INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gads Hill Center 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gads Hill Center 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gads Hill Center 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair

presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gads Hill Center 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gads Hill Center 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gads Hill Center 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GADS HILL CENTER 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Gads Hill Center 403(b) Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

General - The Plan is a defined contribution plan established under the provisions of Section 403(b) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement for employees of entities tax-exempt under Section 501(c)(3) of the IRC. The Plan operates for the benefit of eligible employees of Gads Hill Center (the "Organization"), a qualified 501(c)(3) organization. All employees expected to work over 20 hours per week are eligible to contribute elective deferrals into the Plan immediately upon being hired. There is no minimum age requirement. Employees become eligible for discretionary matching and qualified nonelective contributions from the Organization upon completion of two years of service following their hire date. A year of service is defined as 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Organization has appointed an Investment Committee that determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Organization's Board of Directors.

Contributions - Each participant may contribute a specified percentage of pre-tax or after-tax (Roth) compensation, subject to certain IRC limits (\$22,500 and \$20,500 for 2023 and 2022, respectively). Participants who are age 50 or older are eligible to make additional catch-up contributions (\$7,500 and \$6,500 for the years ended December 31, 2023 and 2022). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Organization's discretionary matching and qualified nonelective contributions are determined by the Organization on an annual basis. For the year ended December 31, 2023, the Organization matched 100% of participant contributions up to 5% of the employee's salary. No qualified nonelective contributions were made.

Payment of Benefits - On retirement, death, disability, or termination of service, a participant (or, in the event of death, the participant's beneficiary) may elect to receive a lump sum amount equal to the value of the participant's vested account balance. In addition, in-service distributions at age 59½ and hardship distributions are permitted if certain criteria are met. Benefits are recorded when paid.

Participant Accounts - Each participant's account is credited with the participant's contributions, allocations of the Organization's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings

GADS HILL CENTER 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants - Participants may borrow from their accounts up to a maximum equal to 50% of their vested account balance or \$50,000. The minimum loan amount is \$1,000 and participants may have no more than two outstanding loans at a time. The loans are secured by the balance in the participant's account and bear interest at rates at 2% above the published prime rate at the date of origination. Loans are to be repaid over a five-year period. Principal and interest are paid ratably through payroll deductions. As of January 1, 2023, the loan policy was modified to allow for loans greater than five years if used for the purchase of a participant's principal residence but cannot exceed 30 years.

Vesting - Participants are immediately vested in their salary reduction, rollover contributions, and employer's matching contributions, plus earnings thereon.

Excess Contributions Payable – The Plan is required to perform certain non-discrimination testing each year. Testing failures may result in refunds of contributions to certain participants. Any amounts owed to participants at year end are included as a liability, with an offset to employee contributions. As a result of the excess deferrals identified for plan years 2023 and 2022, a total of \$2,447 and \$887 are required to be refunded to plan participants with excess deferrals, respectively. Excess contributions were refunded timely during the subsequent plan years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principal generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian of the Plan's assets. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is

GADS HILL CENTER 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

recorded on the accrual basis. If a participant ceases to make loan payments and the plan administrator deems the participant loan is in default, the participant loan balance is reduced and a deemed distribution is recorded.

Plan Expenses – Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Certain fees related to the administration of notes receivable from participants and distributions, and investment advisory and third-party administrative services, are charged directly to the participant's account and are included in the administrative expenses.

Estimates - The preparation of financial statements in conformity with GAAP requires the plan administrator and record keeper to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events - The Plan has evaluated subsequent events occurring through October 9, 2024, the date that the financial statements were available to be issued, for events requiring recording or disclosure in the Plan's financial statements.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, auditing procedures with respect to the information certified by Mid Atlantic Trust Company, the custodian of the Plan, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, except for comparing the information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

Accordingly, the custodian has certified that the following date included in the financial statements and supplemental schedule is complete and accurate:

- Noninterest-bearing cash, investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest income on notes receivable from participants, as shown on the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023.

GADS HILL CENTER 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

4. PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Organization, certain participants, and others. Fees paid by the Plan for the investment management services and administrative expenses qualify as party-in-interest transactions. The Plan allows participants to take loans from their accounts in the Plan, which qualify as party-in-interest transactions.

5. FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820 ("ASC 820") defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities they are required to be recorded at their fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance. ASC 820 also establishes a fair value hierarchy which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The standard establishes three levels of inputs that may be used to measure fair value:

Level 1: quoted prices in active markets for identical assets or liabilities;

Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual Funds – Valued at the daily closing price as reported by the fund. Shares held by the plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The following summarizes the classification of investments by classification and method of valuation:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,674,097	\$ -	\$ -	\$ 2,674,097

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,200,077	\$ -	\$ -	\$ 2,200,077

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

7. TAX STATUS

The Internal Revenue Service ("IRS") ruled on March 31, 2017 that the Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes that the Plan is qualified, and the related custodial accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan trustees to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS or Department of Labor. The Plan trustees have analyzed the tax positions taken by the Plan and have concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a tax liability or disclosure in the financial statements as of December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions, generally for three years after returns are filed; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 to the Form 5500:

Net assets available for benefits, per financial statements	\$ 2,748,239
Excess contributions payable	<u>2,447</u>
