Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Contractors Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Contractors Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

TO THE ADMINISTRATOR OF
THE CONTRACTORS RETIREMENT PLAN

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Contractors Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

INDEPENDENT AUDITORS' REPORT
(Continued)

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITORS' REPORT
(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Contractors Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule Form 5500 - H, Part IV - Schedule of Assets Held at End of Year, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of The Contractors Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 10, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

THE CONTRACTORS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

A. DESCRIPTION OF THE PLAN:

The following description of The Contractors Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions:

1. General Information

The Plan is a defined contribution plan covering substantially all full-time employees of Energy Electric Co., Inc. (the "Company"), except excluded employees as defined by the Plan, who are at least the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Board of Trustees oversees governance of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

The Plan's investments are part of a 103-12 investment entity. A 103-12 entity is an arrangement consisting of two or more plans that are not members of a related group of employee benefit plans, whose underlying assets include the plan assets within the meaning of Title 29 U.S. Code of Federal Regulations ("CFR") Part 2510.3-101.

2. Administration

The Plan is administered by the Plan Sponsor in accordance with the Plan Agreement. The Plan Sponsor has appointed ERISA Smart, an investment trustee, as its custodian, to hold Plan assets, execute investment transactions, and administer the participants' accounts. Expenses for recordkeeping and benefit distributions of the Plan are paid by the Plan.

A. DESCRIPTION OF THE PLAN: (Continued)

3. Eligibility

An employee is eligible to make contributions to the Plan upon the attainment of age eighteen (18). Participants eligible to make contributions to the Plan are eligible to receive safe harbor matching contributions and employer profit sharing contributions.

4. Contributions

Each year, participants may make pre-tax elective contributions of up to 100% of eligible compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts, collective trusts, and a stable value option.

The Company also makes contributions on behalf of participants who perform work subject to prevailing wage laws to satisfy the fringe benefit requirements of the law.

The Company may make discretionary matching contributions based on a percentage of an eligible participant's contributions during the plan year, upon the approval of management. The Company may also elect to make discretionary profit-sharing contributions.

During the year ended December 31, 2023, the Company contributed $269,752 into the Plan.

A. DESCRIPTION OF THE PLAN: (Continued)

5. Vesting

Participants are vested immediately in their contributions and prevailing wage contributions, plus actual earnings thereon. The participant's interest in his/her account related to the employer matching contributions and profit sharing contributions are vested under the following schedule:

Years of Credited Service	Percent Vested
Less than one year	0%
At least one year but less than two years	20%
At least two years but less than three years	40%
At least three years but less than four years	60%
At least four years but less than five years	80%
Five years or more	100%

In the event of death, permanent disability or retirement, a participant's employer contribution account becomes fully vested.

6. Participant Accounts

Each participant's account is credited with his or her contribution, and an allocation of both the Company's contribution and the current year's plan earnings, and is charged with an allocation of administrative expenses. Allocations are based upon each participant's qualified compensation and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. DESCRIPTION OF THE PLAN: (Continued)

7. Notes Receivable - Participants

Participants with a vested account balance of $2,000 or more may borrow amounts not to exceed the lesser of $50,000 or fifty percent (50%) of the Participant's vested account balance. The minimum loan amount is $1,000 and only one loan per participant can be outstanding at any time. The loan balance is secured by the participant's account and the interest rate is fixed at the inception of the loan at no higher than the Prime Rate. Repayment terms of each loan are determined by each Participant, but may not exceed sixty (60) months, unless the loan is for the purchase of a principal residence, in which case the loan term may not exceed one hundred and twenty (120) months. At December 31, 2023, interest rates ranged from 3.25% to 7.00%.

8. Payment of Benefits

Benefits under the Plan are distributed to Participants upon termination of service due to death, disability or retirement, or financial hardship, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

A Participant can keep the funds in the investment accounts until the participant gives authority to terminate the relationship, at which time the participant may receive the value of the vested interest in his or her account as a lump sum distribution or under a systematic withdrawal plan, as defined.

9. Forfeited Accounts

Forfeitures represent non-vested employer contributions forfeited by participants who terminate their employment or withdraw from the Plan prior to vesting. At December 31, 2023, there were no forfeited non-vested accounts. Forfeitures can be used to pay Plan expenses or reduce future employer contributions.

10. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100% vested in their accounts.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. Method of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America, as established by the Financial Accounting Standards Board (FASB), and issued in the FASB Accounting Standards Codification ("The Codification"), utilizing the accrual-basis method of accounting.

2. Investment Valuation and Income Recognition

Investments are carried at fair value, which is determined based on the fair value of the investments of the Contractors Retirement Plan Master Trust ("Master Trust"). Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note G. for discussion of fair value measurements.

