Digi-Key Corporation

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Digi-Key Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Digi-Key Corporation 401 (k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Digi-Key Corporation 401 (k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Digi-Key Corporation 401 (k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Digi-Key Corporation 401 (k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Digi-Key Corporation 401 (k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Digi-Key Corporation 401(k) Profit Sharing Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 4, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of Digi-Key Corporation 401 (k) Profit Sharing Plan (the Plan) have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date.

Purchases and sales are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as December 31, 2023 and 2022. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid principal balance and interest due to the Plan is treated as a deemed distribution to the participant. Deemed distributions are reported as taxable distributions to participants for purposes of reporting in the Form 5500; however, deemed distributions remain classified as notes receivable from participants until a qualifying distributable event occurs for purposes of reporting in conformity with U.S. GAAP.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

4. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investment of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2023 and 2022, all investments are participant directed.

5. Payment of Benefits

Benefits are recorded when paid.

6. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a 401(k) defined contribution plan effective February 1, 1989. The Plan was restated October 17, 2022 to bring the Plan into compliance with recent legislative and regulatory changes.

The Plan is administered by a committee appointed by the Company. A third party administrator serves as the trustee of the plan, maintains the records of the participant data, and holds the Plan assets.

Digi-Key Corporation 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

1. General - Continued

The Plan is a defined contribution plan covering substantially all employees of Digi-Key Corporation (the Employer). The Employer is responsible for appointing an administrator, custodian and a trustee for the Plan. The custodian and trustee have discretionary powers in executing investment transactions. The costs of the Plan administration are the responsibility of the Plan to the extent not paid by the Employer.

2. Eligibility

Employees of Digi-Key Corporation are generally eligible to make contributions to the Plan upon attainment of age 18 and completion of one month of service. Temporary employees are eligible after completing one year of service and at least 1,000 hours. Employees can enroll in the Plan on the first day of each calendar month.

To be eligible for the discretionary profit sharing contribution, an employee must be 18 years of age and must have completed six months of service (defined as 1,000 service hours) and will then be eligible on the first day of the following quarter. Once eligible, an employee must be employed on the last day of the Plan year, except for death, disability, or attainment of normal retirement age.

3. Contributions

The Plan allows participants to contribute up to 100% of annual eligible compensation, as defined by the Plan, subject to limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Plan also contains an automatic enrollment feature whereby the employee will be automatically enrolled in deferrals of 3% of eligible wages on a pre-tax basis, which increases an additional 1% on February 1st annually up to 9%, unless the employee opts out or elects a different deferral percentage. The employer matches employee contributions up to 3% of compensation, as defined. In addition, the employer may make a nonelective employer profit sharing contribution at their discretion on an annual basis. For the year ending December 31, 2023, the employer made nonelective profit sharing contributions to the plan of approximately \$9,740,000.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

4. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's matching contribution, (b) the Employer's non-elective discretionary profit-sharing contribution, and (c) investment income or loss less an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined.

Changes in participant deferral percentages for future contributions may be made at any time during the Plan year. Reallocation of participant investment accounts among the investment options can be made at any time during the Plan year.

5. Vesting

Participants are immediately vested in their employee contributions. Participants vest in all employer nonelective discretionary profit sharing and matching contributions at a rate of 20% after two years of service, with an additional 20% per year being vested thereafter until the employee is 100% vested after six years of service, as defined. If the participant terminates employment at or after attaining normal or early retirement age or in the event of death or termination due to disability, the participant shall be 100% vested.

6. Forfeited Accounts

Forfeitures may be used to reduce future employer contributions or pay plan expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$744,000 and \$544,000, respectively. For the year ended December 31, 2023, approximately \$593,000 of forfeitures were used to reduce employer contributions, and no forfeitures were used to pay plan expenses.

7. Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of employment, a participant may receive a lump sum distribution equal to the participant's vested account balance. Participants with account balances of \$1,000 or less are subject to involuntary lump sum distributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE B – DESCRIPTION OF THE PLAN - CONTINUED

8. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of one percent over the prime rate of interest at the time the loan is issued. Principal and interest paid is ratable through payroll deductions over a period not to exceed five years, unless the loan is used to aid in the purchase of a principal residence in which case the period may not exceed fifteen years.

9. Risks and Uncertainties

The Plan is comprised of a combination of investments. Investments are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE D – FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Digi-Key Corporation 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

Collective Trust Funds: Valued at net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserved the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>67,516,313</u>	\$ <u>-</u>	\$ <u>-</u>	67,516,313
Investments measured at NAV as a practical expedient				<u>348,943,302</u>
Investments at fair value				\$ <u>416,459,615</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share as a practical expedient (or its equivalent) as of December 31, 2023 and 2022:

Investment Type	Fair Value Estimated Using NAV Per Share as a Practical Expedient				
	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Collective Trust Funds	\$ 348,943,302	\$ 296,077,599	-	Immediate	None

NOTE E – FEDERAL INCOME TAXES

The Plan has adopted the Nonstandardized Pre-approved Plan sponsored by the trustee. The trustee obtained its latest advisory letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been restated since the prototype received its advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. See Note H for reconcilable differences between the financial statements and the Form 5500 as of December 31, 2023 and 2022 and for the year ended December 31, 2023.

The Plan's policy is to evaluate the likelihood that any uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the IRC and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Company are subject to examination by the IRS; generally for three years after they were filed.

NOTE F – PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company LLC is the trustee of the Plan, holds Plan investments, and executes Plan transactions.

NOTE G – PLAN TERMINATION OR CHANGES

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce, suspend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 444,448,057	\$ 373,131,344
Delinquent notes receivable in the financial statements reported as deemed distributions of participant loans in the Form 5500	<u>(647,306)</u>	<u>(758,740)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 443,800,751</u>	<u>\$ 372,372,604</u>

The following is a reconciliation of net increase in assets available for benefits per the financial statement for the year ended December 31, 2023 to net income per Schedule H of Form 5500:

Net increase in net assets available for benefit per financial statement	\$ 71,316,713
Prior year deemed distributions of participant loans reported in the Form 5500	758,740
Current year deemed distributions of participant loans reported in the Form 5500	<u>(647,306)</u>
Net income per schedule H of Form 5500	<u>\$ 71,428,147</u>

The classification of increases (decreases) of net assets available for benefits reported in the statement in changes of net assets available for benefits may differ from the classifications of income and expenses reported on schedule H of the Form 5500 due to different reporting requirements for the financial statement and the Form 5500.

NOTE I - ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by Digi-Key Corporation and are excluded from these financial statements. Investment advisory fees are paid by the Plan and expenses as incurred. Fees related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE J – SECURE ACT 2.0

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as “SECURE Act 2.0”. SECURE Act 2.0 contains over 90 new retirement provisions continuing the reforms that began with the 2019 SECURE Act. These provisions have varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

NOTE K – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 25, 2024, the date which the financial statements were available to be issued.
