H.T. HARVEY & ASSOCIATES 401(k) PLAN

FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
H.T. Harvey & Associates 401(k) Plan
Los Gatos, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of H.T. Harvey & Associates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H.T. Harvey & Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians of the Plan, which are qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.T. Harvey & Associates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.T. Harvey & Associates 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.T. Harvey & Associates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.T. Harvey & Associates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of plan

General

Effective January 1, 1992, Triple HS, Incorporated dba H.T. Harvey & Associates, (the "Company", "Plan Administrator", and "Plan Sponsor") adopted a defined contribution 401(k) plan (the "Plan"). All full-time employees and consultants who have completed three consecutive months of service may participate in the Plan. Part-time, temporary or seasonal employees, and on-call employees are considered eligible if they complete 1,000 hours of service within a 12-month period beginning on their date of hire and each subsequent anniversary thereof. The Plan was restated on October 8, 2021.

The Plan was amended in January 2022 to revise the definition of eligible plan compensation.

In July 2022, the Plan was amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act and comply with the provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act.

In August 2022, the Plan was amended to adopt the provisions of the SECURE Act to permit birth and adoption-related distributions.

In February 2023, the Plan was amended to limit participant deferrals to 75% of eligible compensation each pay period.

The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company has appointed an Administrative Committee (the "Committee") to manage the operations and administration of the Plan.

The Company contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively referred to as "Empower"), to act as the Plan custodian.

The Company has adopted a non-standardized pre-approved plan and appointed Empower as the Plan's third-party administrator for processing transactions, maintaining the records of participant accounts, and monitoring compliance with governmental regulatory requirements.

Contributions

Effective February 2023, participants may contribute up to 75% of pre-tax compensation as defined in the Plan Document. Prior to that, employees were permitted to contribute up to 100% of pre-tax compensation. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also permits Roth 401(k) contributions and rollovers into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in mutual funds and a guaranteed investment contract (fixed annuity fund) to its participants. The Company matched 33% of the employee contributions in 2023 and 2022, and may make additional profit sharing contributions. The Company's discretionary employer matching contributions net of forfeitures for the years ended December 31, 2023 and 2022 were \$336,699 and \$332,193, respectively. Contributions are subject to certain IRS limitations.

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of plan (continued)

Participant accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions is based on years of continuous service. A participant is 100% vested in the Company's discretionary matching contributions upon the completion of five years of credited service.

Notes receivable from participants

A participant may have a maximum of two loans outstanding at any given time. Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The limit of \$50,000 is reduced by the highest outstanding balance of any previous loan. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rate for loans outstanding in 2023 ranged from 5.25% to 9.50%. Loan terms typically range up to five years, or may range from five to 15 years for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of benefits

Upon reaching the age of 59½ and at the discretion of the participant or upon termination of service due to death, disability, or retirement, a participant or the designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Upon termination, if the participant's or beneficiary's vested account balance is \$5,000 or less, the Plan allows the trustee to distribute the vested account balance to an Individual Retirement Account ("IRA") for the participant's benefit. Vested balances of \$1,000 or less will be distributed as a lump-sum amount without the participant's consent.

Forfeited accounts

Forfeited non-vested employer discretionary contribution accounts may be used to pay Plan expenses or to reduce future employer contributions. Forfeitures of \$33,317 and \$11,928 were used to reduce employer contributions during the years ended December 31, 2023 and 2022, respectively. The forfeiture account balance was \$26,697 and \$22,690 as of December 31, 2023 and 2022, respectively.

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of the financial statements in conformity with accounting principal generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions of \$2,620 for the year ended December 31, 2022 to the applicable participants on January 25, 2023, February 17, 2023, and March 3, 2023.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The fixed annuity fund held by the Plan is not considered to be fully benefit-responsive (see Note 5). Accordingly, the statements of net assets available for benefits present the fair value of the investments, and the statements of net assets available for benefits are prepared on a fair value basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 2 - Summary of accounting policies (continued)

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees paid to the investment managers and recordkeeper for investment management, advisory services and administration of participants' accounts are reported net of revenue sharing arrangements and are recorded as a reduction to the investment earnings. Monthly and quarterly asset fees, fees related to administration of notes receivable and participant withdrawals are charged directly to the participants' accounts and amounted to \$113,738 and \$111,098 for 2023 and 2022, respectively, prior to revenue sharing. Investment fees are included in the net appreciation or depreciation in the fair value of investments. Revenue sharing credited to the plan expense account for the years ended December 31, 2023 and 2022 approximated \$41,000 and \$38,000, respectively.

Subsequent events

In preparing its financial statements, the Plan has evaluated subsequent events through October 9, 2024, which is the date the financial statements were available to be issued.

Note 3 - Certified investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants at December 31, 2023 and 2022, and net appreciation and depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, were obtained by management, and agreed to or derived from information certified as complete and accurate by Empower, the custodian of the Plan.

The Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,025,099 in 2023 and depreciated in value by \$5,216,609 during 2022.

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The Plan's investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

The Plan's fixed annuity option is reported daily, based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider (see Note 5). The underlying assets for the fixed annuity fund are primarily high-quality, fixed income bonds.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

No assets were noted at Level 3 during the years ended December 31, 2023 and 2022. There have been no changes in the methodologies used at December 31, 2023 and 2022.

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 4 - Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,804,753	\$ -	\$ -	\$ 24,804,753
Fixed annuity fund	-	693,904	-	693,904
Investments at fair value	<u>\$ 24,804,753</u>	<u>\$ 693,904</u>	<u>\$ -</u>	<u>\$ 25,498,657</u>
	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,628,029	\$ -	\$ -	\$ 19,628,029
Fixed annuity fund	-	1,066,893	-	1,066,893
Investments at fair value	<u>\$ 19,628,029</u>	<u>\$ 1,066,893</u>	<u>\$ -</u>	<u>\$ 20,694,922</u>

Note 5 - Guaranteed investment contract - fixed annuity fund

The fixed annuity fund ("Guaranteed Portfolio Fund") held by a defined contribution plan is required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. The Guaranteed Portfolio Fund is not considered to be fully benefit-responsive due to a provision in the Plan's investment contract that prevents the immediate and full payout of the contract value for plan-initiated transactions. As a result, the fund is reported at its fair value of \$693,904 and \$1,066,893 as of December 31, 2023 and 2022, respectively. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Events that may limit the ability of the Plan to transact at contract value with the issuer are premature termination of the contract by the Plan, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives.

The average yields earned by the fixed annuity fund are as follows:

	2023	2022
Average yields:		
Based on actual earnings	1.23%	0.93%
Based on interest rate credited to participants	1.23%	0.93%

H.T. HARVEY & ASSOCIATES 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 6 - Rollover contributions

During 2023, the rollover contribution of \$7,487 from another plan was from one active participant. During 2022, the rollover contributions of \$1,025,137 from other plans were from three active participants.

Note 7 - Related party transactions and party-in-interest transactions

Plan investments in guaranteed investment contracts and mutual funds are managed by Empower. Empower is the custodian as defined by the Plan and the Plan's third-party administrator in 2023 and 2022, and therefore, these transactions qualify as party-in-interest transactions. Refer to **Note 2 - Expenses** for expenses of the Plan paid by the Plan Sponsor as well as the Plan participants to these parties-in-interest. All these transactions are considered party-in-interest transactions under ERISA regulations but are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9 - Tax status

The Internal Revenue Service has determined and informed Empower, by letter dated November 14, 2022 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date and through the date of issuance of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position not likely to be sustained upon examination by taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, no audits are currently in progress for any tax periods.

Note 10 - Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
