| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Committee Members and Board of Trustees  
Boswell Engineering, Inc. 401(k) Plan  
South Hackensack, NJ

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Boswell Engineering, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boswell Engineering, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

**Opinion (continued)**

- the information in the financial statements referred to above related to assets held by and certified to by Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company) and by Empower Trust company, LLC (formerly Great-West Trust Company, LLC) (Empower), the trustees/custodians of the Plan, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boswell Engineering, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United State of America. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boswell Engineering, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boswell Engineering, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boswell Engineering, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes (held at end of year) (modified cash basis) (Form 5500 - Schedule H, item 4(i)) and the supplemental schedule of assets acquired and disposed of in the Plan year (Form 5500 – Schedule H, item 4(j)) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Empower Annuity Insurance Company of America and by Empower Trust Company, LLC (Empower), a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2023

1. Description of plan:

The following description of the Boswell Engineering, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a participant directed defined contribution plan covering all full-time employees of Boswell Engineering, Inc. and Boswell Underwater Inspection, Inc. (the “Company”) meeting certain eligibility requirements and who have completed at least one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security act of 1974 (“ERISA”). The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Contributions:

Each year, participants may contribute up to 60% of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target fund based on estimated retirement age. The automatic deferral rate will increase by 1% for each Plan year of participation with a maximum rate of 10%. Employer discretionary matching contributions equal to a uniform percentage or dollar amount of the employee’s elective deferral are made each pay period. The formula is determined by management each year. For the year ended December 31, 2023, the matching contribution was 55% of the first 6% of employees’ contributions. The discretionary matching contribution is based on a percentage of the employee’s elective deferral contributions. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant accounts:

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions (b) Plan earnings and (c) is charged with an allocation of certain administrative expenses. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 1. Description of plan: (continued)

## Vesting:

Participants are immediately vested in their voluntary contributions and rollover or transfer contributions, plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. From August 7, 2009 until April 15, 2012, the vesting term was amended. Prior to this amendment, participants vested 20% for each year of service and will continue to adhere to this vesting schedule. Participants who entered into the Plan from August 7, 2009 through April 15, 2012 will be 100% vested after two years of credited service. Any employee assets transferred in from the former Profit Sharing Plan were 100% vested immediately. After April 15, 2012, participants vested 20% for each year of continuous service and is 100% vested after five years of credited service.

## Notes receivable from participants:

Participants may borrow from their individual account balances up to 50% of their vested interest at a minimum of \$1,000, but not to exceed \$50,000. The notes are repaid through payroll deductions in equal installments, including principal and interest, over a period not to exceed five years, or fifteen years if borrowed to purchase a principal residence. The notes are secured by the vested balance in the participant's account and bear interest at fixed rates of prime plus 1%, which are commensurate with local prevailing rates as determined by the Trustees. The rate is set on the first day of the month after a change in the prime rate. Interest rates for notes outstanding at December 31, 2023 are between 4.25% and 9.5%.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis of accounting. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant ceases to make loan repayments and the plan administrator considers the participant loan to be in default, the participant's loan balance is reduced by the amount in default with the corresponding amount reported as benefit payments. As of December 31, 2023 and 2022, no allowances for losses have been recorded.

## Payment of benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or equal partial withdrawals or installments, in cash, over a period certain which does not extend beyond the life expectancy or joint life expectancies of the participant and his or her beneficiary or, if the participant dies prior to the commencement of distributions from their account, the life expectancy of the participant's beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. For accounts of \$5,000 or less, the distribution will be made as soon as administratively feasible after separation. Benefits are recorded when paid.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 1. Description of plan: (continued)

## Forfeitures and plan expenses:

At December 31, 2023 and 2022, the accumulated forfeited non-vested account balances totaled \$16,015 and \$5,310, respectively. Forfeitures of non-vested account balances totaled \$10,630 and \$10,909 in 2023 and 2022, respectively. The accumulated forfeitures account may be used to reduce future employer contributions. The accumulated account, as disclosed in Note 5, can also be used to pay Plan administrative expenses for the Plan's recordkeeping fees, investment advisor fees, and audit expenses or allocated to the accounts of the participants. In 2023, the Company did not use any of forfeitures to pay for Plan expenses or reduce employer contributions as compared to 2022 when \$33,453 was used to reduce employer contributions and to pay for \$7,377 net Plan expenses in the form of fees.

## 2. Summary of significant accounting policies:

## Basis of presentation:

The accompanying financial statements are prepared on the modified cash basis of accounting. The primary differences from financial statements prepared under accounting principles generally accepted in the United States of America arise from accounting for contributions and administrative expenses on the cash basis. Accordingly, the accompanying financial statements are not intended to be presented in conformity with accounting principles generally policies accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statement of changes in net assets available for benefits is prepared using the contract value basis for fully benefit-responsive investment contracts. At December 31, 2023 and 2022, the contract value of the investment in the group annuity investment contract approximates its fair value.