The Plan presents in the statement of changes in the net assets available for benefits its net investment income (loss) from investment in the Master Trust, which includes its divided interest in the net appreciation (depreciation) in the fair value of investments in the Master Trust (consisting of realized and unrealized gains or losses on investments) and interest and divided income. The Master Trust records purchases and sales of securities on a trade-date basis, interest income on the accrual basis, and dividends on the ex-dividend date.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at December 31, 2023, and the reported amounts of revenues and expenses for the year then ended. Actual results and amounts may differ from the estimates made in the preparation of these financial statements.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

4. Tax Status

The Internal Revenue Service has provided an opinion letter dated August 24, 2020, that the prototype plan and related trust are acceptable under Section 401(k) of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and tax-exempt as of the financial statement date.

The Company is required to file an annual Form 5500, Annual Return/Report of Employee Benefit Plan. Annual tax filings are subject to examination for a period of three years after their filing date by the Department of Labor. Management is unaware of any current or pending examinations.

5. Notes Receivable – Participants

Notes Receivable - Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

C. INFORMATION CERTIFIED BY THE TRUSTEE:

The Plan's investments and investment transactions were certified as complete and accurate by ERISA Smart, the Trustee of the Plan for the years ended December 31, 2023. In accordance with the request of the Plan Administrator and as allowed under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act (ERISA) of 1974, this information was not subjected to auditing procedures generally accepted in the United States of America, except for comparing such information to related information included in the financial statements and supplemental schedule. The following is a summary of the unaudited information regarding the Plan, which was prepared by or derived from the information prepared by the Trustee and furnished to the Plan Administrator:

Statement of Net Assets Available for Benefits:

Investments, at Fair Value	$ 5,986,759
Notes Receivable - Participants	141,850

Statement of Changes in Net Assets Available for Benefits:

Net Investment Income (Loss) from Investing in the Contractors Retirement Plan Master Trust	636,989
Interest Income on Notes Receivable - Participants	6,047

Additionally, the information disclosed in Note G. of the financial statements and the Supplemental Schedule of Assets Held for Investment Purposes at end-of-year were certified by the Trustee.

D. NOTES RECEIVABLE - PARTICIPANTS:

Balance, Beginning of Year	$ 168,453
Plus: Loans Issued	59,050
Less: Loan Repayments	(85,653)
Balance, End of Year	$ 141,850

For the year ended December 31, 2023, interest earned on participant fund loans, included in interest income, amounted to $6,047.

E. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

F. INTEREST IN CONTRACTORS RETIREMENT PLAN MASTER TRUST:

The assets of the Plan are pooled and invested in the Master Trust. Each retirement plan has a divided interest in the Master Trust. The assets of the Master Trust are held by ERISA Smart, the trustee of the Plan.

The value of the Plan's interest in the Master Trust is based on the beginning of the year value of the Plan's interest in the trust, plus actual contributions and allocated investment income (loss), less actual distributions and allocated administrative expenses. Investment income (loss) is allocated based on each participants' specific investment. Administrative expenses related to the Master Trust are allocated to the individual plans based on their market value compared to the Master Trust's total market value.

F. INTEREST IN CONTRACTORS RETIREMENT PLAN MASTER TRUST: (Continued)

The following table presents the fair values of net assets for the Master Trust and Plan as of:

December 31, 2023	Master Trust Balances	Plan's Interest in Master Trust Balances
Investments at Fair Value:		
Pooled separate accounts	$ 510,310,635	$ 5,446,027

G. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

- Insurance Company General Account - Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

G. FAIR VALUE MEASUREMENTS: (Continued)

- Pooled Separate Accounts and Collective Trusts – These investments are investment vehicles valued using the unit value provided by the administrator of the fund. The unit value is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The unit value is an input other than a quoted price that is observable. Therefore, these investments are classified within Level 2 of the valuation hierarchy.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measure at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Master Trust's at Fair value as of December 31, 2023. As required by ASC Topic 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 510,310,635	$ -	$ 510,310,635
Insurance Co. General Account	-	1,013,072,811	-	1,013,072,811
Collective Trust	-	-	-	-
Investments at Fair Value	$ -	$ 1,523,383,446	$ -	$ 1,523,383,446

H. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

Notes receivable from participants qualify as party-in-interest transactions.

I. SUBSEQUENT EVENTS:

Plan Management has evaluated the possibility of subsequent events that may require disclosure in the Plan's financial statements through October 2, 2024, the date that the financial statements were available to be issued, and has determined that there were no additional disclosures is required.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified **(2)** ☐ Qualified **(3)** ☐ Disclaimer **(4)** ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 **(2)** ☐ DOL Regulation 2520.103-12(d) **(3)** ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **(2)** EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
