Report of Independent Auditors

The Plan Administrative Committee of
Lynden 401(k) Retirement Savings Plan & Trust

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lynden 401(k) Retirement Savings Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lynden 401(k) Retirement Savings Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lynden 401(k) Retirement Savings Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Lynden 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lynden 401(k) Retirement Savings Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lynden 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report of Independent Auditors

The Plan Administrative Committee of
Lynden 401(k) Retirement Savings Plan & Trust

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lynden 401(k) Retirement Savings Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lynden 401(k) Retirement Savings Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lynden 401(k) Retirement Savings Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Lynden 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lynden 401(k) Retirement Savings Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lynden 401(k) Retirement Savings Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LYNDEN 401(K) RETIREMENT SAVINGS PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the Lynden 401(k) Retirement Savings Plan & Trust (the “Plan”) is provided for general information purposes only. Eligible employees, as defined by the Plan (“Participants”), should refer to the Plan document and related trust agreement for more complete information.

General—The Plan was established on September 1, 1998, as a defined contribution plan covering all eligible employees of Lynden Incorporated (the “Company”), and its participating subsidiaries. The Plan’s adoption agreement was restated effective January 1, 2022.

The Plan is maintained by the Company and adopted by its various US wholly owned subsidiaries. Administrative services are provided by Vanguard Fiduciary Trust Company (the “Recordkeeper”). The Recordkeeper also acts as trustee of the Plan.

The Plan is administered by the Plan Administration Committee (the “Committee”), a three-member committee appointed by the Company’s board of directors. The members of the Committee are Jonathan R. Burdick, Stacey A. Sunderland, and Bridgette K. Bell. The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility—The Plan covers all employees once they are at least 18 years of age, except those who are members of a collective bargaining unit other than bargaining unit employees of Northland Services, Inc. represented by the Inlandboatmen’s Union of the Pacific Marine Division of the International Longshore and Warehouse Union and LTI, Inc. represented by the Western Conference of Teamsters, nonresident aliens who receive no US source income, employees participating in any retirement plan or arrangement maintained by a foreign employer, or employees employed by Lynden Puerto Rico, Inc.

Contributions—Each year, Participants may defer a portion of their compensation, excluding wages covered under the Davis-Bacon Act of 1931, limited by overall maximums and subject to antidiscrimination tests as set forth in the Internal Revenue Code (IRC). Eligible employees are automatically enrolled into the Plan at a 6% deferral of their eligible annual base compensation, following a 30-day opt-out period. The deferral rate automatically escalates 1% annually up to a maximum of 10%, unless otherwise changed by the Participant. The Company provides a matching contribution of up to 50% of the first 6% of a Participant’s compensation immediately upon a Participant making deferrals.

Participants may elect to treat their deferrals as Roth deferrals rather than pretax deferrals. Roth deferrals are contributed to the Plan from amounts treated as taxable income.

Employees hired after December 31, 2008, who meet the Plan's age requirement and have completed 12 months of service, receive a discretionary nonelective contribution of 3% of eligible compensation into their Participant accounts, in addition to being eligible for the matching contribution. The nonelective contributions were \$4,086,986 and \$3,525,270 for each of the years ended December 31, 2023 and 2022, respectively.

Participant Accounts—Individual accounts are maintained for each Participant. Each Participant's account is credited with the Participant's contribution, the Company's matching contribution, the Company's discretionary nonelective contribution, and an allocation of investment earnings, and charged with withdrawals and an allocation of investment losses. Allocations are based on Participant earnings or account balances, as defined. A Participant is entitled to a benefit equal to the balance of the Participant's vested account.

Investments—Participants may direct the investment of their contributions, the Company's matching contributions, and the Company's discretionary nonelective contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, collective trusts, and a stable value fund as investment options for Participants. Changes to investment allocations can be made by each Participant at any time, with one exception—to discourage frequent trading, Participants that exchange out of a fund must wait 60 days before exchanging back into that fund.

Vesting—Participants are immediately vested in their own contributions and earnings thereon. Participants vest in the Company's contributions after they have completed three years of service.

Loans to Participants—The Plan allows the trustee to make loans, subject to certain amount limitations, to Participants from their vested account balances. The loans bear an interest rate of prime plus 1%, with payback periods ranging from one to five years, except for loans relating to primary residences, which can have payback periods of up to 10 years. As of December 31, 2023, the rates of interest on outstanding loans ranged from 4.25% to 9.5%, with various maturities through November 2033.

