## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust  
Cumming, Georgia

### ***Opinion***

We have audited the financial statements of The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust  
Cumming, Georgia

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i–Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**CONTRIBUTIONS**

The Plan allows employees to contribute to the Plan with 401(k) salary deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Employer provides safe-harbor matching contributions of 100% of employee contributions, up to 3% of compensation, and 50% of the next 2% of compensation deferred.

For a Plan year, the Employer may make an additional discretionary contribution to the Plan, on behalf of the eligible Plan participants. Participants will be eligible to receive an allocation of Employer contributions if they complete at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. The contribution will be allocated as of the last day of the Plan year. No additional discretionary contributions were made to the Plan during the year ended December 31, 2023.

Contributions are subject to certain IRS limitations.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) the Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING**

Participants are immediately vested in their voluntary contributions and employer matching contributions plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, and earns 20% vesting a year until fully vested after six years of service. Forfeitures used during the year ended December 31, 2023 and 2022, to offset employer contributions were \$19,760 and \$19,771, respectively.

**401(K) PROFIT SHARING PLAN AND TRUST**

**Notes to Financial Statements**

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN, continued:

**PARTICIPANT LOANS**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.75% - 6.25%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the statements of net assets available for benefits.

**PAYMENT OF BENEFITS**

On termination of service due to death, disability, age 59 1/2, or severance of employment, a participant may elect to receive a lump sum, a partial sum or installment payments equal to the value of the participant's vested interest in his or her account. Upon meeting certain criteria, participants may withdraw from employee contributions amounts for a financial hardship.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

**BASIS OF ACCOUNTING**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies adopted by the Plan are described below.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**PAYMENT OF BENEFITS**

Benefits are recorded when paid.

**ADMINISTRATIVE EXPENSES**

Some fees paid for the administration of the Plan and for the activities of the investment advisor are netted against investment gains and losses. The Plan sponsor pays any remaining administrative expenses.

**THE RETHINK GROUP, INC.**  
**401(K) PROFIT SHARING PLAN AND TRUST**

**Notes to Financial Statements**

December 31, 2023 and 2022

3. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs (quoted prices in active markets for identical assets) because they generally provide the most reliable evidence of fair value. Level 3 inputs (significant unobservable inputs) are only used when Level 1 or Level 2 inputs (significant other observable inputs) were not available. All investments are measured using Level 1 inputs. Mutual fund values are determined by reference to quoted market prices.

4. TAX STATUS:

On August 31, 2020, the Internal Revenue Service (IRS) stated that the volume submitter basic plan document adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan has not received a determination letter specific to the Plan itself and it is not required to do so. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed in compliance with the applicable requirements of the IRC.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.

6. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PARTIES-IN-INTEREST TRANSACTIONS:

The Plan investments are funds managed by Paychex Securities Corporation (Paychex), custodian of the Plan. Paychex provides services to the Plan and, therefore, all transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were included as a reduction of the return earned on each fund.

8. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through September 25, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust  
Cumming, Georgia

### ***Opinion***

We have audited the financial statements of The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust  
Cumming, Georgia

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator and Plan Participants  
The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust  
Cumming, Georgia

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i–Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**Notes to Financial Statements**

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN:

The following description of The reThink Group, Inc. 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

**GENERAL**

The Plan is a defined contribution plan covering all employees of The reThink Group, Inc. (Employer), except non-resident aliens and employees covered by a collective bargaining agreement, who are age 21 or older and have one year of service, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**CONTRIBUTIONS**

The Plan allows employees to contribute to the Plan with 401(k) salary deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer provides safe-harbor matching contributions of 100% of employee contributions, up to 3% of compensation, and 50% of the next 2% of compensation deferred.

For a Plan year, the Employer may make an additional discretionary contribution to the Plan, on behalf of the eligible Plan participants. Participants will be eligible to receive an allocation of Employer contributions if they complete at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. The contribution will be allocated as of the last day of the Plan year. No additional discretionary contributions were made to the Plan during the year ended December 31, 2023.

Contributions are subject to certain IRS limitations.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) the Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING**

Participants are immediately vested in their voluntary contributions and employer matching contributions plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, and earns 20% vesting a year until fully vested after six years of service. Forfeitures used during the year ended December 31, 2023 and 2022, to offset employer contributions were \$19,760 and \$19,771, respectively.

**THE RETHINK GROUP, INC.**  
**401(K) PROFIT SHARING PLAN AND TRUST**

**Notes to Financial Statements**

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN, continued:

**PARTICIPANT LOANS**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.75% - 6.25%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the statements of net assets available for benefits.

**PAYMENT OF BENEFITS**

On termination of service due to death, disability, age 59 1/2, or severance of employment, a participant may elect to receive a lump sum, a partial sum or installment payments equal to the value of the participant's vested interest in his or her account. Upon meeting certain criteria, participants may withdraw from employee contributions amounts for a financial hardship.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

**BASIS OF ACCOUNTING**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies adopted by the Plan are described below.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**PAYMENT OF BENEFITS**

Benefits are recorded when paid.

**ADMINISTRATIVE EXPENSES**

Some fees paid for the administration of the Plan and for the activities of the investment advisor are netted against investment gains and losses. The Plan sponsor pays any remaining administrative expenses.

**THE RETHINK GROUP, INC.**  
**401(K) PROFIT SHARING PLAN AND TRUST**

**Notes to Financial Statements**

December 31, 2023 and 2022

3. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs (quoted prices in active markets for identical assets) because they generally provide the most reliable evidence of fair value. Level 3 inputs (significant unobservable inputs) are only used when Level 1 or Level 2 inputs (significant other observable inputs) were not available. All investments are measured using Level 1 inputs. Mutual fund values are determined by reference to quoted market prices.

4. TAX STATUS:

On August 31, 2020, the Internal Revenue Service (IRS) stated that the volume submitter basic plan document adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan has not received a determination letter specific to the Plan itself and it is not required to do so. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed in compliance with the applicable requirements of the IRC.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.

6. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PARTIES-IN-INTEREST TRANSACTIONS:

The Plan investments are funds managed by Paychex Securities Corporation (Paychex), custodian of the Plan. Paychex provides services to the Plan and, therefore, all transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were included as a reduction of the return earned on each fund.

8. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through September 25, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
