INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
AET, Inc. Limited 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AET, Inc. Limited 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of AET, Inc. Limited 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AET, Inc. Limited 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AET, Inc. Limited 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AET, Inc. Limited 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AET, Inc. Limited 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (held at year end) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of AET, Inc. Limited 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan which covers substantially all employees of AET, Inc. Limited and its subsidiaries AET Offshore Services, Inc. and AET Shipmanagement (USA) LLC (the “Company”). Employees become eligible to participate in the Plan immediately upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute to the Plan a percentage, not to exceed 20%, of their compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of Plan year are eligible to make catch-up contributions. The employer may make discretionary nonelective and/or matching contributions each year. Participants may elect to change their investment options any time throughout the year via direct telephone or internet access.

Participant Accounts

Benefits to employees of the Company consist of employer nonelective and matching contributions, participant contributions, and earnings on investments. Nonelective contributions are allocated to non-highly compensated employees based upon their annual compensation. Employees must be employed on the last day of the year to be eligible to receive the nonelective contributions. Matching contributions are allocated based on eligible participant deferrals. Eligible deferrals are those which do not exceed 6% of compensation.

Vesting

Participants are immediately vested under the Plan with respect to any contributions made by the participant or the Company to the Plan plus any earnings thereon.

Payment of Benefits

On termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant’s vested balance in the form of a lump-sum distribution or installments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Following is a summary of the Plan's more significant accounting and reporting policies.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for the benefit of the participants and change in those net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Loans to Participants

Participants may borrow, subject to certain conditions, from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest earned on participant loans was \$28,133 and \$24,209 for 2023 and 2022 respectively.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Administrative expenses of the Plan may be paid by the Plan to the extent not paid by the employer. Administrative expenses attributable to terminated participants are allocated among terminated employees in proportion to the amount of their account balance. Administrative expenses attributable to active participants are allocated among active employees in proportion to the amount of their account balance.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2023 and 2022. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Ascensus Trust Company, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

The following table presents the fair value of participant-directed investments and participant loans in this Plan that were certified by Ascensus Trust Company for the years ended December 31, 2023 and 2022.

	2023	2022
Interest bearing cash	\$ 995,168	\$ 772,029
Invested shares in registered investment companies	28,635,320	23,997,231
Participant loans	469,015	557,497
	<u>\$ 30,099,503</u>	<u>\$ 25,326,757</u>

Ascensus Trust Company also certified to the completeness and accuracy of the \$3,982,786 of interest, dividends and net appreciation (depreciation) in the fair market value for the aforementioned investments for the year ended December 31, 2023. In addition, Ascensus Trust Company also certified the \$28,133 of interest income from participant loans for the year ending December 31, 2023.

Ascensus Trust Company also certified to the completeness and accuracy of the (\$4,893,479) of interest, dividends and net appreciation (depreciation) in the fair market value for the aforementioned investments for the year ended December 31, 2022. In addition, Ascensus Trust Company also certified the \$24,209 of interest income from participant loans for the year ending December 31, 2022.

NOTE 4 – TAX STATUS

The Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The plan administrator and its legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The plan administrator believes that the Plan is no longer subject to income tax examination for years ended prior to December 31, 2020.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified a (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: Valued at the quoted market prices, which represent the net asset value (NAV) of shares held by the plan at year end.

Interest-bearing cash: Valued at cost, which approximates fair value.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's assets and liabilities recorded at fair value have been categorized based upon the fair value hierarchy in accordance with FASB ASC 820. The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
Description	Total	Level 1	Level 2	Level 3
Investment in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Interest-bearing cash	\$ 995,168			
Invested shares in registered investment companies (NAV)	28,635,320			
	<u>\$ 29,630,488</u>			
Assets at Fair Value as of December 31, 2022				
Description	Total	Level 1	Level 2	Level 3
Investment in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Interest-bearing cash	\$ 772,029			
Invested shares in registered investment companies (NAV)	23,997,231			
	<u>\$ 24,769,260</u>			

There were no transfers between any of the levels above during 2023 or 2022.

Net Asset Value Per Share

The following tables set forth information related to investment assets held by the Plan for which fair value is measured using net asset value per share as a practical expedient for the years ended December 31, 2023 and 2022, respectively.