Payment of Benefits—A Participant's vested benefits are available and distributable upon death, disability, termination of employment, retirement, or notification by the Participant and approval by the trustee that a hardship condition exists. Upon a distributable event, a Participant may choose from among the following methods of payment, based on trustee approval:

- A single lump-sum payment
- Payment in annual installments over a period not to exceed the assumed life expectancy of the Participant
- Deferred withdrawal of assets for balances greater than \$5,000

The Plan allows for the automatic distribution of benefits totaling less than \$5,000, but more than \$1,000, to an individual retirement account designated by the Committee and benefits totaling \$1,000 or less directly to the Participant in a lump-sum payment in the event a Participant fails to direct the Recordkeeper as to the distribution of the benefit.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the Participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to reduce future employer contributions to the Plan. However, if a participant is reemployed and fulfills certain requirements, as defined in the Plan document, the

account will be reinstated. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$160,381 and \$207,904, respectively. During the years ended December 31, 2023 and 2022, the Company's contributions were reduced by \$551,207 and \$560,627, respectively, from forfeited nonvested accounts.

Termination of the Plan—Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, all Participants shall be entitled to 100% of their account balances up to the termination date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires Plan management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near term, and such changes could materially affect the value of Participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 4 for description of valuation methods.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Loans to Participants—Loans to Participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent Participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative fees, with the exception of 401(k) loan fees and fees for terminated Participants, are paid by the Company as provided in the Plan document. The Company pays a flat recordkeeping fee for the first 3 years of a Participant's participation in the Plan after which time the Participant pays the flat recordkeeping fee. Participant requested consulting and investment advisory fees, as well as recordkeeping fees for terminated Participants, are paid by the Participants, and are presented separately as administrative expenses on the statement of changes in net assets available for benefits. Management fees and operating expenses charged to the Plan for investments are deducted from income earned and are not separately reflected.

The Plan sponsor provides accounting and other administrative services to the Plan at no charge.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2023 and 2022, included in the Plan's financial statements and supplemental schedule prepared by or derived from information prepared by the trustee and furnished to the Committee. The Committee has obtained certifications from the trustee that such information is complete and accurate.

Supplemental schedule: All investment balances and information included with the supplemental schedule of assets (held at year-end).

Note 4: All investment balances and investment information in the note except for the classification and level of investments.

4. FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Accounting guidance defines fair value, establishes a framework for measuring fair value under GAAP, and expands disclosures about fair value measurements. It also establishes a fair value hierarchy that prioritizes the inputs used to measure fair value.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund—Composed primarily of Fully Benefit-Responsive Investment Contracts (FBRICs) and reported at fair value using NAV as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in Financial Accounting Standards Board ASC 946, *Financial Services—Investment Companies*. Those measurement principles indicate, in the determination of a stable value fund's NAV, the relevant measurement is net assets, which includes the FBRICs held by the fund at contract value. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different than the reported NAV.

Collective trusts—Units held in collective trusts (CTs) are valued using the net asset value practical expedient (NAV practical expedient) of the CTs as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CTs, minus its liabilities, and then divided by the number of units outstanding.

Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the CT, the issuer reserves the right to require 12 months' notification to ensure securities liquidations will be carried out in an orderly business manner.

The table below summarizes the Plan's investments in accordance with fair value measurement provisions:

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total

5. STABLE VALUE FUND

The stable value fund (the "Fund") is a collective investment trust established on January 1, 1989, under Section 404 of the Pennsylvania Banking Code. The beneficial interest of each Participant is represented by units. Units are issued and redeemed daily at the Fund's constant NAV of \$1 per unit. Distribution of net investment income to the Fund's unit holders is declared daily and reinvested in the Fund on the first business day of the following month. It is the policy of the Fund to use its best efforts to maintain a stable NAV of \$1 per unit; although there is no guarantee the Fund will be able to maintain this value.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Fund, plus interest accrued at the contract rate, less withdrawals and administrative expenses. The Fund imposes certain restrictions on the Plan, and the Fund itself may be subject to circumstances that affect its ability to transact at contract value. Plan management believes the occurrence of events that would cause the Fund to transact at less than contract value is not probable.

Circumstances That Affect the Fund—The existence of certain conditions can limit the ability of the Vanguard Retirement Savings Trust Fund (the “Trust”), the sole investment of the Fund, to transact at contract value with issuers of its investment contracts. Specifically, any event outside the normal operation of the Trust that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to the withdrawal. Examples of such events include, but are not limited to, partial or complete legal termination of the Trust or a unit holder, tax disqualification of the Trust or a unit holder, and certain Trust amendments if the issuers’ consent is not obtained. As of December 31, 2023, the occurrence of an event outside the normal operation of the Trust that would cause a withdrawal from an investment contract is not considered to be probable.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a stable value fund managed by the Recordkeeper. Fees paid for investment management services were included as a reduction of the return earned on each investment. Further, the administrative expenses included on the statement of changes in net assets are paid by the Plan directly to the Recordkeeper. The Recordkeeper is the trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions.

7. FEDERAL INCOME TAXES

The Plan is designed and documented following a Plan prototype created by the Recordkeeper (or prototype sponsor). The Recordkeeper received an opinion letter from the Internal Revenue Service on the prototype document, dated June 30, 2020, stating the prototype document is in compliance with the applicable requirements of the IRC and thus qualifies as tax exempt.

The Committee believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

8. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 5, 2024, the date the financial statements were available to be issued. No events were deemed relevant for disclosure.
