INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Employee Benefit Plan of Sunshine Homes, Inc.
Red Bay, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Employee Benefit Plan of Sunshine Homes, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Employee Benefit Plan of Sunshine Homes Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Employee Benefit Plan of Sunshine Homes, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Sunshine Homes, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employee Benefit Plan of Sunshine Homes, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Sunshine Homes, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held (at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to the Financial Statements For the Year Ended December 31, 2023 and 2022

Note 1 - Plan Description

The following description of the Employee Benefit Plan of Sunshine Homes, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution profit sharing/401(k) trust sponsored by Sunshine Homes, Inc. (the "Company"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility and Contributions – All employees become eligible to make elective deferral contributions and receive safe harbor matching contributions and profit sharing contributions on the first day of each plan quarter, coincident with, or next following the date they attain age 21 and they complete 6 months of service, measured from their date of hire, provided that they are an eligible employee at the end of that period. These elective contributions are made under the provisions of Section 401(k) of the Internal Revenue Code which allows a deferral of income taxes on the amount contributed to the Plan. Participants may voluntarily contribute up to 100% of their compensation, subject to annual limitations under the Internal Revenue Code. The Plan provides for an employer match. The Company matches 100% of an employee's deferral up to 4% of compensation provided the employee satisfies the eligibility requirements and is an employee on the last day of the plan year.

Participants' Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of any applicable Company profit-sharing contribution Plan earnings. Allocations of net earnings are prorated based on the participants' weighted average account as a percent of the total weighted average account of all Plan participants and former participants. Investments are participant directed.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are 100% vested in the employer match upon the completion of two years of service. The Plan also provides that participants become 100% vested when they reach age 65, in the event of death, total disability, or upon termination of the Plan.

Notes Receivable From Participants – Notes receivable from participants are not permitted under the Plan.

Payment of Benefits – Upon retirement, termination of service, death, or permanent disability, the participants or their beneficiaries may elect to receive either a lump-sum amount equal to the value of their account, or installments over a specified period or over the life expectancy of the participants or their beneficiaries.

Investment Options – Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of numerous investment options.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited accounts totaled \$4,863 and \$4,675, respectively. In accordance with Plan provisions, forfeitures may be used to pay administrative expenses and reduce future employer matching contributions. In 2023, there were no forfeited accounts used to pay administrative expenses or reduce employer contributions.

See independent auditor's report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to the Financial Statements (continued) For the Year Ended December 31, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Expenses – Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits – Benefits are recorded when paid.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See independent auditor's report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to the Financial Statements (continued) For the Year Ended December 31, 2023 and 2022

Note 3 - Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund

Valued on a daily basis at \$1.00 per unit.

Fixed Income Investments

The fair value of bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings. Investments in certain restricted common stocks are valued at the quoted market price of the issuer's unrestricted common stock less an appropriate discount.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total Fair Value
Mutual funds	\$ 4,584,981	\$ -	\$ -	\$ 4,584,981
Fixed income fund	-	3,302,933	-	3,302,933
Money market funds	-	4,863	-	4,863
Total Investments at fair value	\$ 4,584,981	\$ 3,307,796	\$ -	\$ 7,892,777

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total Fair Value
Mutual funds	\$ 3,806,497	\$ -	\$ -	\$ 3,806,497
Fixed income fund	-	3,775,613	-	3,775,613
Money market funds	-	4,675	-	4,675
Total Investments at fair value	\$ 3,806,497	\$ 3,780,288	\$ -	\$ 7,586,785

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net depreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3. For the year ended December 31, 2023, there were no transfers of investments into or out of Level 3.

See independent auditor's report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to the Financial Statements (continued) For the Year Ended December 31, 2023 and 2022

Note 4 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 5 - Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with acceptable sections of the Internal Revenue Code (IRC) that exempt the Plan from federal income taxes. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable IRC and therefore believe the Plan is qualified, and the related trust is tax-exempt.

Note 6 – Reconciliation of Financial Statements to Form 5500

For the year ended December 31, 2023, there were no reconciling items between the financial statements and the Form 5500.

Note 7 - Information Prepared and Certified by Trustee

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023, and net change in fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower (the current Plan trustee beginning October 29, 2022) and Reliance Trust (the former trustee of the Plan for January 1, 2022 through October 28, 2022).

Note 8 - Exempt Party-in-Interest Transactions

The Plan invests in various investment vehicles managed by Empower Retirement, LLC. Empower Retirement, LLC is also the Plan trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All previously described transactions for the year ended December 31, 2023 were considered exempt transactions as defined by the Department of Labor.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Subsequent Event

The Plan has evaluated subsequent events through September 18, 2024, the date the financial statements were available to be issued.
