Savings Plan

Opinion

We have audited the accompanying financial statements of the Breitling USA, Inc. Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Breitling USA, Inc. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions, referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions represent supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

BREITLING USA, INC.
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of Breitling USA, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Breitling USA, Inc. Employee Savings Plan (the Plan) was originally established February 1, 1993 and was later amended and restated with its provisions effective December 1, 2016. The Plan is a defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended. The following brief description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan covers all employees of Breitling USA, Inc. (the Company). Employees must be 21 years of age and have completed three consecutive months of service to be eligible to participate. The entry date is the first day of the first month the participant meets the eligibility requirements. Breitling USA, Inc. pays the Plan's administrative expenses.

Contributions - Each year, participants may contribute up to 90% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company is required to make an ADP safe harbor matching contribution of 100% of deferrals up to 3% of compensation and 50% of deferrals between 3% and 5% of compensation. The Company may make a contribution to the Plan as a profit sharing contribution to each participant as determined by the Company each year. Contributions are subject to certain IRS limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and contributions from the Company, as well as allocation of Plan earnings. Allocations are based on participant earnings, account balances or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contribution plus actual earning thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100% vested after three years of credited service.

NOTE 1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is specified as the prime rate (as specified in the Wall Street Journal) plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to disability, retirement or termination of employment from the Company, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments and Investment Income Recognition - Investments in mutual funds are carried at fair value as provided by the custodian based on the net asset value of the fund as of the last business day of the year. The investment in the common collective trust is carried at net asset value, based on the fair value of the underlying investments held by the Fund less its liabilities, as determined by the trust as of the last day of the fiscal year. Short-term investments are stated at cost, which approximates fair value.

Purchases and sales are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as loan fees and are expensed when they are incurred.

Participant and Employer Contributions Receivable - Participant and employer contributions due but not paid at year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Payment of Benefits - Benefits are recorded when paid. Related fees are recorded as withdrawal fees and are expensed when they are incurred.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Plan adopted a prototype standardized profit sharing plan document, which received an opinion letter dated June 30, 2020 in which the IRS stated that the plan is designed in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving this opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirement of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 4. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Trustees have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2, or 3.

The following tables set forth by level within the fair value hierarchy, the major categories of the Plan's assets measured at fair value as of December 31, 2023 and 2022:

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 14,043,574	\$ 14,043,574	\$ -	\$ -
Short-term investments	323,802	323,802	-	-
Total assets in the fair value hierarchy	14,367,376	<u>\$ 14,367,376</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	15,802			
Total investments	<u>\$ 14,383,178</u>			

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 11,242,116	\$ 11,242,116	\$ -	\$ -
Short-term investments	296,017	296,017	-	-
Total assets in the fair value hierarchy	11,538,133	<u>\$ 11,538,133</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	5,165			
Total investments	<u>\$ 11,543,298</u>			

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The following tables summarize investments for which fair values are measured using the net asset value (NAV) per share as of December 31, 2023 and 2022:

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust:				
Fidelity Advisor Stable Value Portfolio	<u>\$ 15,802</u>	<u>\$ -</u>	Daily	(a)
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust:				
Fidelity Advisor Stable Value Portfolio	<u>\$ 5,165</u>	<u>\$ -</u>	Daily	(a)

(a) - Withdrawals made in order to accommodate distribution to participants under a Participating Plan, whether in-service or following termination of employment, may be made on any business day. Withdrawals made in order to accommodate a participant-directed exchange to another investment option under a Participating Plan may be made on any business day, provided that the exchange is not directed into a competing fund (money market funds or certain other types of fixed income funds). Transferred amounts must be held in a non-competing investment option for 90 days before subsequent transfers to a competing fund can occur. Withdrawals directed by a Plan Sponsor must be preceded by twelve (12) months written notice to the Trustee; provided, however, that the Trustee may, in its discretion complete any such plan-level withdrawals before the expiration of such twelve (12) month period.

The Trustee may defer completing any participant-directed or non-participant directed withdrawals where doing so immediately might adversely affect the Portfolio. The Trustee shall make the payment(s) available as quickly as cash flows and prudent portfolio management permit.

NOTE 6. PARTY-IN-INTEREST TRANSACTION

Certain plan investments are shares of mutual funds of Fidelity Investments, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Participant loans also qualify as party-in-interest transactions.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8. NONEXEMPT TRANSACTIONS

Breitling USA, Inc failed to remit employee deferrals for participant contributions within the time frame required by the Department of Labor (DOL). By DOL regulation an employer is required to segregate employee contributions from its general assets as soon as practicable in which amounts contributed by employees are withheld from their wages. Any remittances beyond that time are considered to be nonexempt or prohibited transactions by regulation. The total of these transactions totaled \$213,744 and \$139,904 for the years ended December 31, 2023 and December 31, 2022, respectively, and is reported in the attached supplemental schedule of delinquent participant contributions.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 to Form 5500:

	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 14,705,662
Less: Contributions receivable	<u>(44,036)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 14,661,626</u></u>

The following is a reconciliation of contribution income per the financial statements for the year ended December 31, 2023 to Form 5500:

Contribution income per the financial statements	\$ 2,166,809
Less - contributions owed from plan sponsor at end of year	<u>(44,036)</u>
Contribution income per Form 5500	<u><u>\$ 2,122,773</u></u>

NOTE 10. SUBSEQUENT EVENTS

The Board of Trustees and management have evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued, and they have been evaluated in accordance with accounting standards.
