INDEPENDENT AUDITORS' REPORT

To The Board of Trustees
AKRF, Inc. Profit Sharing Plan and 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of AKRF, Inc. Profit Sharing Plan and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of AKRF, Inc. Profit Sharing Plan and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from John Hancock Trust Company, LLC as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AKRF, Inc. Profit Sharing Plan and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AKRF, Inc. Profit Sharing Plan and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AKRF, Inc. Profit Sharing Plan and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AKRF, Inc. Profit Sharing Plan and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 - Description of Plan

The following description of AKRF, Inc. Profit Sharing Plan and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was established on August 1, 1986, and amended on January 1, 2016, January 1, 2019, January 1, 2021 (restated), and March 1, 2022. The Plan covers all employees of AKRF, Inc. and effective January 1, 2016, GreenUp Construction & Maintenance, Inc. (the "Company" or "Sponsor") who have reached the age of twenty-one and have completed six consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

John Hancock Trust Company LLC (the "Trustee"), is responsible for oversight and holding of assets of the Plan, as well as investing all contributions and allocating to each participant account its appropriate share of investment income. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

Contributions

Each year, participants may contribute up to 90% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the "Code") for 2023 of \$22,500, plus a maximum of \$7,500 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 8% of eligible compensation, and their contributions are invested in a designated balanced fund until changed by the participant. The Plan includes an automatic increase of deferral rates of 1% annually until the rate reaches 15%.

The Sponsor may make discretionary employer matching or profit-sharing contributions in an amount to be determined by the Sponsor. During the year ended December 31, 2023, the Sponsor made matching contributions of 50% of a participant's salary up to 8%. Discretionary employer matching contributions made by the Sponsor amounted to \$1,391,940 for the year ended December 31, 2023.

Note 1 - Description of Plan (cont'd.)

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of the Sponsor's contributions and the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Employer contributions and profit-sharing and earnings thereon vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

In addition, a participant becomes 100% vested in all allocated Sponsor contributions upon death, disability or the attainment of age 65 while employed by the Sponsor.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear interest at 1.50% above the prime rate, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years or a longer repayment period allowed by the Plan administrator for the purchase of a primary residence.

Note 1 - Description of Plan (cont'd.)

Payment of Benefits

Benefits are payable upon termination of service for any reason. A retired participant can elect to defer receipt of the distribution until April 1 of the calendar year following the participant attaining age 72. Upon death of the participant, the distribution will be made in accordance with the Plan Document. If the amount of any distribution balance exceeds \$1,000 but is less than \$5,000, and the participant does not elect to have the distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or receive the distribution directly, the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator. Account balances less than \$1,000 are distributed as a lump sum payment. Under certain circumstances (hardship), and with approval of the Company, a participant can elect at any time to receive a portion of his or her vested account balance subject to the provisions of the Plan. In-service withdrawals are permitted once a participant has attained age 59½.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$6,935 and \$8,011, respectively. These accounts will be used to reduce future Plan expenses. In 2023, the Plan utilized a total of \$1,093 in forfeitures to offset Plan expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on loans outstanding at December 31, 2023 ranged from 4.75% to 10.00%.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Note 3 - Investment Certified By Trustee

The following information, including investments and notes receivable from participants at December 31, 2023 and 2022, and investment income and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC, the Trustee of the Plan.

	<u>2023</u>	<u>2022</u>

	<u>\$ 12,469,849</u>	
Interest income on notes receivable from participants	<u>\$ 21,616</u>	

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 4 - Fair Value Measurement (cont'd.)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 4 - Fair Value Measurement (cont'd.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023 and 2022. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Assets at Fair Value at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 77,095,778	\$ -	\$ -	\$ 77,095,778

Assets at Fair Value at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 61,867,119	\$ -	\$ -	\$ 61,867,119

Note 5 - Guaranteed Investment Contract

In 2012, the Plan entered into a fully benefit-responsive guaranteed investment contract with New York Life, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a semi-annual basis for resetting.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Thus, the guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by John Hancock Trust Company LLC, the Trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 5 - Guaranteed Investment Contract (cont'd.)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include:

- Amendments to the Plan documents (including Plan changes that materially alter the amount of contributions or withdrawals to be directed in or out of the contract or complete or partial Plan termination or merger with another plan);
- Changes to the Plan's investment options;
- Changes in frequency of transfers among the Plan's investment options; and
- The failure of the trust to qualify for exemption under ERISA.

The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by John Hancock Trust Company LLC, the Trustee. Therefore, fees paid to this entity qualify as party-in-interest transactions. Fees paid by the Plan for investment services and the administration of notes receivable from participants amounted to \$106,351 for the year ended December 31, 2023.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8 - Tax Status

Effective January 1, 2022, the Plan has amended the Prototype Non-standardized Profit Sharing Plan with Cash or Deferred Arrangement ("CDOA") sponsored by John Hancock Retirement Plan Services LLC. The Internal Revenue Service has determined and informed John Hancock Retirement Plan Services LLC by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believe that the Plan is qualified and the related trust is exempt.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 8 - Tax Status (cont'd.)

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2023 through October 2, 2024, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
