INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of The Belden Holding and Acquisition Company 401(k) Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Belden Holding and Acquisition Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Belden Holding and Acquisition Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Belden Holding and Acquisition Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Belden Holding and Acquisition Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Belden Holding and Acquisition Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Belden Holding and Acquisition Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of The Schedule of Assets Held for Investments is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

THE BELDEN HOLDING AND ACQUISITION COMPANY 401(k) PLAN

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of The Belden Holding and Acquisition Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan which includes an employees' savings plan established under the provisions of Internal Revenue Code Section 401(k) and covers all employees of The Belden Brick Company, LLC, Belden Brick Sales and Service, Inc. and Arcitell LLC, (the "Companies"). The plan covers employees who have completed four months of service and are age 18 or older and is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions

Each year, participants may make salary deferral contributions in any percentage from 1% to 50% of pretax annual compensation, as defined in the Plan. For those plan participants previously covered under the Belden Brick 401(k) Plan and hired after January 1, 2007, the Companies will automatically withhold 3% of compensation as salary deferral unless an alternate deferral amount is elected, or the participant elects not to defer. For all other participants, there will be no automatic deferral. In 2023 and 2022, the Companies made discretionary matching contributions to eligible participants' deferrals based on a percentage of the participant's compensation. In addition, the Companies may also make discretionary profit-sharing Plan contributions. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies made no profit-sharing contributions in 2023 or 2022.

Participant Accounts

Each participant's profit-sharing account is credited with an allocation of (a) the Companies' profit-sharing contribution, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Each participant's 401(k) account is credited with an allocation of (a) the participant's salary deferral contribution, (b) the employer matching contribution and (c) Plan earnings. Any forfeitures derived from employer matching contributions can be used to pay plan administrative expenses or reduce employer matching contributions in the current or future plan years. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Investment Options

Participants must direct their salary deferral contributions and all matching and profit-sharing contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone access to Fidelity Management Trust Company, or by accessing Fidelity Management Trust Company on-line.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the remainder of their accounts (the profit-sharing account and the employer matching account) is based on years of continuous service and also on the class of the participant as defined in the Plan agreement.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$154,929 and \$180,932, respectively. Forfeitures have historically not been used to reduce the Plan's administrative expense even though permitted by the Plan document.

Forfeitures related to the profit-sharing portion of the Plan shall be allocated to remaining participants' profit-sharing accounts based on wages.

Forfeitures related to the employer matching portion of the Plan will be used to reduce employer matching contributions. During the years ended December 31, 2023 and 2022, respectively, amounts totaling \$62,182 and \$44,596 were used to reduce employer matching contributions.

Participant Loans

Participants may borrow from their retirement accounts a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the participant's investment funds from (to) the participant notes fund. Loan terms range from 1 – 5 years. The loans are secured by the balance in the participant's account and bear interest at current prevailing interest rates as defined in the plan agreement. Principal and interest are paid ratably through payroll deductions.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Payments of Benefits

In the event of a mandatory distribution greater than \$1,000 that is made in accordance with the provisions of the Plan providing for an automatic distribution to a Participant without the Participant's consent, if the Participant does not elect to have such distribution paid directly to an "eligible retirement plan" specified by the Participant in a direct rollover or to receive the distribution directly, then the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator.

A participant whose vested account balance exceeds \$5,000 may elect to receive either (1) a lump-sum amount equal to the value of his or her account or (2) installment payments over a specified term or (3) partial withdrawal.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2024 the date which the financial statements were available to be issued.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions Receivable

Employer profit-sharing contributions, employer matching contributions and participant salary deferral contributions are recorded as additions to net assets available for benefits during the Plan year for which they are due. Rollovers are recorded as additions to net assets when received.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Plan expenses paid by the Company amounted to \$50,880 for the Plan year ended December 31, 2023.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

FASB ASC 820, Fair Value Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices.

Level 2 Fair Value Measurements

The fair value of investments in bank and investment house common/collective investment trusts for which quoted market price are not available are reported at the value reported to the Plan by those entities. Funds are invested in financial instruments issued by highly rated companies. These include guaranteed investment contracts (GICs), security backed contracts (synthetic GICs) and cash equivalents.

Level 3 Fair Value Measurements

There were no plan investments subject to Level 3 fair value measurements. This category would include investments that are not actively traded, and significant other observable inputs are not available.

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments in 2023 and 2022 were shares of mutual funds managed by affiliates of Fidelity Investments, who sponsored the 401(k) Plan and provided investment services, recordkeeping, and administrative support to the Plan and the Plan administrator for the respective years.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE F - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Fidelity Management Trust Company certified the following information included in the 2023 and 2022 financial statements and supplemental schedules:

- Investments, including fair value, investment transactions, and related information.
- Investment income, including net unrealized appreciation (depreciation) in fair value of investments, net realized gains (losses) from sale of securities, and interest and dividend income.
- Form 5500, Schedule H, 4(i) – schedule of assets held for investment purposes.

NOTE G - TAX STATUS AND INFORMATION REGARDING DETERMINATION LETTER

Effective July 1, 2015, the Plan sponsor adopted a non-standardized form of a volume submitter plan sponsored by Fidelity Management Trust Company. The prototype plan has received an opinion letter dated June 30, 2020 as to the volume submitter plan's qualified status.

The volume submitter plan opinion letters have been relied upon by this Plan. The Plan Administrator does not plan to submit an application for determination for its adoption of such volume submitter plans. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

NOTE H - RISK AND UNCERTAINTY

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amount reported in the statements of net assets available for benefits.
