Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Godolphin, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter - *Supplemental Schedule Required by ERISA , continued*

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements

1. Description of Plan

The following brief description of the Godolphin, LLC 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the *Plan Document* for more complete information.

General

The Plan is a defined contribution retirement plan which became effective January 1, 1998 and was restated in its entirety effective January 1, 2022. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan is administered by a trust, the trustee of which is a financial institution.

Eligibility

The Plan covers all employees of Godolphin, LLC (the Plan Sponsor and Administrator). Employees become eligible after reaching the age of 21 and completing one year of service with at least 1,000 hours worked. Prior to July 1, 2022, once an employee satisfied the eligibility requirements, he or she could enter the Plan on the first day of January, April, July, or October coinciding with or following the date the eligibility requirements were met. Effective July 1, 2022, once an employee satisfies the eligibility requirements, he or she may enter the Plan on the first day of the month following the date the eligibility requirements are met.

Contributions

Each participant is permitted to contribute a percentage of their annual compensation to their individual accounts on a pre-tax basis, not to exceed the annual maximum limit established by the *Internal Revenue Code* (IRC). The Plan permits pre-tax and Roth deferral contributions. The Plan Sponsor makes a safe harbor non-elective contribution equaling 3% of each participants eligible compensation. The Plan Sponsor may also make a discretionary profit-sharing contribution. During 2023, the Plan Sponsor made a contribution equaling 9% of participants' eligible compensation.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. Administrative expenses are charged to each participant's account when a benefit distribution is processed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefits and Vesting

The benefit to which a participant is entitled is the benefit which can be provided from the participant's account, which includes participant and sponsor contributions and related earnings thereon. Earnings are allocated based on the individual participant's account balance in relation to total participant account balances. Participants are 100% vested in their elective deferrals and sponsor contributions and related earnings thereon at all times.

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements, continued

1. Description of Plan, continued

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$36,821 and \$969, respectively. These accounts will be used to reduce future nonelective employer contributions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual withdrawals. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are also allowed up to the amount of participant's elective deferral contributions.

Risk and Uncertainties

The Plan provides for participant directed investment in various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Administrative Expenses

Certain administrative expenses are paid by the Plan. All other administrative expenses are paid by the Plan Sponsor. During 2023, \$149,025 of administrative expenses were paid by the Plan.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of a fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Contributions

Contributions from the Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events for accounting and disclosure requirements through September 30, 2024, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustee

The Plan's investment information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Empower Trust Company, LLC (Empower), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that investment information provided to the Plan Administrator by the trustee related to the investment information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note which appears throughout the financial statements and the supplemental schedule.

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements, continued

3. Information Certified and Provided by Trustee, continued

The following table presents the fair value of the investments (except for fully benefit-responsive investment contract, which is reported at contract value) in the Plan that were certified by Empower as of December 31:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 23,929,318	\$ 20,884,456
Fully benefit-responsive contract	2,875,459	2,308,392
Money market fund	<u>141,459</u>	<u>155,843</u>
Total investments	\$ <u>26,946,236</u>	\$ <u>23,348,691</u>

Empower certified the completeness and accuracy of \$2,972,698 of net realized and unrealized appreciation in the fair value of investments and \$699,541 of interest and dividends related to the investments for the year ended December 31, 2023.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Money market fund	\$ 141,459	\$ -	\$ -	\$ 141,459
Mutual funds	<u>23,929,318</u>	<u>\$ -</u>	<u>\$ -</u>	<u>23,929,318</u>
Total investments	<u>\$ 24,070,777</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,070,777</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2022</u>				
Money market fund	\$ 155,843	\$ -	\$ -	\$ 155,843
Mutual funds	<u>20,884,456</u>	<u>-</u>	<u>-</u>	<u>20,884,456</u>
Total investments	<u>\$ 21,040,299</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,040,299</u>

5. Investment Contracts with Insurance Company

The Plan has a benefit-responsive investment contract with Putnam Investments. Putnam Investments maintains the contribution in a general account, which is credited with earnings on the underlying investments and charged for Plan withdrawals and administration expenses. The contract is included in the financial statements at contract value as reported to the Plan by Putnam Investments. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor event (e.g., divestures or spin-offs of a subsidiary) that causes a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was 4.09% and 3.14% as of December 31, 2023 and 2022, respectively. This rate is reviewed on a quarterly basis for resetting. The weighted average yield for the year ended December 31, 2023 was 3.85%.

GODOLPHIN, LLC 401(K) PROFIT SHARING PLAN

Notes to the Financial Statements, continued

6. Exempt Party-in-Interest Transactions

Empower is the trustee as defined by the Plan and therefore, transactions with Empower qualify as party-in-interest. Administrative expenses of \$149,025 for the year ended December 31, 2023 are comprised of fees paid by the Plan to Empower for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Empower based on investment account values. These fees range from 0.04% to 0.96% of the investment account value. The fees are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

7. Tax Status

The Plan uses a prototype Plan document sponsored by Stoll Keenon Ogden, PLLC. Stoll Keenon Ogden, PLLC received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

8. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all affected participants to amounts contributed by them and the sponsor and related earnings thereon would continue to be fully vested.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:
