Oregon Beverage Recycling Cooperative 401(k) Plan

MOSSADAMS

Communications with Those Charged with Governance

To the Trustees of
Oregon Beverage Recycling Cooperative 401(k) Plan

We have performed an audit of the financial statements of Oregon Beverage Recycling Cooperative 401(k) Plan (the Plan) as of and for the year ended December 31, 2023, as permitted by Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C). We have issued our report on the financial statements and ERISA-required supplemental schedule dated October 7, 2024.

Management, having determined it is permissible in the circumstances, elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As stated in our engagement letter dated July 18, 2024, we are responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management, with your oversight, are prepared, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Our audit of the financial statements does not relieve you or management of your responsibilities.

Our audit performed as permitted by ERISA Section 103(a)(3)(C) did not extend to the certified investment information prepared and certified to by a qualified institution, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). As part of an audit conducted in accordance with U.S. GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we considered the Plan's internal control solely for the purposes of determining our audit procedures and not to provide assurance concerning such internal control.

We are also responsible for communicating significant matters related to the financial statement audit that, in our professional judgment, are relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Considerations Related to Form 5500 Filing

Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditor's report. The purpose of this procedure is to identify material inconsistencies, if any, with the audited financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely or accurately prepared.

We have read the draft Form 5500, and nothing came to our attention that caused us to believe that such information is materially inconsistent with the financial statements.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter dated July 18, 2024.

Significant Audit Findings and Issues

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted and there were no changes in the application of existing accounting policies during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

We did not note any significant accounting estimates in the financial statements. Significant accounting estimates are not commonly inherent in a defined contribution plan with investments that are readily marketable.

Financial Statement Disclosures

The disclosures in the financial statements are consistent, clear and understandable. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

We did not note any disclosures in the financial statements which we consider sensitive to potential users.

Significant Unusual Transactions

We encountered no significant unusual transactions during our audit of the Plan's financial statements.

Significant Difficulties Encountered in Performing the Audit

Professional standards require us to inform you of any significant difficulties encountered in performing the audit. No significant difficulties were encountered during our audit of the Plan's financial statements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of our audit.

Circumstances that Affect the Form and Content of the Auditor's Report

There may be circumstances in which we would consider it necessary to include additional information in the auditor's report in accordance with U.S. GAAS. There were no circumstances that affected the form and content of the auditor's report.

Uncorrected Misstatements

Professional standards require us to accumulate all factual and judgmental misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements detected during the audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 7, 2024.

Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Significant Audit Findings or Issues

We are required to communicate to you other findings or issues arising from the audit that are, in our professional judgment, significant and relevant to your oversight of the financial reporting process. There are no items to report.

Communication of Internal Control Related Matters

Our responsibility under auditing standards with respect to internal control is described above. Had the scope of our audit not been limited as described on page 1, other matters might have come to our attention that would have been reported to you.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The comments below include references to the Plan sponsor and the Plan's management. The Plan sponsor is defined as the employer responsible for the establishment and maintenance of the Plan; Plan's management are the personnel at the employer who have fiduciary responsibility for the Plan.

During our engagement, the following matters came to our attention that we believe are a control deficiency, however, they do not rise to the level of a significant deficiency or material weakness:

Delinquent Contributions

The Company should review its controls and procedures to ensure employee deferrals are deposited in accordance with Department of Labor (DOL) guidelines.

We noted certain deposits of employee deferrals were not made within DOL guidelines and resulted in prohibited transactions. These delinquent deposits, and any other delinquent deposits not identified in our audit tests, should be corrected for lost participant earnings, and a Form 5330 filed with the Internal Revenue Service for the excise tax. In addition, the Company should monitor compliance with the timely deposit of employee deferrals with the custodian to ensure the Company deposits employee deferrals, via wire transfer, to the Plan custodian within the allowable time period.

The Company should also be aware loan payments that are not deposited in a timely manner are prohibited transactions. The DOL's Advisory Opinion 2002-2A, concluded that participant loan payments paid to or withheld by an employer for purposes of transmittal to the plan become plan assets as of the earliest date on which the repayments can reasonably be segregated from the employer's general assets.

Fiduciary Duty

The Company should establish a Plan Administrative Committee to conduct regular meetings to demonstrate the fulfillment of Plan management's fiduciary responsibilities.

The fiduciary guidelines of ERISA require the named fiduciaries of the Plan carry out due diligence in monitoring and administering Plan operations. We recommend the Company create a Plan Administrative Committee and this committee meet regularly. While it is likely the operations of the Plan are being adequately managed and executed, without documented minutes of meetings held and decisions made by a Plan Administrative Committee, it would be difficult, if not impossible, to demonstrate management's due diligence in this area.

We recommend the Plan Administrative Committee establish procedures for carrying out the above and document the establishment of those procedures in formal minutes. Periodic Plan administrative meetings should include consideration of items such as:

- Review of plan's investment performance
- Selection of investment options
- Creation and monitoring of investment policy
- Evaluation of service providers
- Report from the plan administrator
- Employee complaints or concerns, if known
- Report from investment advisor, if applicable
- Consideration and approval of plan amendments (or recommendation of amendments for the Board of Directors)
- Compliance with ERISA regulations

Review of Third Party SOC 1 Reports

We noted that the Plan's management had not reviewed the System and Organization's Controls Report (SOC 1) reports for their third party service providers, and therefore had not verified that they have controls in place that would prevent or detect misstatements in participant accounts, etc.

We recommend that the Plan's management perform annual reviews of the SOC 1 reports issued by the third-party service providers. Management should ensure no control issues were raised in the SOC 1 reports that cause concern. Reviewing these reports is part of the fiduciary oversight of the Plan.

Use of Forfeitures

We noted that available forfeitures of \$6,943 were not used to reduce the employer contribution or pay Plan expenses as allowed under the Plan document.

We recommend the Plan's sponsor establish procedures for monitoring available forfeitures and suspense account funds to ensure the Company is utilizing them in a timely manner, thereby decreasing the amount of contribution required from the Company or reducing plan expenses.

This communication is intended solely for the use of the Board of Trustees and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
