INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Management of
ACRT Services, Inc. 401(k) Plan
Stow, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ACRT Services, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, T. Rowe Price Trust Company, as of and for the year ended December 31, 2023, and Principal Trust Company, as of December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023, and the Schedule of Delinquent Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

1 Description of Plan

The following description of ACRT Services, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of ACRT Services, Inc. and Subsidiaries ("Company") who meet the hour and age requirements. Effective April 1, 2016, this includes all employees of Bermex, Inc., the wholly-owned subsidiary of ACRT Services, Inc. The Plan is subject to Section 401(k) of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was restated on February 17, 2022, to incorporate previous plan amendments and to change the Plan year-end from September 30 to December 31.

Effective January 1, 2023, the Plan Trustee and recordkeeper is T. Rowe Price Trust Company. In addition, assets totaling \$2,349,767 from the ACRT Services, Inc. Plan 005 merged into the Plan.

Effective June 1, 2024, the Plan was amended to make Local Union 1049, IBEW employees eligible for employer matching contributions.

Eligibility:

All non-union employees of the Company age twenty-one and older, who are employed for 60 days, and are not independent contractors, nonresident aliens or residents of Puerto Rico, are eligible to participate in the Plan.

All union employees of the Company who are not covered under any other retirement plan to which the Company contributes, are eligible to participate in the Plan upon hire. Union employees are not eligible to receive employer matching contributions.

Contributions:

Employee Contributions – Newly eligible participants are automatically enrolled in the Plan unless they affirmatively elect to not participate at a rate of 6% of eligible compensation. Contributions are invested in a designated balanced fund until the participant changes the election. On January 1 of each year, participant deferrals will be increased 1% up to 10% of pay unless they elect to not have the increase. Participants may elect to contribute the maximum allowed by the Internal Revenue Service (IRS). In addition, eligible participants may contribute catch up contributions.

Employer Contributions - The Company may make discretionary match contributions to each eligible participant's account by matching a percentage of the Participant's elective deferral for the plan year. The Company matches the first 25% of employee contributions up to 6%. Employer matching contributions for the year ended December 31, 2023 were \$587,828.

Rollover contributions from other plans are also accepted, providing certain specified conditions are met.

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

1 Description of Plan, Continued

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, employer matching contributions, participant rollovers and earnings and losses thereon.

Vesting:

All participants are 100% vested in elective deferrals and rollover contributions made to the Plan. Employer matching contributions are vested as follows:

Years of Service	Vested %
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures:

Forfeitures used for the year ended December 31, 2023 were \$174,247. Forfeited non-vested accounts totaled \$5,731 and \$92 as of December 31, 2023 and 2022, respectively. Forfeitures may be used to pay allowable administrative expenses and reduce future employer contributions.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed 5 years with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The loans are secured by the balance in the participant's account and bear interest at Prime plus 100 basis points. Principal and interest are paid ratably through payroll deductions.

Other Plan Provisions:

Normal retirement age is 65, however, a participant may elect early retirement on or after age 55. The Plan also provides for early payment of benefits after reaching age 59-1/2.

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

1 Description of Plan, Continued

Distributions:

Upon termination of service by reason of separation of service, retirement, death or total and permanent disability, a participant receives a lump sum amount equal to the value of his or her account.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments:

Investments are stated at fair value. Marketable securities are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. Pooled separate accounts and common collective trusts are valued based on Net Asset Value as the practical expedient as determined by the asset custodian on a daily basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Substantially all administrative fees are paid by the Company.

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

2 Summary of Significant Accounting Policies, Continued

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and Uncertainties:

The Plan's investments include investments in mutual funds, pooled separate accounts, guaranteed income contract, and collective funds holding investment contracts with varying degrees of risk, such as interest rate, credit, and overall market volatility risks.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Payment of Benefits:

Benefits are recorded when paid.

Contributions:

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent Events:

Management evaluates subsequent events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 7, 2024, which is the date the financial statements were available to be issued.

3 Tax Status

On August 19, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

3 Tax Status, Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- * Quoted prices for similar assets or liabilities in active markets
- * Quoted prices for identical or similar assets or liabilities in inactive markets
- * Inputs other than quoted prices that are observable for the asset or liability
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual Funds:

The fair value of the mutual funds is based on quoted market prices. These investments are classified in the Level 1 category of the valuation hierarchy.

NOTES TO FINANCIAL STATEMENTS

ACRT Services, Inc. 401(k) Plan

4 Fair Value Measurements, Continued

Pooled Separate Accounts and Common Collective Trusts:

The fair value of the Common Collective Trust fund held by the Plan as of December 31, 2023 is based on the net fair value of the underlying assets. The underlying investments are valued at fair value based on commercial quotation services. The fair value is allocated among the contract holders based on a unit value. Short-term securities with remaining securities of 60 days or less, are valued at amortized cost. This falls into the Level 2 category of the valuation hierarchy.

The fund invests in high-quality guaranteed investment contracts (“GICs”) and similar contracts issued by insurance companies, banks, and other financial institutions. The fund is valued on a daily basis by the Stable Value trustee. All income and expenses shall be deemed to be accrued, received, or paid at an equal rate from day to day. Contributions and redemptions to the Fund may be made daily at the current net asset value and are considered as made immediately after the daily valuation.

The Pooled Separate Accounts and Common Collective Trusts held by the Plan as of December 31, 2022 are valued at the net asset value as a practical expedient (“NAV”) of shares held by the Plan at year-end.

Guaranteed Income Contract:

The fair value of the guaranteed income contract is backed by Principal Life Insurance Company and guarantees principal and provides a stated crediting rate backed by Principal Life. This guaranteed income contract is classified in the Level 3 category of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at Fair Value as of December 31, 2023

4 Fair Value Measurements, Continued

Transfers between Levels:

For the year ended December 31, 2023 and the period ended December 31, 2022 there were no transfers in or out of Level 3.

For the year ended December 31, 2023, the Plan had purchases and sales of assets using significant unobservable inputs (level 3) of \$0 and \$468,687 respectively. For the period ended December 31, 2022, the Plan had purchases and sales of assets using significant unobservable inputs (level 3) of \$24,711 and \$27,944 respectively.

6 Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by T. Rowe Price Trust Company and Principal Trust Company, the Trustees as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the mutual fund for the investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party in interest transactions.

7 Prohibited Transactions

The Plan did not remit employee contributions and loan repayments timely in accordance with the Department of Labor guidelines for the period ended December 31, 2022 and the plan year ending September 30, 2022. These amounts constitute prohibited transactions. The late remittances have been corrected via remittance of lost earnings to the Plan.
