TOPEL FORMAN, L.L.C.
EMPLOYEES' SAVINGS OPPORTUNITY PLAN

AUDIT REPORT
December 31, 2023 and 2022

A Business Partner, Wherever You are in the World

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the Topel Forman, L.L.C. Employees' Savings Opportunity Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Topel Forman, L.L.C. Employees' Savings Opportunity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following description of the Topel Forman, L.L.C. (the "Firm") Employees' Savings Opportunity Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for more complete information.

A. GENERAL

The Plan is a defined contribution and safe harbor 401(k) plan covering eligible employees of the Firm. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Avantax Retirement Plan Services became the Plan's recordkeeper and Fidelity Personal Trust Company became the Trustee. The Firm is responsible for overseeing and ensuring compliance with the Plan document.

B. ELIGIBILITY

All employees of the Firm over 21 years of age are eligible to participate in the Plan upon completion of one hour of service within 30 days of being employed. Entry is allowed on the first day of each calendar month coinciding with or next following satisfaction of eligibility requirements.

C. PARTICIPANT CONTRIBUTIONS

Pre-tax and after-tax salary deferrals may be made by participating employees up to 100% of the participant's eligible compensation up to the IRC limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan has an automatic enrollment feature whereby employees who do not make a positive election to waive participation will be automatically enrolled at a 3% deferral rate upon satisfaction of eligibility requirements. Eligible compensation under the Plan is compensation subject to federal income tax (under code section 3401(a) of the IRC).

D. EMPLOYER CONTRIBUTIONS

The Firm provides a discretionary Qualified Nonelection Employer Contribution ("QNEC") contribution to eligible participants under the Plan. QNEC contributions are automatically 100% vested. No such discretionary contribution of this type was made for the year ended December 31, 2023.

The Firm also provides a discretionary contribution based on allocation group. There are no allocation conditions for this contribution. The total amount of discretionary contributions based on allocation group were approximately \$510,950 for the year ended December 31, 2023.

The Firm also provides a safe harbor contribution of 3% of eligible compensation. This contribution will be made if the Plan is determined to be top-heavy, under safe harbor rules. The safe harbor contribution for the year ended December 31, 2023, amounted to 3% of eligible compensation and totaled \$582,450.

E. PARTICIPANT ACCOUNTS

Each participant account is credited with the participant's elective contributions, employer contributions, and allocations of plan earnings and administrative expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled, is the participant's vested account balance.

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

F. VESTING

Participants are immediately vested in their contributions and the employer contribution portion of their accounts, plus actual earnings thereon.

G. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance (subject to limits as defined by the Plan), or \$50,000. Participants may have one loan outstanding at any time. Loan terms range from one to five years, unless the loan is qualified as a home loan in which the maximum term increases to fifteen years. Participant loans are secured by the balance in the participant's account and bear interest at a fixed rate of interest of 1% above the prime rate. Principal and interest are paid ratably through payroll deductions and are recorded when received.

H. PAYMENT OF BENEFITS

At retirement (normally age 65) or upon termination of service, a participant may receive a lump-sum amount or installments equal to the value of his or her vested account. If a participant's vested balance is less than \$5,000, the balance will be automatically rolled over into an IRA, or a lump-sum distribution can be elected, once the participant becomes eligible for distribution. The Plan also allows for hardship distributions. Participants should refer to the Summary Plan Description for more complete information regarding payment of benefits.

I. TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FINANCIAL REPORTING FRAMEWORK

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America ("GAAP"), as promulgated by the Financial Accounting Standards Board ("FASB") in the Accounting Standards Codification ("ASC").

B. BASIS OF ACCOUNTING

The financial statements of the plan are prepared on the accrual basis of accounting.

C. ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain recorded amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

D. PLAN EXPENSES

The Firm pays most of the expenses of administering the Plan. Expenses associated with loans and disbursements are paid by the individual participants. Investment-related expenses are charged to participant accounts and are included in net appreciation (depreciation) of fair value of investments.

E. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

G. DUE TO BROKER

Amounts due to broker are cash obligations to broker for securities purchased but not yet settled as of December 31, 2023. The Plan recorded the liabilities when the purchase of securities is executed.

H. PAYMENT OF BENEFITS

Benefits are recorded when paid.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

J. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2024 which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

K. CONTRIBUTION CUTOFF POLICY

Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

L. CREDIT LOSSES

Financial assets measured at amortized cost are presented at the net amount expected to be collected and the measurement of credit losses and any expected increases in expected credit losses are recognized in earnings. The estimate of expected credit losses involves judgement and is based on an assessment over the life of the financial instrument taking into consideration current market conditions and reasonable and supportable forecasts of expected future economic conditions. The Plan determined the allowance for credit losses on financial assets measured at amortized cost was de minimis as of December 31, 2023, therefore, no allowance for credit losses has been recorded related to those assets.

M. RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In June 2016, the FASB issued ASU 2016-13, *Measurement of Credit Losses on Financial Instruments* (Topic 326). The guidance provides for estimating credit losses on financial assets measured at amortized cost by introducing an approach based on expected losses over the financial asset's entire life, recorded at inception or purchase. This model replaces the probable, incurred loss model for those assets and broadens the information an entity must consider in developing its expected credit loss estimate for assets measured at amortized cost. The FASB also subsequently issued the following additional ASU's which amend and clarify the new expected loss methodology: ASU 2019-04, *Codification Improvements to Topic 326, Financial Instruments – Credit Losses*, Topic 815, *Derivatives and Hedging*, and Topic 825, *Financial Instruments*; ASU 2019-05, *Financial Instruments – Credit Losses* (Topic 326) – *Targeted Transition Relief*; ASU 2022-02, *Financial Instruments – Credit Losses* (Topic 326) – *Troubled Debt Restructurings and Vintage Disclosures*. The effective date for the ASUs was for annual and interim periods beginning after December 15, 2022. The Plan adopted these ASU's effective January 1, 2023, using the modified-retrospective approach. The adoption of the new guidance under ASU 2016-13 did not have a material impact on the Plan's revenues, results of operations or financial condition.

NOTE 3 – FORFEITURES

According to the Plan document, forfeitures are to be applied to employer matching contributions or Plan expenses. There was no account balance for forfeitures as of December 31, 2023 and 2022. For the year ended December 31, 2023, no forfeitures were used.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's investments are held in a trust fund administered by Fidelity Personal Trust Company, FSB., the trustee of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income or loss, interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

Topel Forman, L.L.C.
Employees' Savings Opportunity Plan

Notes to the Financial Statements
As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

NOTE 5 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY TRANSACTIONS

The Plan has a money market fund that is managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. As of December 31, 2023 and 2022, there were money market funds that qualified as party-in-interest totaling \$134,707 and \$95,638, respectively. The Plan also has notes receivable from participants that qualify as party-in-interest transactions. Notes receivable from participants total \$51,070 and \$31,530, as of December 31, 2023 and 2022, respectively.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

These levels are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

NOTE 7 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

The following are descriptions of the valuation methodologies and inputs used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Registered Investment Companies (Level 1):* Valued based on the daily closing price as reported by the fund. These securities are open-ended mutual funds held by the Plan are that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Money Market Mutual Fund:* Valued at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity. These securities are reflected at Level 2 as inputs used to determine fair value are not quoted prices in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level, within the fair value hierarchy, as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total Investments	\$ <u>18,342,259</u>	\$ <u>95,638</u>	\$ <u>-</u>	\$ <u>18,437,897</u>

Transfers between levels 1, 2 or 3, if any, are recognized at ending value on December 31, 2023 and 2022. There were no transfers between levels and there were no purchases of level 3 investments during the year ended December 31, 2023.