## Use of estimates:

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 2. Summary of significant accounting: (continued)

## Investment valuation and income recognition:

Investments are reported at fair value, except for the fully benefit responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded on the modified cash basis of accounting. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

## Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are, therefore, excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

## Excess contributions:

Amounts paid during the current year to participants for excess contributions pertaining to the previous plan year, are a deduction from net assets available for benefits and included in "benefits paid to participants". There were no excess contributions for the years ended December 31, 2023 and 2022.

## Date of management's review of subsequent events:

As required by accounting standards, management of the Plan has evaluated subsequent events through September 17, 2024, which is the date these financial statements were available to be issued. As of December 31, 2023, other than the event disclosed in Note 10, no subsequent events requiring recognition or disclosure have occurred through that date that would have a material impact on these financial statements.

## New accounting pronouncements:

On June 16, 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update (ASU) 2016-13, Financial Instruments-Credit Losses (Topic 326) "Measurement of Credit Losses on Financial Instruments" ("ASU 2016-13"). ASU 2016-13, amends FASB's guidance on the impairment of financial instruments and adds to U.S. GAAP an impairment model known as the current expected credit losses (CECL) model, which is based on current expected losses rather than incurred losses, for estimating

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 2. Summary of significant accounting: (continued)

## New accounting pronouncements: (continued)

allowances for credit losses. ASU 2016-13 increases balance sheet transparency and it requires the Plan to recognize estimated credit losses expected to occur over the remaining life of financial assets. ASU 2016-13 delayed the effective date of Topic 326 to fiscal years beginning after December 15, 2022. The adoption of this pronouncement on January 1, 2023 did not have a material effect on the Plan's financial statements.

## 3. Fair value measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels as follows:

Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2: Inputs consist of observable inputs other than quoted prices for identical or similar assets.

Level 3: Inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value with Empower Trust Company, LLC. There have been no changes in the methodologies used at December 31, 2023 and 2022.

## Level 1 Fair value measurements:

Registered mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

Gains and losses (realized and unrealized) included in changes in net assets for the years ended December 31, 2023 and 2022, are reported in the net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no Level 3 investments.

## 4. Information certified by the trustees/custodians (unaudited):

Management has elected an ERISA Section 103(a)(3)(C) audit pursuant to 29 CFR 2520.103-8. Effective August 1, 2022, the trustee/custodian of the Plan and certain investments have been renamed from Great-West to Empower.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net (depreciation) appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA by Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company) and by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) (Empower) (the trustee/custodian of the Plan).

The investment income reported in the statement of changes in net assets available for benefits for the year ended December 31, 2023 is based on information certified by Empower Annuity Insurance Company of America and by Empower Trust Company, LLC (Empower).

During the year ended December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$5,587,600. For the year ended December 31, 2023, investment income from interest and dividends amounted to \$1,772,904.

## Fully benefit-responsive investment contract:

The Plan has a fully benefit responsive group fixed deferred annuity contract (Group Annuity Contract) with Empower Annuity Insurance Company of America ("EAICA"), which is an investment option called the Key Guaranteed Portfolio Fund. The insurance company, EAICA, maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement criteria. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Key Guaranteed Portfolio Fund held by the Plan is a guaranteed investment contract and a general account product. The insurance company is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the insurance company but may not be

less than 0%. The method for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2023 and 2022 was 1.23% and 0.93%, respectively. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The actual average for 2023 and 2022 was 1.23% and 0.94%, respectively. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code (the "IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts by the Plan.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 5. Related party transactions and party-in-interest transactions:

The Plan's guaranteed investment contract is managed by Empower. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Empower provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement ("MSA") between the Company and Empower. Empower receives revenue from mutual fund and collective trust fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

Fees paid by the Plan for the investment management services, third-party administrator and record keeping fees amounted to \$10,241 for the year ended December 31, 2023. The Plan sponsor paid other services and audit/accountant fees that are not included in these financial statements. These transactions qualify as exempt party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

If the revenue received by Empower from such mutual fund or collective trust fund service providers exceeds the amount owed under the MSA, Empower remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023, there were no excess amounts to allocate. The Plan or Plan sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing.

## 6. Plan termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, each participant will become 100% vested in his account and receive a lump sum distribution for such balance.

## 7. Tax status:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statement.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

## 7. Tax status: (continued)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

## 8. Risk and uncertainties:

The Plan provides for various investment options that include mutual funds and a group annuity contract. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.
