Arcadia Bluffs 401(k) Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arcadia Bluffs 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Arcadia Bluffs 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Arcadia Bluffs 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2022 Financial Statements

The financial statements of Arcadia Bluffs 401(k) Plan as of and for the year ended December 31, 2022, were audited by other auditors whose report dated July 28, 2023, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arcadia Bluffs 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arcadia Bluffs 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arcadia Bluffs 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

**ARCADIA BLUFFS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Arcadia Bluffs, LLC (the Company) and the related companies; Fiber Optic Management, LLC dba Turnkey Network Solutions, Inc., RT London Company, and AB II dba Leos.

Due to the sale of US Signal Company, LLC in 2022, employees of US Signal Company, LLC were no longer eligible to participate in the Plan effective November 30, 2022. This resulted in a Plan restatement, which included a change in the name of the Plan to Arcadia Bluffs 401(k) Plan and change of the Plan Sponsor to Arcadia Bluffs, LLC. See Note 11 for additional information on the sale of US Signal Company, LLC.

Employees who have attained 30 days of service as defined by the Plan and are at least 21 years of age are eligible to join the Plan. Employees can enter into the Plan on the first of the month after meeting eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 100% of compensation up to the statutory limit, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, and a guaranteed investment contract as investment options for participants.

Employer Matching Contributions

For the years ended December 31, 2023 and 2022, the employer contributions were equal to 50% of the first 6% of compensation that a participant contributes to the Plan. The Company may also make a discretionary matching contribution to the Plan as determined by its Board of Directors. No such discretionary contributions were approved for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, as well as allocations of Plan earnings and is charged with an allocation of any administrative expenses paid by the plan. Allocations are based on investment earnings on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 – DESCRIPTION OF PLAN - Continued

Vesting

Participants are 100% vested in compensation deferrals plus earnings thereon at all times.

Participants are vested in employer matching contributions and employer discretionary contributions according the following schedule:

0% up to 1 year of service
20% after 1 years of service
40% after 2 years of service
60% after 3 years of service
80% after 4 years of service
100% after 5 years of service

Payment of Benefits

Upon termination of services, a participant may elect to receive their vested interest as a lump sum payment or may choose from various other payment and annuity options. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeited Accounts

Forfeitures are used to pay administrative expenses and to reduce employer contributions. Forfeitures in the amounts of \$3 and \$2 were used to pay administrative expenses for years ended December 31, 2023 and 2022, respectively. Forfeitures in the amount of \$24,717 and \$36,450 were used to offset employer contributions for the years ended December 31, 2023 and 2022, respectively. Unused forfeitures totaled \$5,060 and \$266 at December 31, 2023 and 2022, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

See independent auditors' report.

**ARCADIA BLUFFS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management's Review

Management has evaluated subsequent transactions and events through August 8, 2024, the date these financial statements were available to be issued, and has determined that no items require additional disclosure.

NOTE 3 – SECURE 2.0

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0." These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

See independent auditors' report.

**ARCADIA BLUFFS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled Separate Accounts: The unit value for each separate account investment is calculated based on the value of the underlying mutual funds. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals, and is calculated each day the principal market is open.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Assets Measured at Fair Value on a Recurring Basis at December 31, 2023

	Level 1 Quoted Prices in Active Markets for Identical Assets	Level 2 Significant Other Observable Inputs	Total
Mutual Funds	\$ 552,965	\$ -	\$ 552,965
Pooled Separate Accounts	-	9,011,060	9,011,060
Total	<u>\$ 552,965</u>	<u>\$ 9,011,060</u>	<u>\$ 9,564,025</u>

Assets Measured at Fair Value on a Recurring Basis at December 31, 2022

	Level 1 Quoted Prices in Active Markets for Identical Assets	Level 2 Significant Other Observable Inputs	Total
Mutual Funds	\$ 398,080	\$ -	\$ 398,080
Pooled Separate Accounts	-	7,510,149	7,510,149
Total	<u>\$ 398,080</u>	<u>\$ 7,510,149</u>	<u>\$ 7,908,229</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in the net appreciation (depreciation) in fair value of investments.

See independent auditors' report.

**ARCADIA BLUFFS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022, was \$339,749 and \$334,089, respectively. The crediting interest rate is a blended rate determined using a dollar-weighted average of all the guaranteed interest rates of the guaranteed interest funds under this contract. Under the terms of the existing contract, the crediting rate is currently reset on a semi-annual basis.

Certain events limit the Plan's ability to transact at contract value with Principal Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal Life Insurance Company. Principal is the custodian as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in administrative expenses and net appreciation (depreciation) in fair value of investments.

Administrative expenses also include payments made to BDO for auditing services and Northwestern Mutual Wealth Management Company for investment advisory services. BDO was the Plan's auditor and Northwestern Mutual Wealth Management Company is the Plan's investment advisor and therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

See independent auditors' report.

**ARCADIA BLUFFS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant would receive their account balance in accordance with the Plan provisions.

NOTE 8 – TAX STATUS

The Plan has adopted the non-standardized defined contribution pre-approved plan of Principal Life Insurance Company (Principal Life). The Internal Revenue Service (IRS) has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) by a letter dated June 30, 2020. The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2020.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – INFORMATION CERTIFIED BY THE CUSTODIAN

The following information in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company and Principal Life Insurance Company (Principal), the custodian of the Plan.

NOTE 11 – PLAN TRANSFER

Due to the sale of U.S. Signal Company, LLC in 2022, employees of U.S. Signal Company, LLC were no longer eligible to participate in the plan effective November 30, 2022. This resulted in transfers to a successor plan, U.S. Signal Company 401(k) Plan, of \$14,270,468 on December 1, 2022.

In 2023 two employees of the U.S Signal Company, LLC were transferred to Arcadia Bluffs, LLC while both plans were under common control. This resulted in transfers into the Plan of \$162,926.
