Independent Auditor's Report

To the Plan Administrator
Public Interest Research Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Public Interest Research Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PUBLIC INTEREST RESEARCH GROUP 401(k) PLAN

Notes to Financial Statements

Note A – Description of Plan

The following description of Public Interest Research Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Fund for Public Interest Research, Inc. and its affiliated organizations (collectively, the “Organization”, “Plan Administrator”, “Plan Sponsor”, or “Employer”). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate in the Plan as of the first day of the Plan year and the first day of the fourth, seventh, and tenth months following 1,000 hours worked, and having attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective November 3, 2023, the Plan was amended to allow for participants to contribute Roth deferral amounts and rollover any eligible rollover distribution.

SECURE ACT 2.0

In December 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions will become effective in 2024, and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, subject to certain Internal Revenue Service (“IRS”) limitations. Participants over the age of 50 can elect to contribute additional “catch-up” contributions. Participants may also rollover amounts distributed from other qualified defined benefit or contribution plans except rollovers of after-tax employee or Roth contributions. The Plan currently offers various mutual funds as investment options for participants. The Plan contains a safe harbor feature whereby the Organization matches 100% of participant contributions up to 3% of compensation, and 50% of participant contributions over 3% up to a maximum of 5% of compensation.

The Organization may also, in its sole judgment, make additional matching employer contributions in addition to the safe harbor contribution. Such additional contribution, if any, shall be allocated to each participant in proportion to his or her compensation for the Plan year while a participant. There were no additional matching employer contributions made in 2023.

PUBLIC INTEREST RESEARCH GROUP 401(k) PLAN

Notes to Financial Statements

Note A – Description of Plan (continued)

Participant Accounts

Each participant's account is credited with their contribution, the Organization's contribution, if any, Plan earnings from investments and is charged for specific administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions, the Organization safe harbor matching contributions, and earnings thereon. Vesting in the Organization's discretionary contributions, plus earnings thereon is based on years of continuous service. A participant is 100% vested in discretionary contributions after six years of credited service.

A participant becomes fully vested, regardless of the vesting table, upon attainment of normal retirement age, early retirement due to disability or death, and upon termination of the Plan.

Payment of Benefits

Upon a disability, retirement, or termination of employment with the Organization for any reason, the participant will be entitled to receive a lump sum distribution of the total vested portion of his or her account.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½, obtained the normal retirement age, or through a hardship distribution.

Forfeitures

As of December 31, 2023 and 2022, the balance of forfeited non-vested accounts totaled \$3,793 and \$3,602, respectively. Amounts forfeited by participants are used to reduce either Plan expenses or future Employer contributions to the Plan.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Note B – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions from mutual funds are reported as dividend income on the statement of changes in net assets available for benefits. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to participants' accounts and included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Evaluation of Subsequent Events

Management has evaluated subsequent events through October 9, 2024, the date the financial statements became available to be issued.

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs, in general, consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs, in general, consist of quoted prices for similar assets in active markets, and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

Notes to Financial Statements

Note C – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of each year end.

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 32,722,949	\$ -	\$ -	\$ 32,722,949

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,317,033	\$ -	\$ -	\$ 27,317,033

There were no transfers between levels for the years ended December 31, 2023 and 2022.

Note D – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note E – Tax Status

The Company adopted a non-standardized pre-approved profit sharing 401(k) plan. The non-standard preapproved profit plan received a favorable opinion letter from the IRS on June 30, 2020 which stated that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the non-standardized pre-approved profit plan received the favorable opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

Note F – Related Party Transactions and Party-in-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Organization. Additionally, employees of the Organization perform certain routine administrative services for the Plan without charge.

Certain Plan investments are invested in shares of registered investment companies managed by Fidelity Management Trust Company, the Trustee of the Plan, and therefore, these transactions are regarded as party-in-interest transactions.

Fidelity Management Trust Company and its affiliates receives certain investment management or distribution revenue directly from the Plan's investments. The Plan made a direct payment to Fidelity Investments Institutional Operations Company, Inc. of \$38,630 for recordkeeping services for the year ended December 31, 2023 which are included as a component of administrative expenses on the statement of changes in net assets available for benefits.

The Green Century Balanced and Equity Funds are managed by a company that is owned by a partnership, which is 37% owned by the Plan Sponsor.

Note G – Information Certified by Trustee (Unaudited)

For the years ended December 31, 2023 and 2022, the Fidelity Management Trust Company held the Plan's investments as trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Amounts certified by Trustee:

	2023	2022
Statements of Net Assets Available for Benefits:		
Investments at fair value	\$ 32,722,949	\$ 27,317,033
Statement of Changes in Net Assets Available for Benefits:		
Net appreciation in fair value of investments	\$ 3,858,297	
Dividends	1,047,065	

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note I – Reconciliation of Financial Statements to Form 5500

The net assets available for benefits and changes in net assets available for benefits per these financial statements agree to Schedule H of the Form 5500. There are no reconciling items.
